Isle of Palms Fire Department

Call Summary

August 2014

- 8/2/14 Personnel responded to a residence on Palm Court for a report of people trapped in an elevator. Upon arrival the crew found the elevator car stopped on the first floor and had to force the door open to access the occupants. Once the door was open one adult and two children were able to exit the elevator. All parties denied any injuries or need for further assistance.
- 8/8/14 Personnel responded to a fire alarm at a condominium complex on Palmetto Drive. Upon arrival crews entered an unoccupied unit and detected an odor of electrical burning. A thorough check of the unit revealed a problem with the HVAC unit. No other hazards existed and power was secured to the unit. The situation was turned over to the facility's maintenance staff, and all units returned to service.
- 8/12/14 Personnel responded to a report of a boater in distress in the Intracoastal Waterway between Breach Inlet and the Isle of Palms Connector. Boat 1020 was launched. Phone contact was made with the party on the boat. No one on the boat was in distress, but the boat had run aground. As Boat 1020 approached it was determined that they could not reach the vessel without running aground. Charleston County Rescue Squad was dispatched to bring their airboat to the scene. Upon their arrival, all parties were removed from the vessel and returned to the Isle of Palms Marina. The owner of the vessel said he secured the unit and would return when a high tide was present.
- 8/17/14 Personnel responded to the beach at the Isle of Palms County Park for a missing mentally-disabled 20 year old female. Upon arrival personnel gathered a description of the person and where the individual was last seen. Crews began a search and launched a jet ski since there was a possibility the person may be in the water. After a short search the individual was found in the water near 45th Avenue. They were placed in a personal flotation device and brought back to the beach at the park by jet ski. No further assistance was required and all units returned to service.
- 8/23/14 Personnel responded to a report of an outside fire at a condominium complex on Ocean Boulevard. Upon arrival personnel found the gas grill near the pool had caught fire, but had been extinguished by the individuals present. A thorough check of the grill and surrounding area revealed no further hazards and all units returned to service.

Call Summary
August 2014

8/27/14 Personnel responded to a report of a possible drowning on the beach behind the Windjammer. Upon arrival personnel were advised that a female had been found floating face down in the water and was pulled ashore. When crews reached the patient it was determined she was in cardiac arrest and they began basic life support procedures. The patient was placed on a backboard and transferred to Rescue 1002, which transported the patient to the road. Patient care was then transferred to the crew of Charleston County EMS Medic 11 for continued care and transport. One fire department member accompanied the EMS crew during the transport, and all other units returned to service.
