

Special Ways and Means Committee Meeting Budget Workshop

5:15 p.m., Wednesday, March 28, 2018

A Special Meeting of the Ways and Means Committee, a Budget Workshop, was held at 5:15 p.m. in Council Chambers of City Hall, 1207 Palm Boulevard, Isle of Palms, South Carolina. Attending the meeting were Councilmembers Bell, Buckhannon, Ferencz, Moye, Rice and Smith, Chair Ward, Mayor Carroll, Administrator Tucker, Treasurer Suggs, and City Clerk Copeland; a quorum was present to conduct business. Councilmember Kinghorn was absent. Recreation Director Page, Public Works Director Pitts, Building Director Kerr, Fire Chief Graham, Interim Police Chief Usry were also in attendance to present the capital purchases requested by their respective departments for the FY19 budget

1. Chair Ward called the meeting to order and acknowledged that the press and public were duly notified of the meeting in accordance with the Freedom of Information Act.

2. Discussion of FY19 Budget

Treasurer Suggs stated that, historically, the City has budgeted conservatively. She uses the past twelve months' actual numbers as a basis and adjusts them as trends indicate or information has been gathered, such as the increase in the health insurance premiums provided by the State Health Plan. Estimates are generally low for revenue while expenditures are estimated high; that has been proven to be a good strategy for the City and has allowed the City to stay within budget, which is the goal. Budget Preparation is a collaborative effort involving the City Administrator, the Assistant Administrator, the Treasurer and the Department Managers; some items are treated globally, for instance wages and the price of gasoline. Items over five thousand dollars (\$5,000) are listed on the Capital Projects budget, and items less than five thousand dollars (\$5,000) are included in the Operating Budget. For review at this meeting were the Operating Budget, a one-page listing of other items for Council's consideration for inclusion in the FY19 budget and the ten year Capital Plan.

Chair Ward stated that his goals for the budget were no tax or fee increases, a balanced budget with an immaterial surplus, study the policy of local governments as to the life of vehicles; save more money for emergencies, make material contributions to a marina maintenance fund to be repeated every year, and to have free and open exchange of ideas about the budget.

Treasurer Suggs said that discussions of surpluses refer to the General Fund budget, and, as it is reviewed, items can be identified that might be budgeted too conservatively. She noted that in the past, some of the surpluses came about because the City received more revenue than was anticipated, for instance, this version of the budget did not include revenue from business licenses or building permits associated with the potential, large project in Wild Dunes. Not knowing any timeframe related to the project, additional revenue was deliberately not included in the budget. On the expense side, one (1) area where significant under-budget conditions have occurred was in payroll because some positions might stay vacant for longer than expected. The Treasurer reminded the Committee that the only way the Capital Projects Fund gets money is from the year-end surpluses in the General Fund; if budgeting for a nominal surplus was done, money must be budgeted for the Capital Projects Fund.

Responding to Councilmember Ferencz, currently the contribution to the Capital Projects Fund is a plug figure to balance the budget. If during the budget process, Council determines that the

amount is insufficient to cover the projects Council has planned for the year, Council would look to find additional funds somewhere in the budget.

Mayor Carroll recalled a schedule that was generated a couple of years ago that showed the properties on the island who paid six percent (6%) in property taxes, those that paid four percent (4%) and the six percent (6%) rentals. He stated that he found it to be "the best tool ever."

The Treasurer said that she would have it for the next budget meeting.

Councilmember Bell explained his study of the parking ticket revenue, and he found a thirty-six percent (36%) decline in the number of tickets year on year, and the ticket cost was cut by half which cost the City three hundred seventy-five thousand dollars (\$375,000). Speaking as someone who vacationed on the island for twenty-five years (25 yrs.), a twenty-five dollar (\$25) ticket meant nothing.

Councilmember Rice noted that 2016 was the first season for the Managed Beach Parking Plan; therefore, significantly more tickets were written as people learned the plan's regulations.

Capital Projects Requests presented by Department Managers

Treasurer Suggs stated that not all of the Capital Projects requests were in the Capital Budget, but appear in the Operating Budget; they were Drainage Phase II, the recurring drainage initiative with Eadie's and general drainage projects as they come. Appearing in both the Capital and Operating budgets were utility undergrounding, the replacement of the underground storage tanks at the marina, beach monitoring

Administrator Tucker stated that General Government would be seeking one hundred four thousand three hundred dollars (\$104,300) in Capital Projects requests that included additional holiday light displays, an audio/visual system for Council Chambers, a biometric time and attendance system, replacement of the City Hall server and backup system, and fifty percent (50%) of the City Hall repairs as defined in the Hill report. Also budgeted, but only to be purchased if they fail, were an HVAC system for City Hall and up to two (2) radio replacements.

In the Police Department, the purchases to be made from a projected budget of approximately eight hundred eighty-three thousand five hundred dollars (\$883,500) were reviewed by Interim Chief Usry and included the replacement of five (5) patrol vehicles, replacement of the Beach Services truck, the replacement of all of the department's radios and walkies from reserve funds, replacement of the speed radar trailer, the replacement of in-car cameras, the replacement of seven (7) traffic counters at the Connector and Breach Inlet, fifty percent (50%) of the cost to replace the roof of the Public Safety Building (PSB) and fifty percent (50%) of the cost of other repairs cited in the Hill report.

Chair Ward reported that the radio replacements, the PSB roof and the Hill report repairs were re-budgets from FY18, not new expenditures.

Chief Graham stated that the Fire Department was seeking approximately one million three hundred fifty thousand (\$1,350,000) in capital purchases and approximately five hundred sixty thousand seven hundred dollars (\$560,700) in reserves for self-contained breathing apparatus (SCBA) and the future replacement of trucks. Included in the capital purchases in FY19 were the seventy-five foot (75 ft.) ladder truck, vehicle radios paid from reserves, the replacement of a 2008 Ford F-150, one (1) thermal imaging camera, Porta-Count machine for SCBA mask fit testing if it

fails, a rubber boat with motor and trailer, RAD-57 carbon dioxide and oxygen monitor if it fails, the replacement of one (1) all-terrain vehicle, retainage for PSB construction contract, replacement of the security locks on all doors at Fire Station 2, fifty percent (50%) of the PSB roof replacement, the relocation of the PSB generator from the roof to a raised platform on the ground, replacement of the generator day tank, fifty percent (50%) of the repairs defined in the Hill report for the PSB and repairs defined in the Hill report for Fire Station 2.

Public Works Director Pitts reported that his Capital Projects requests for FY19 included the replacement of a 2012 Ford F-150 truck, radio replacements only with failure, replacement of the cantilevered gate system – if not completed in FY18, mobi-mat material to stabilize beach paths, Replacement of the generator for the fuel pump and the Public Works Building, and repaving the lot at Public Works. Since a large portion of the Public Works lot has been or will be replaced with concrete due to the wash down facility construction and the UST replacement, the estimate is expected to be considerably higher than needed; the City could possibly be able to move forward with the roof replacement for the Public Works Building, eliminating the planned FY20 expenditure. These Capital Projects costs are estimated to be three hundred fifty-three thousand five hundred dollars (\$353,500).

In addition, the Public Works Department was asking for seventy-thousand dollars for a general drainage contingency for small projects that come up throughout the year, funds for drainage work by Eadie's, funds for the completion of Phase II of the Drainage Project (offset by \$500,000 Rural Infrastructure Grant), and a provision for undergrounding utility lines; these special projects total approximately one million eight hundred thirty thousand dollars (\$1,830,000).

The Department's requests for reserve funds include one hundred thousand dollars (\$100,000) for future purchases of garbage packer trucks and a caterpillar loader and funds from the unspent provision for undergrounding utility line; the total reserves would be one hundred seventy-five thousand dollars (\$175,000).

For the Building Department, the Capital Budget included fifty-percent (50%) of the cost for a City Hall HVAC system, only with failure, and fifty percent (50%) of the repairs to City Hall per the Hill report.

For the Recreation Department, Director Page listed the capital requests as the addition/replacement of playground equipment or a scoreboard, only with failure. An upgrade to the RecTrac software for on-line registration and the software and server required to have on-line registration, the replacement of the Rec Trac server, replacement of the outdoor water fountains with failure, replacement of HVAC units of which there eleven (11) in the expansion only with failure, the replacement of the phone system handsets, replacement of the John Deere Z-TRAK mower, and the replacement of the gym floor and rehabilitate the subsurface (offset by grants of \$13,000) for total of one hundred fifty-nine thousand four hundred dollars (\$159,400). The single Special Project for the Recreation Department was to reconstruct the two (2) tennis courts at sixty-eight thousand dollars.

Councilmember Smith asked that a pool be added back to the capital plan in an out year so the possibility would not lost.

In the area of the budget dedicated to the Front Beach Area, including the public restrooms, the parking meters, the parking lots and beach walkovers, the capital expenditures considered are the replacement of five (5) parking meters purchase in 2014, the replacement of the white fencing at Ocean Villas and The Windjammer; and the allocation of funds for the replacement, repair or

addition of a dune walkover, totaling three hundred sixty thousand dollars (\$360,000), plus the addition of seventy-five thousand dollars (\$75,000) in reserves for the replacement of underground infrastructure at the Front Beach.

The two (2) items in the category of Beach Maintenance and Monitoring are the post-project monitoring for the project just completed and the ongoing monitoring of the entire shoreline for a total of two hundred seventy-five thousand dollars (\$275,000).

For the IOP Marina, capital expenditures include the cost to paint the bulkhead as recommended by the consulting firm and the re-budget of the cost to remove and replace the underground storage tanks with seventy-five thousand dollars (\$75,000) as a reserve for marina maintenance.

Mayor Carroll stated that his priorities were drainage and parking followed by the maintenance of City properties and the emergency funds of the City.

Moving now to the listing of other items for consideration, see attached sheet

Relative to the Waterway multi-use path, the stretch from 36th to 41st Avenue was renovated/replaced within the past five (5) years and was in relatively poor condition today. In the Administrator's opinion, the ideal for that area would be to have regulation bike paths on both sides of the road and the complete replacement of the multi-use path with a wider path. She noted that the design for a new path with bike lanes could be gotten for twenty-five thousand dollars (\$25,000).

Councilmember Smith also mentioned that discussions have been held about improving the crosswalk at 20th Avenue and the addition of crosswalks to Waterway Boulevard, not only to assist people crossing the road but also to signal drivers to slow down.

4

When Councilmember Ferencz asked how much money the City had in reserves for future purchases or large vehicles and repairs per the Hill report, Treasurer Suggs replied that the total was one million two hundred ninety-four thousand dollars (\$1,294,000). The amount to be sent aside in FY19 was eight hundred eighty-five thousand seven hundred dollars (\$885,700). Looking at the proposed FY19 budget and the items on the "for consideration list," Councilmember Ferencz suggested that the City might not be able to continue the process of setting aside funds and to return to the lease/purchase option.

The Mayor noted that both Tidal Wave Watersports and Morgan Creek Grill have three (3) years remaining on their leases; he suggested that the City it renew Tidal Wave's lease and to turn the dock they have into a dock for residents and to sell Morgan Creek Grill.

Councilmember Ferencz asked what the added cost was going to be to have police officers controlling traffic at the marina.

Chair Ward asked that each Councilmember study the "items for consideration" and to prioritize them for discussion at the next workshop. He also asked that each committee review the budget(s) under their purview looking for items to add or delete and for possible revenue sources. At the next workshop, the Ways and Means Committee will look at the recommendations from the Committees and the priorities of the "items for consideration" for additions and/or deletions from the FY19 budget, resulting in a version of the budget that everyone would be comfortable with and could adopt.

The next budget workshop was scheduled for 5:15 p.m., Wednesday, April 11th.

3. Adjournment

The Chair closed the meeting at 8:25 p.m.

Respectfully submitted:

Marie Copeland

Comment: Fire Department Maintenance & Service Contracts:

pest mgt $\$16 \times 37/\text{month} = \636

bay door svc contract ($\$440 \text{ PSB} + \330 FS2) $\times 4 = \$3,080$

alarm monitoring svc both stations = \$515

Firehouse reporting software maintenance = $\$2,400 + \$2,500$ new IOP share of Firehouse records mgt administrator at Chas Co Consolidated Dispatch

generator maint = $\$505 + \$1010 = \$1,515$

elevator maint = $(\$320 \times 4) + (\$715 \times 4) = \$4,140$

mandatory \$3,750 5yr rupture valve test on all elevators as required by LLR ($\$2500 \times 1.5$ elevators)

SIFD or Mt. Pleasant training facility maint = \$1,000

walkie radio maint = $\$10 \times 49 \times 12 \text{ mos} = \$5,880$

mobile radio maint - $\$11 \times 10 \times 12 \text{ mos} = \$1,320$

MDT Visinet (silent dispatching system) license = $\$708 \times 8 \text{ MDTs} = \$5,664$

sprinkler sys maint = \$525

hood and wet riser inspection= \$500

HVAC maint = $\$2725$ (50% of PSB) + $\$2700$ for FS2 = $\$5,230$

weekly housekeeping = $\$377.50 \times 12 = \$4,530$

stormwater fee = $\$350$ (1/2 of estimated PSB) + \$ FS2 \$260

gateway and Sonicwall security software, split between depts = \$430

pressure wash exterior (Sta 2 $\$800 + 50\%$ of PSB $\$1,000$) = $\$1,800$

fire inspection sys subscription service (Mobile Eyes) = $\$2,500$

AED maintenance = $\$2700$

maint contract on "jaws of life" equipment \$800

fire alarm system inspection \$525

surveillance system maint \$630

$\$4,755$ annual subscription service on NFPA/OSHA compliance software

$\$2,500$ to repaint PSB lobby and other areas as needed

$\$340$ for preventative maint on 2 gear extractors (industrial washing machines for gear)

$\$1900$ for onsite annual pump testing

general maint = $\$3,000$ to cover HVAC, plumbing and electrical repairs, compressor testing, typewriter maint, fire extinguisher maint, AED repairs and bay door repairs

86														
87	Marina Fund - Capital Outlay and Bond Principal Payments													
88														
90	Because the Marina Fund is an "Enterprise" fund for governmental accounting purposes, the cost of capital additions and bond principal payments will be capitalized (for asset additions) or deducted (for													
91	principal pmts) on the balance sheet and will not be included in expenses on periodic or audited financial statements (just like a private business). Also depreciation is recorded in an Enterprise fund.													
92	These elements are summarized below:													
93														
94	Principal pmt on GO Bond not included in expense					300,000								
95	Other Capital purchases not included in expense (capital)													
96		Replace 4 underground storage tanks				620,000								
97		Paint the bulkhead				-								
98		Marina improvements				-								
99														
100					subtotal	920,000								
102	Depreciation expense included in the budget					125,000								

City of Isle of Palms FY19 Budget Work Session

Other Budget Items for Consideration (these are not included in ORANGE Budget Draft #1 or the Proposed Capital Plan)

	<i>COST ESTIMATE</i>
<u>STAFF PRIORITIES:</u>	
Facilities and Maintenance Supervisor including vehicle and office space	158,779
PT Admin Assistant in Public Works (no health ins or retirement)	38,799
<u>IN NO PARTICULAR ORDER:</u>	
Professional Fees related to island-wide sewer project	50,000
Professional Fees related to personnel search (2 positions)	24,000
Improved maintenance of multi use path on Waterway Blvd	25,000
Purchase government surplus high water vehicle (may be grant eligible)	8,000
Overhead signage at Connector intersection	15,000
Drainage outfall improvements	250,000
All year managed parking/parallel only parking on Palm Blvd/no trailer parking on Waterway	
Sign manufacture/installation/removal	50,000
Full-time BSO for all year parking enforcement	46,600
Rent County Park lot for Farmers Market free parking	1,200
Live Streaming of all Council and Committee meetings	34,700
Three organized coyote hunts (approx 3 days each, cost regardless of results)	15,000
Additional traffic camera at Palm Blvd and 41st Avenue (may cost share with Wild Dunes)	10,000
Marina Improvements (ATM conceptual estimates)	???
Replace floating docks	800,000
Relocate/renovate AIWW docks	75,000
ADA & other gangways	275,000
Kayak launches	77,700
Other waterside improvements	1,566,348
Upland improvements	2,278,623
	5,072,671
	<i>(offset by Boating Infrastructure Grant of \$69,467)</i>

130		Public Works Department											
131													
132	1	1998 Mack <i>(PW14) (currently used for miscellaneous work, will not be replaced when it fails)</i>	** These purchases to be funded with savings. See "Assign Fund Balance" section below **										
133	1	2003 Mack w/ 30yd Packer <i>(PW20) (currently inoperable, will be sold as is. This truck replaced in FY18)</i>											
134	1	Replace 2006 Mack w/ 20yd Packer <i>(PW2)</i>	170,000										
135	1	Replace 2008 Mack w/ 31yd Loadmaster Packer <i>(PW22)</i>	255,000										
136	1	Replace 2009 Mack w/ 31yd Loadmaster Packer <i>(PW24)</i>	270,000										
137	1	Replace 2014 Mack w/ 30yd Packer <i>(PW26)</i> in FY30											
138	1	Replace 2016 Mack w/ 30yd Packer <i>(PW16)</i> in FY31											
139	1	Replace 2018 Mack w/ 30yd Packer <i>(PW)</i> in FY34											
140	1	Replace 2006 Caterpillar trash loader	158,000										
141													
142	1	2002 Mack Flatbed (PW 18) (keep as spare to help with yard debris)											
143	1	Replace 2003 Mack Flatbed (PW 21)			105,000								
144	1	Replace 2018 Mack Flatbed (PW ____) in FY34											
145	1	Replace 2008 F250 4x4 (deferred since FY15)				34,000						35,000	
146	1	Replace 2012 Ford F150 4x4 (deferred in FY18)	33,500							35,000			
147	1	Replace 2014 F150 4x4			34,000						35,000		
148	1	Replace 2016 Ford F350 4x4 with hopper					48,000						50,000
149	1	Replace 2017 Ford F250						35,000					
150		Radio Replacements - replace w/ failure and continue to investigate options for communications that are less expensive than public-safety level radios.	10,000										
151		Replace cantilever gate system (may be able to complete this in FY18 using funds for Hill Report maintenance)	15,000										
152		Mobi Mat material to stabilize beach accesses as needed	30,000		30,000	30,000	30,000	30,000	30,000	30,000	30,000	30,000	30,000
153		Replace generator for fuel pump & PW building (old unit died, making do with small portable)	50,000										
154		Hill Report Yr 2 priorities, including \$200,000 Hill estimate for repaving that is likely too high given that a substantial part of the old asphalt has been or will be replaced with concrete by virtue of the wash facility consturction and the upcoming UST repl. With the savings in repaving, it may be possible to move forward the replacement of the roof, which was a Hill report Yr3 priority. If this is achieved, the FY20 cost of \$135,000 could be reduced.	215,000		135,000								
155		Replace four 4-in flood water pumps purch in FY07/ 10 (continue to defer, should be needed less after Phase II Drainage Project)			40,000								
156		Replace z-track mower for rights of way			15,000						20,000		
157		Replace privacy fence along 13th Ave									15,000
