

PUBLIC SAFETY COMMITTEE
5:00 p.m., Wednesday, August 15, 2018
Council Chambers
1207 Palm Boulevard

AGENDA

1. **Call to order** and acknowledgement that the press and public had been duly notified of the meeting in accordance with the Freedom of Information Act.
2. **Approval of Previous Meeting's Minutes**
Regular Meeting of July 2, 2018
3. **Citizens' Comments**
4. **Old Business**
 - A. Update on Managed Beach Parking Plan
 - Discussion of fall implementation of approved changes
 - Discussion of new signage from 42nd to 57th Avenues
 - Consideration of policy changes relative to visitor parking pass booklets
 - B. Update on traffic counts along 41st, Waterway and Palm
 - C. Discussion of public transit and seasonal shuttle to IOP
 - D. Discussion of plan to address additional parking and traffic issues
 - Consideration of scheduling Committee work session
 - E. Discussion of dog permitting and related policies and ordinances
5. **New Business**
 - A. Consideration of free parking for veterans at Front Beach
 - B. Discussion of public safety and security for City Council and City employees
 - C. Consideration of an award of a sole source contract to L3 Mobile-Vision in the amount of \$25,585.69 for 5 flashback HD camera systems for patrol vehicles
6. **Highlights of Departmental Reports**
Fire Department
Police Department
 - Update on Coyote Management Plan
7. **Miscellaneous Business**

Next Meeting Date: 10:00 a.m., Wednesday, September 5, 2018
8. **Executive Session** – if needed
9. **Adjournment**

PUBLIC SAFETY COMMITTEE
5:00 p.m., Wednesday, August 15, 2018

The regular meeting of the Public Safety Committee was called to order at 5:00 p.m., Wednesday, August 15, 2018 in Council Chambers of City Hall, 1207 Palm Boulevard, Isle of Palms, South Carolina. Attending the meeting were Councilmembers Bell and Ward, Chair Smith, Interim City Administrator Fragoso, Fire Chief Graham, Interim Chief of Police Usry and City Clerk Copeland; a quorum was present to conduct business.

1. Chair Smith called the meeting to order and acknowledged that the press and public were duly notified of the meeting in accordance with the Freedom of Information Act.

2. Approval of Previous Meeting's Minutes

MOTION: Councilmember Bell moved to approve the minutes of the regular meeting of July 2, 2018 as submitted; Chair Smith seconded and the motion PASSED UNANIMOUSLY.

3. Citizens' Comments

Alice Bova, 403 Palm Boulevard, referenced an email she sent to Interim Administrator Fragoso, Interim Chief Usry, Clerk Copeland and Public Works Director Pitts earlier in the month requesting that the City do what it could to assist her in getting a crosswalk, a "Yield to Pedestrians" sign on Palm at 5th Avenue and the relocation of the 30 mph sign. She noted that the neighborhood includes Merritt Boulevard and Palm Boulevard between 4th and 5th Avenues, and the residents are primarily year-round residents with a total of eight (8) children of school age. She stated that one (1) of the neighbors had contacted the Transportation Department (likely SCDOT) about installing a crosswalk on Palm at 5th Avenue and was told that a crosswalk would make crossing Palm Boulevard even more dangerous.

Chair Smith told Mrs. Bova that her request would be on the Agenda for discussion at next month's meeting.

Troy Hagemann, owner of Coastal Bus Line, addressed the Committee about his company providing a shuttle service between Mount Pleasant and the Isle of Palms. He said that his buses were yellow school buses that have been retrofitted for air conditioning and seat belts and were capable of carrying the beach gear people typically have when going to the beach. He stated that his goal was to keep his drivers employed year-round.

4. Old Business

A. Update on Managed Beach Parking Plan

1. Discussion of fall implementation of approved changes

Related to the sign contract recently awarded, Interim Administrator Fragoso reported that she did not yet have a firm delivery date, but the contractor has requested that the sign installation begin after Labor Day, the hope is that the installation will be completed by mid-October.

Interim Chief Usry gave the Committee members a copy of the pamphlet the Police Department has printed explaining what changes have been made; she said that some of them were distributed at the National Night Out event and others would be made available to residents and visitors closer to the implementation date along with a media blitz, email blasts and space on the City's and Police Department's websites. Interim Administrator Fragoso also noted that the most recent Mayor's message in *The Island Eye* was dedicated to the upcoming changes to the City's Managed Beach Parking Plan.

Councilmember Bell thought the key to enforcement was consistency; he then asked what the City's policy was related to warning periods.

Interim Chief Usry said that the City normally observes a thirty-day (30 day) grace period when only warnings are issued; she commented that this happened every spring when the covers were taken off the kiosks on Front Beach.

2. Discussion of new signage from 42nd to 57th Avenues

The Interim Administrator reported that concerns have been expressed that, when the parallel parking goes into effect between 21st and 41st Avenue, the dramatic reduction in parking in that area will migrate up Palm Boulevard between 42nd Avenue to 57th Avenue. She pointed out that the ocean side in that area was No Parking zone while the opposite side was part of the Beach Parking zone. The area between 42nd and 57th Avenues was not originally considered a problem area since the majority of parking would stay between 21st and 41st Avenue. The only signs there now were at intersections saying "No Parking Here to Corner" with no signage in the middle of the blocks leading one to think that parking was allowed. Since the beach parking was expected to migrate northward with the current changes, the City should act proactively and install the necessary signage indicating "No Parking" on the ocean side between 44th and 57th and "No Parking" on either side of Palm between 42nd and 44th Avenues.

2

Councilmember Bell reported that residents along Palm in the area between 42nd and 44th Avenue, where the signs read "No Parking on Pavement," have called him because, in an effort to obey the signs, beach-goers were parking in the residents' yards.

When asked if this area would be signed "No Parking" in this round of signage, Interim Chief Usry said that she and the Interim Administrator plan to draft a change order to the existing contract for "No Parking" signs to be installed from 42nd to 57th Avenue. This would add approximately twenty (20) signs.

3. Discussion of policy changes relative to visitor parking pass booklets

A copy of the current visitor parking pass was included in the meeting packet; in the interest of responding to resident complaints, the easiest thing to do would be to change the "One Day Residential Visitor Parking Permit" to an annual pass. Chair Smith added that the "date valid" would be removed, but the resident should continue to identify the vehicle license number and the address to which the passes were assigned. The pass as described would not allow a visitor to park at any other address on the island; she continued to suggest that residents be issued two (2) booklets of visitor passes. If a resident needed a third or fourth booklet, the Police Department could continue to sell them for fifteen dollars (\$15).

Councilmember Bell commented that the addition of the license number eliminated the re-use of the visitor pass which was one (1) of the reasons for changing them. If the pass was displayed

in a locked vehicle and located in front of the residence that the visitor pass was assigned, he did not think the license number was necessary, and the Interim Chief indicated that agreement. Prior to giving a definitive answer, Interim Chief Usry asked for time to discuss the changes with Captain Swain.

MOTION: Councilmember Bell moved to change the daily visitor parking passes to annual multi-use passes showing the address they were assigned to and to authorize an ordinance allowing residents two (2) booklets; Chair Smith seconded and the motion PASSED UNANIMOUSLY.

B. Update on traffic counts along 41st, Waterway and Palm

Interim Chief Usry stated that she had contacted SCDOT about their assistance in deploying some traffic counters and was told that, at this time, they do not have them to deploy; additionally the type of counter they use only gives cumulative data, not separate daily counts. She noted that SCDOT does have a counter embedded at 41st Avenue near Hartnett that is giving the same kind of numbers as the speed detectors on 41st, i.e. approximately seventeen hundred to two thousand (1,700 – 2,000) cars per day travel 41st Avenue. The City owns a portable speed counter that could also serve as a counter; it needs a software update, and she and Captain Swain were trying to get that done to determine if it was still usable. She commented that a portable traffic counter was not included in the FY19 budget.

Councilmember Bell asked if the count she quoted was a current one, i.e. in-season, and she confirmed that it was.

C. Discussion of public transit and seasonal shuttle to IOP

3

Councilmember Ward, the City's representative on the CARTA Board, informed the Committee that he met with Ron Mitchum, Executive Director of the Charleston, Dorchester and Colleton Council of Governments (BCD COG), that now manages CARTA and a couple of his colleagues earlier; he told them that he has two (2) areas of concern related to public transit and the type of service CARTA provides, hospitality and long-range day-tripper parking on IOP. His specific ideas on hospitality included getting the cars out of the neighborhoods and off 27th Avenue at the Recreation Center. He stated that the problem areas were the IOP Marina and Morgan Creek Grill (MCG) because of the large number of employees that needed to park on-site and Wild Dunes with the one hundred fifty-seven (157) room hotel they were building despite the appearance that they do not have sufficient parking for their guests and hospitality workers. Councilmember Ward said that he would like to see CARTA services to the Isle of Palms revived and to add stops to the marina and MCG, Wild Dunes and Front Beach in the summer months. Mr. Mitchum asked for contact names with the City and said that a plan could possibly be crafted in sixty (60) days. The Councilmember noted that Front Beach restaurants, other than the Acme Lowcountry Kitchen, buy annual parking passes for their employees to park in the municipal lots and that parking spaces were not guaranteed for them. Mr. Mitchum indicated that CARTA was looking at locations in Mount Pleasant that could serve as a park-and-ride base.

Having learned this information today, Interim Administrator Fragoso stated that she looked forward to sharing it with the City's staff and initiating discussions with the CARTA staff to get a clear understanding of what could be done. She opined that it was a great opportunity to address parking problems on the island.

D. Discussion of plan to address additional parking and traffic issues
• **Consideration of scheduling Committee work session**

Commenting that the City would soon be implementing changes to parking and traffic that were adopted earlier in the year, Chair Smith noted that other issues related to parking and traffic were yet to be addressed, and she wanted the Committee to determine the best way to move forward. She distributed a list of topics that she thought warranted further study, including

- Expanding paid street parking beyond Front Beach;
- Palm Boulevard, 21st to 41st – other possible improvements, bike lanes;
- Palm Boulevard, 42nd to 57th – safety concerns, needs to keep beach funding;
- Parking issues on southern and western ends of the island;
- Seasonal beach shuttle;
- Redesigning lanes on the Connector; and
- Front Beach traffic flow.

Councilmember Ward asked the Chair if the discussion on these issues could take place at the next meeting giving the Committee members time to consider them and, therefore, have a more productive discourse. He added that, although the meeting might run long, he was not in favor of a work session apart from a regular meeting.

Councilmember Bell opined that one (1) thing that should be done would be to go beyond the Managed Beach Parking Plan to a Balanced Parking Plan, which would involve the understanding of current ordinances, current plans, and state requirements. He thought that the City met state requirements “by stuffing as much as we [the City] can between 21st and 41st and know that there will be a spill-over to the rest of the island,” but do not address the other side of the Connector. He would like for the administrative staff to report to the Committee on where the City was overall, and come back with a managed view, engaging the citizens, and talking about all of the possibilities to solve the problem for the entirety of the island, rather than sections at a time. He stated that, when the new signs were installed, the marina would not have parking on 41st Avenue, and, in his view, the problem spilled over to the possibilities with CARTA. He stated that he wanted answers that addressed all of the parking issues on the island.

Interim Administrator Fragoso recommended that this Committee and the balance of Council go to the City’s website to Parking and Beach Improvements to read the reverse chronology where all of the former Councils’ activities, beginning in 2008, were detailed that lead up to the adoption of the Managed Beach Parking Plan. She stated that City Council and staff worked with traffic engineers from Stantec for years to determine what was best for the City; she suggested that some questions Councilmember Bell has would be answered in the Stantec work product.

Interim Chief Usry endorsed the idea of having a traffic engineer on board as the Committee moved forward on parking, and noted that Stantec has been involved with the City and its parking issues from the beginning and were very familiar with the island and its parking problems.

Referencing the change on Palm Boulevard of going from perpendicular parking to parallel parking only on both sides, Councilmember Bell estimated that the number of cars parked on Palm would be reduced by, at least, half. He noted that Mount Pleasant residents would likely be displeased, but the Councilmembers elected in November 2017 campaigned on maintaining the residential quality of life on the island. He opined that, when the Committee was considering modifications to the Managed Beach Parking Plan, they should begin with goals.

Interim Administrator Fragoso explained that part of the scope of work for Stantec was to analyze the impact of the changes made to the parking plan that will go into effect with the installation of new signage; for instance, they will put numbers to the question of how many cars could park on Palm Boulevard between 21st and 41st with the introduction of parallel parking on both sides. She also noted that prior Councils discussed at length having paid parking on Palm Boulevard.

According to Interim Chief Usry, if Council decided to have paid parking on Palm, the rights-of-way would need significant improvements, i.e. paving and lining-off the individual parking spaces.

Another reason Council decided against paid parking on Palm was that the City could not make a distinction between resident and non-resident vehicles, meaning that residents who park in the paid parking area would be required to pay-to-park like non-residents.

The consensus of the Committee was to hold the parking discussion at the October 2018 meeting.

E. Discussion of dog permitting and related policies and ordinances

Interim Chief Usry prepared a brief presentation, and a copy is attached to the historical record of the meeting.

The Interim Chief restated the two (2) motions that came from the June 2018 Public Safety meeting as follows:

Councilmember Bell moved to go forward with licensing and fees as proof of inoculation for all dogs on the beach or at the Bark Park at a dollar amount comparable to other local governments;

Chair Smith moved to direct staff to research an easily identified collar or tag that would aid the Animal Control Officer in enforcement and recommendations on the amount to charge residents and non-residents for the collar or tag

Her presentation began with Section 6-2-11 of the City Code that states “It shall be unlawful for any person to own, keep or harbor a dog within the City without a written permit from the City;” based on the recommendation from the former City Attorney, the Police Department has enforced this ordinance on island residents only. In Section 6-2-12 of the City Code, the statement is that an applicant for a dog license must have “proof of a current, valid rabies inoculation.”

Interim Chief Usry noted that Sullivan’s Island was the only local beach community to require that all dogs were to be licensed, resident and non-resident, and she passed around the collar that they were using to identify dogs with a proper dog license for 2018. The Interim Chief said that they have been very successful with the collars and metal tags; Sullivan’s Island charges residents twenty-five dollars (\$25) for a collar and tag and non-residents must pay thirty-five dollars (\$35). The Town of Mount Pleasant does not require dogs to be registered through the Town’s Police Department; however they do require that all dogs to have a rabies tag issued by the veterinarian on a dog’s collar. When looking at Folly Beach, she found that they have a system very similar to IOP with the exceptions that, if a dog is going to be on the island less than thirty (30) days, the owner was not required to purchase a City dog license, and residents fifty-five (55) years old and older were allowed to register their dogs free of charge. Folly Beach also includes the requirement for rabies inoculation in their ordinance, which the Interim Chief would also like to do. The State does have a requirement for a rabies inoculation, but the Animal Control Officer could not enforce State laws because he was not a sworn officer. By including the

requirement for proof of a current rabies inoculation in an ordinance, the Animal Control Officer would have a basis for checking and writing a City citation.

The original motion referred to only the beach and the Bark Park; Interim Chief Usry would prefer that any change to 6-2-11 not be specific to one or two (1 – 2) areas of the island but encompass the entire island and the law should be the same for resident and non-residents. As noted previously, a change being requested for 6-2-12 was inclusion of a requirement for the proof of a current rabies inoculation enabling the Animal Control Officer to write a citation for the dog owner who does not have a current rabies certificate from a veterinarian.

If the City were to stay with the metal tags, the Department normally buys five hundred (500) for approximately one hundred dollars (\$100) including shipping. If the City chose to use the same collars the Sullivan's Island uses, they cost approximately two dollars (\$2.00) each.

Chair Smith asked if non-resident dog owners could be required to have proof of a current rabies vaccination rather than require all dog owners to register their dogs via a visit to the Police Department.

The Interim Chief thought that would be possible, but she also thought that situation would be served by excluding dog owners who plan to have their dogs on the island less than thirty (30) days in the ordinance.

Councilmember Bell pointed out that the original motion from the June meeting did not include any mention of fees to be charged for the dog permit and IOP license. In his opinion, the intent of the motion was that non-resident dogs were still invited to run on the beach, but their owners would now be charged an annual fee for the privilege to do so.

Councilmember Ward stated that, when the City looked at the dog collars several years ago, they cost between twenty-five and thirty-five dollars (\$25 - \$35), and the cost was the reason that City Council did not go forward with colored collars at that time. Councilmember Ward emphasized that he still did not support raising residents fees paid for anything.

The Interim Chief reiterated that Sullivan's Island was the only local community that requires non-residents to register their dogs, and they charge residents twenty-five dollars (\$25) and non-residents must pay thirty-five dollars (\$35) to do so.

Councilmember Bell thought that a disservice was being done to residents when non-residents can come to the island with their dogs without meeting the same standards residents must meet.

For Chair Smith, the issue of not requiring that all dogs owners, visitor or resident, have proof of a current rabies inoculation was a major issue and one that needed to be addressed.

Interim Administrator Fragoso noted that staff was looking to the Committee to give them direction on the fees to be charged for the dog licenses; she indicated that the City could continue using the tags and charge residents five dollars (\$5). Council could also choose to change to the colored collars, and, based on Interim Chief Usry's research, the fee could stay at five dollars (\$5).

Interim Chief Usry opined that the only ordinance changes that she thought were needed were to clarify Section 6-2-11 so that it referred to all dogs, resident and non-resident, and the inclusion of the requirement for rabies inoculation to Section 6-2-12 that would give the Animal Control

Officer the tool to check and write citations for not having proof of a current rabies inoculation. She noted that the data the City collects when issuing a dog license gives the Police Department the information necessary to return lost dogs to their rightful owner.

MOTION: Chair Smith moved to change the City's dog permitting ordinances to add "It shall be unlawful for any resident to own, keep, harbor or allow a dog within the City limits or exercise or walk or allow a dog on public properties without a written permit from the City" and to add "It shall be unlawful for any visitor to own, keep, harbor or allow a dog within the City limits or exercise or walk or allow a dog on public properties without a written permit from the City or another proof of current rabies vaccination."

Interim Chief Usry opined that this ordinance would be unfair to the residents since the residents must pay for their dog license and non-residents would not.

Councilmember Bell seconded the motion for discussion.

Although non-residents would not be required to pay for their permit, the Chair pointed out that currently non-resident dogs do not have to be registered and, therefore, not required to show proof of current rabies inoculation. The changes stated above would at least require that all dogs, resident and non-resident, be registered with the City and have a current rabies inoculation.

Chair Smith thought that expecting every person who comes onto the island with a dog to go to the Police Department to obtain an IOP dog license was unrealistic, but she thought that, with her suggested changes, the law was simple and would be enforceable.

Councilmember Bell stated that he would not support the proposed changes because they change nothing and the City would have the same problems it has currently.

Amendment: Chair Smith moved to change the current ordinances related to dogs to state that unleashed dogs on the beach or at the Bark Park during off-leash hours be required to wear a current City-issued dog license, tag or collar, to make it clearly visible proof of rabies inoculation, and that residents continue to pay \$5 for the permit and non-residents pay \$10 for the permit.

The amendment failed for lack of a second.

Based on additional discussions, Chair Smith withdrew her original motion and Councilmember Bell withdrew the second.

MOTION: Councilmember Bell moved to follow Interim Chief Usry's recommendations to require all dogs, resident or non-resident, to have a written permit from the City at a fee of \$5 for residents and \$10 for non-residents to serve as proof of rabies inoculation and to adopt language in the ordinance to require proof of current rabies inoculation; Chair Smith seconded.

The Chair asked for the ordinance amendment to include an exception for dog owners on the island less than thirty (30) days.

Interim Administrator Fragoso said that she needed to confirm the cost for the collars and to study the impact this change would have on current staffing due to the potential increase in activity in the Police Department.

Chair Smith asked the Interim Chief whether this ordinance would be enforceable, and whether it was logical to think all dog-owners who come to the island would go to the Police Department to get the written permit and tag or collar.

The Interim Chief was confident that the new requirement could be enforced, and Interim Administrator Fragoso acknowledged that a major component to initiating the new policy would be public education from social media, the City's website and from officers when patrolling the beach.

VOTE: The motion PASSED UNANIMOUSLY.

As the Committee discussed tag versus collar, Interim Chief Usry stated that the collars were not included in the FY19 Police Department budget and that she did not have an extra four thousand dollars (\$4,000) in the FY19 budget to implement this change.

The Chair thought that the cost was much lower than originally anticipated and that the funds could be found in the budget to purchase the collars for 2019. She contended that the optimum time to begin distribution of the new collars would be when the other changes to the dog ordinance went into effect with the new calendar year.

Since collars were not included in the FY19 budget, Councilmember Ward stated that a change to the collars would occur in January of 2020.

Although the Chair continued to assert that the money could be found in the FY19 budget for the collars, Councilmember Ward stated that he was doubtful that Council would support the change to colored dog collars because it would be an unbudgeted expenditure. With the possibility of visitors buying a dog license in October and then having to buy another in January was not practical; therefore, she recommended that all of the changes go into effect January 1, 2019.

Interim Chief Usry said that delaying the rollout of the changes until January 1 would provide the Police Department time for public education about the new requirements.

5. New Business

A. Discussion of free parking for veterans at Front Beach

Interim Administrator Fragoso stated that Councilmember Buckhannon requested that the Committee discuss the possibility of offering free parking for veterans at Front Beach to veterans and that, in her research, she learned that per State law the vehicles with a handicap placard or license plate belonging to disabled veterans and recipients of the Purple Heart and the Medal of Honor license plates are exempt from paid parking requirements as long as the vehicles displayed the special license plates issued by the Department of Motor Vehicles (DMV). When the Interim Administrator asked Attorney Copeland if the City could legally do this, she was told that the attorney for Myrtle Beach had advised them that they could do it, but cautioned that they would be omitting many who serve the public, i.e., firefighters, first responders, police officers, teachers, nurses, etc. Providing free parking for veterans at Front Beach would require them to get the special license plate from the DMV at an additional cost in order to participate. Since the City owns Ocean Boulevard between 7th and 10th Avenues, no SCDOT approval would be needed; veterans

who are disabled or received the Purple Heart or Medal of Honor are allowed to park free on the street and in the parking lots as long as they have the special license plates.

As a veteran, Councilmember Ward stated that he was not in favor of the City taking this action because of the exclusion of other worthwhile groups, especially first responders.

B. Discussion of public safety and security for City Council and City employees

Councilmember Bell indicated that he discussed public safety with Interim Administrator Fragoso as a result of attending a session at the MASC Annual Meeting related to an active shooter and the necessary response. Although most people think that kind of situation could not happen here, he has learned that is not true as deranged individuals have attacked others indiscriminately and for seemingly no reason. Since the City now uses a metal detector at sessions of court, he suggested that Council should consider using it as well.

MOTION: Councilmember Bell moved to use the metal detector for Council meetings; Councilmember Ward seconded.

Interim Administrator Fragoso explained that the City contracts with a local company to operate the metal detector and wand for court sessions; the cost is two hundred dollars (\$200) for four (4) hours.

The Interim Chief was in total agreement with this move by the Committee; she also noted that, when court was held, several armed police officers were present should anything happen outside the norm. She recommended that an armed officer attend Council meetings to engage any threat; she informed the Committee that Officer Storen was certified through the Federal Law Enforcement Training Center to teach "Active Shooter" and "Active Threats." Interim Chief Usry also suggested that City Council set aside time to go through the training session Officer Storen has put together.

Councilmember Ward asked if money had been earmarked in the FY19 budget to cover this expenditure, and the Interim Administrator responded that it was not specifically identified, but she thought the cost could be absorbed in the Meetings and Seminars line.

Amendment: Chair Smith moved to amend the motion to include the presence of an armed IOP police officer at Council meetings; Councilmember Bell seconded and it PASSED UNANIMOUSLY.

VOTE: The amended motion PASSED UNANIMOUSLY.

C. Consideration of an award of a sole source contract to L3 Mobile-Vision in the amount of \$25,585.69 for 5 flashback HD camera systems for patrol vehicles

When asked if these cameras were in the FY19 budget, Interim Chief Usry replied that they were.

MOTION: Councilmember Ward moved to recommend to City Council the award of a contract to L3 Mobile-Vision for 5 HD in-car camera systems for \$25,585.69; Councilmember Bell seconded and the motion PASSED UNANIMOUSLY.

6. Highlights of Departmental Reports

Fire Department – Chief Graham

The Chief reported that crews responded to multiple fire calls during the month and “personnel did an excellent job in getting to the source before they got out of hand.” She stated that, due to the publicity the incident received, she was certain the Committee was aware of the lightning strike on the beach; preliminary reports were that the woman would make a “respectable” recovery. Personnel also responded to a fatal boating accident on Long Creek that required a multi-agency response. Chief Graham stated that personnel have responded to two hundred fifty-five (255) medical calls year-to-date, not including the calls for jellyfish stings; for the month of July, personnel responded to one hundred eighty (180) calls. The Department had several high-ticket repairs during the month, i.e. the ninety-five foot (95 ft.) ladder truck required the replacement of a spring, and, while in the shop, some additional work was done. The resulting bill totaled more than seven thousand dollars (\$7,000). In addition, Fire Station 1 lost an air conditioning unit; about a week later, one (1) of the two (2) units serving the Lobby and the second floor hallway gave out; and now one (1) of the AC units at Fire Station 2 has died. Overtime was high in July because it contained three (3) pay periods and the July 4th celebration and fireworks display when everyone works.

Police Department – Interim Chief Usry

On July 2, an officer stopped a car on the Connector going one hundred miles per hour (100 mph); the driver was put into handcuffs immediately, and, when the officer was patting him down, he found a gun in the waistband of the driver’s pants and an open can of beer and bag of cocaine in the vehicle. An officer was riding on the island near another vehicle that was emitting the strong odor of marijuana; therefore, the driver was pulled over and asked to exit the vehicle. When he did, a duffel bag was seen in the car containing marijuana and individually wrapped bags of cocaine and a digital scale; he was charged with intent to distribute cocaine – 3rd offense, possession of and intent to distribute marijuana – 3rd offense, and driving under suspension – 3rd offense. On July 2nd, Officer Hardy assisted a session of summer camp at the Rec Center when they were celebrating Hero Week. On July 5th, Officers Hardy and Molino organized a beach clean-up in cooperation with Palmetto Pride and Charleston County Parks and Recreation; about thirty (30) volunteers participated with the cleanup; they collected more than fifteen (15) large bags of trash. “Coffee with a Cop” has been replaced by “Pops with a Cop” using freeze pops and distributing them at the beach; Officers Molino and Hardy make up the City’s community relations team. Telecommunication Specialists responded to six thousand one hundred ninety-four (6,194) calls in July; of that number, five thousand twelve (5,012) were for the Police Department. Officers made four hundred fifty-five (455) traffic stops and wrote one hundred sixty (160) citations. The Livability Officer wrote four (4) citations for noise and gave warning citations for noise ordinance violations to five (5) locations; the officer also issued five (5) citations to residents for unkempt lots. A total of nine (9) coyote sightings were reported in July.

Update on Coyote Management Plan

Chair Smith asked if there were any incidents of aggression by the coyotes, and the Interim Chief stated that none were reported. Due to the rain and subsequent saturation of the ground, the City was not currently trapping but a coyote pup was killed on Palm Boulevard. The Department has posted information on coyotes on social media, was adding coyote information to the Police Department’s brochure, and information was on the new signs at certain beach accesses.

If the City plans to order more signs for the beach accesses, Chair Smith suggested that the statement “not to feed the wildlife” should be replaced with “Watch for coyotes and snakes.”

Interim Administrator Fragoso explained that the language was chosen because of other similar signage on the island, and the City wanted to make people aware but not to create any kind of panic.

Chair Smith added that, to some people, the animal on the signs looked more like a wolf than a coyote and many visitors might not realize that the island, particularly the access paths, was home to poisonous snakes.

Interim Chief Usry noted that the wildlife signs at the beach accesses were very similar to the signs at a large park in Mount Pleasant.

Councilmember Ward stated, for the record, that he liked the signs as they are and did not want to spend more money on them. He commented that the City did not want to scare people away.

The Chair reiterated her opinion that any future signs should specifically mention snakes.

7. Miscellaneous Business

Next Meeting Date: 10:00 a.m., Wednesday, September 5, 2018 in the Conference Room

8. Executive Session – not needed

9. Adjournment

MOTION: Councilmember Bell moved to adjourn the meeting at 7:02 p.m.; Chair Smith seconded and the motion PASSED UNANIMOUSLY.

Respectfully submitted:

Not clear as to residents or visitors

IOP Sec. 6-2-12. - Certificate of vaccination required prior to permit issuance; term

Before issuing the permit required by this article, the City shall require the applicant to show proof of a current, valid rabies inoculation signed by a licensed veterinarian. Each permit shall be good for one (1) year from the date of its issue, and no longer.

(Code 1994, § 6-2-12; Ord. No. 1994-4, 4-26-1994; Ord. No. 2004-4, § 2, 5-25-2004)

IOP Sec. 6-2-13. - Badges; records.

The City shall annually provide a sufficient number of metal badges suitable for dogs to be fastened to the animal's collar, numbered from one upwards, stamped "dog permit" and the year of issue. This badge and the written permit shall be delivered to the person owning, keeping or harboring the dog. The name and address of each party to whom such permit and badge has been issued shall be kept on file by the City, for the purpose of identification in case such badges should at any time be lost, stolen or otherwise misappropriated.

(Code 1994, § 6-2-13; Ord. No. 1994-4, 4-26-1994; Ord. No. 2004-4, § 3, 5-25-2004)

What are our Neighbors Doing?

Sullivan's Island

Sec. 3-7. Dog permits and badges required.

A. It shall be unlawful for any person, resident or visitor, to own, keep, harbor, or allow a dog within the limits of the Town of Sullivan's Island, or exercise, walk, or allow a dog on public properties without a written permit/badge from the Town Clerk. (2-15-05)

B. Before issuing a permit required by Sec. 3-7 A. above, the Town Clerk shall require the applicant to file with him a certificate in writing signed by a licensed veterinarian that the dog designated in the permit has been vaccinated against rabies within one (1) year immediately preceding the date of the application. Each permit shall be valid for the calendar year commencing January 1 of each year, and no longer.

C. The Town Clerk shall annually provide a sufficient number of metal badges suitable for dogs to be fastened to the animal's collar, numbered from one upwards, and stamped "Dog Permit" and year of issue. This badge and the written permission required in Sec. 3-7 A shall be delivered to the person owning, keeping, or harboring the dog upon the payment of the sum of \$25.00 for residents of the Town and \$35.00 for non-residents of the Town of Sullivan's Island. (11-16-04) (11-17-09)

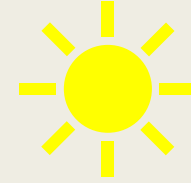

D. With submittal of an American Kennel Club Canine Good Citizenship Certificate at the time of application, applicant shall receive a \$2.00 discount off the applicable annual fee for each certified dog. (11-17-09)

Town of Mount Pleasant

§ 90.54 COLLAR; TAG MUST BE WORN. It shall be unlawful for any person to maintain or keep a dog or cat more than six months of age on any premises within the town unless the dog or cat wears a collar or harness securely attached to its body to which shall be securely attached a tag issued for the dog or cat by a licensed veterinarian, licensed to practice veterinary medicine in the state, showing the dog or cat has been vaccinated against rabies. ('81 Code, § 90.29) (Ord. 93050, passed 10-12-93; Am. Ord. 01031, passed 6-12-01) Penalty, see § 10.99

Folly Beach

§ 95.09 ANIMAL TAGS.

(A) An animal services officer shall annually provide a sufficient number of metal tags, suitable for animals to be fastened to the animal's collar. This tag shall be delivered to the person holding, keeping or harboring the animal, upon payment of a sum as fixed from time to time by the City Council. The name and address of the person to whom the tag has been issued shall be kept on file in the animal services officer's office for the purpose of identification in case the tag should be at any time lost, stolen or otherwise misappropriated. It is further provided that this section shall not apply to persons living in the city temporarily for a period of less than 30 days; however, the person is not relieved of the responsibility under the other sections of this chapter.

(B) If the license tag is lost, a new tag may be issued for a fee as established from time to time by the City Council.

(C) Senior citizens, 55 years of age or older, will be allowed to register their animals free of charge.

(95 Code, § 6-3-9) (Ord. 89-2, passed 11-17-89; Am. Ord. 07-99, passed 2-16-99; Am. Ord. 03-02, passed 3-26-2002)

Folly Beach also requires rabies vaccination...

§ 95.11 RABIES VACCINATION.

No person shall own, keep or harbor any pet within the city unless the pet has been vaccinated against rabies as provided herein.

(A) Unless the pet has received (as evidenced by certificate) a vaccination from a licensed graduate veterinarian using a vaccine which is good for a period of one year, provided the vaccine has been approved with the longer period of time specified by the State Department of Health and Environmental Control after consultation with the executive committee of the Association of Veterinarians.

(B) A State Department of Health and Environmental Control certificate of pet rabies vaccination will be issued by a licensed graduate veterinarian for each pet, stating the name and address of the owner, the name, breed, color and markings, age, sex of animal and the veterinary or pharmaceutical control number of the vaccination.

(C) Coincident with the issuance of the certificate, the licensed graduate veterinarian shall also furnish a serially numbered metal tag bearing the same number and year as is on the certificate. The metal license tag shall bear the name of the veterinarian and shall at all times be attached to a collar or harness worn by the pet for which the certificate and tag have been issued. Tags must be of the same color and shape when issued in offices of veterinarians.

(D) The owner shall have a valid certificate of rabies vaccination readily available at all times for inspection by the animal services officer or the Public Safety Department designee of health officials.

(E) In the event that a rabies tag is lost, the owner shall obtain a duplicate tag within seven working days.

(F) A certificate of rabies vaccination issued by a licensed veterinarian from another state will be accepted as valid evidence provided it is less than a year from date of issue.

(G) Rabies inoculation must be given by age four months to all cats and dogs.

(95 Code, § 6-3-13) (Ord. 89-2, passed 11-17-89; Am. Ord. 07-99, passed 2-16-99; Am. Ord. 03-02, passed 3-26-02)

Proposed Revisions to Current IOP ordinance:

Proposed Amended Ordinance

IOP Sec. 6-2-11. - Permit required.

It shall be unlawful for any person, resident or visitor, to own, keep, harbor or allow a dog within the City limits, or exercise, walk, or allow a dog on public properties without a written permit from the City.

Proposed Amendments Continued...

Proposed Amended IOP Sec. 6-2-12.-Rabies Vaccination –

No person shall own, keep or harbor any pet within the city unless the pet has been vaccinated against rabies as provided herein.

(A) Unless the pet has received (as evidenced by certificate) a vaccination from a licensed graduate veterinarian using a vaccine which is good for a period of one year, provided the vaccine has been approved with the longer period of time specified by the State Department of Health and Environmental Control after consultation with the executive committee of the Association of Veterinarians

(B) A State Department of Health and Environmental Control certificate of pet rabies vaccination will be issued by a licensed graduate veterinarian for each pet, stating the name and address of the owner, the name, breed, color and markings, age, sex of animal and the veterinary or pharmaceutical control number of the vaccination.

(C) Coincident with the issuance of the certificate, the licensed graduate veterinarian shall also furnish a serially numbered metal tag bearing the same number and year as is on the certificate. The metal license tag shall bear the name of the veterinarian and shall at all times be attached to a collar or harness worn by the pet for which the certificate and tag have been issued. Tags must be of the same color and shape when issued in offices of veterinarians.

(D) The owner shall have a valid certificate of rabies vaccination readily available at all times for inspection by the animal services officer or the Public Safety Department designee of health officials.

(E) In the event that a rabies tag is lost, the owner shall obtain a duplicate tag within seven working days.

(F) A certificate of rabies vaccination issued by a licensed veterinarian from another state will be accepted as valid evidence provided it is less than a year from date of issue.

(G) Rabies inoculation must be given by age four months to all cats and dogs.

Proposed Amendments Continued...

Proposed amended IOP Sec. 6-2-13. - Badges; records.

(A) An animal services officer shall annually provide a sufficient number of metal tags, suitable for animals to be fastened to the animal's collar. This tag shall be delivered to the person holding, keeping or harboring the animal, upon payment of \$25.00 for residents and \$35.00 for non-residents. The name and address of the person to whom the tag has been issued shall be kept on file in the Police Department for the purpose of identification in case the tag should be at any time lost, stolen or otherwise misappropriated. It is further provided that this section shall not apply to persons living in the city temporarily for a period of less than 30 days; however, the person is not relieved of the responsibility under the other sections of this chapter.

(B) Before issuance the metal tag, the owner of the dog shall be required to submit a copy of the certificate of rabies vaccination. Each badge shall be valid for the calendar year commencing January 1 of each year, and no longer.

(C) If the license tag is lost, a new tag may be issued for a fee as established from time to time by the City Council.

(D) With submittal of an American Kennel Club Canine Good Citizenship Certificate at the time of application, applicant shall receive a \$2.00 discount off the applicable annual fee for each certified dog.

Discussion

- Determine if we want to only require dog owners that will be staying on the island more than 30 days to purchase the collar/badge.
- Determine if we want to go in the same direction as Sullivan's Island and require every dog owner to get a collar/badge if they are on the Isle of Palms for any length of time.
- The proposed amendment, 6-2-12, requiring the rabies vaccination will allow Animal Control Officers to take enforcement action if a dog owner does not have their dog inoculated.
- Add on to the current BS&A software the module for dog licensing which will allow the scanning of the inoculation documents so they can be kept on file. This was not budgeted for FY19, but the cost to add this module, implementation, training and BS&A personnel travel expenses will be \$5,380.

Tags vs Collars

Tags

- Currently used by IOPPD Animal Control
- Current fee is \$5 with proof of inoculation
- Metal badges are valid for the calendar year it is issued and no longer
- Fee Increase to be determined

Collars

- Recommend collar that can be cut to fit – Campbell Pet Company has item – cost for 2600 = \$3926.89
- Recommend metal slide on tag for IOP badge/permit – 2500 = \$500.00
- Both the collar and the metal badge will be valid for the calendar year it is issued and no longer
- Sullivan's Island uses these products successfully
- Will require a fee increase to cover cost of collars/badges

Direction from Council:

- (1) Tags v. Collars/Slide-on tags
- (2) How much do we charge per permit?
- (3) FY19 did not budget for this change in moving to dog collars/ badges.

ARTICLE B. - DOGS^[3]

Sec. 6-2-11. - Permit required.

It shall be unlawful for any person to own, keep or harbor a dog within the City without a written permit from the City.

(Code 1970, § 5-4; Code 1994, § 6-2-11; Ord. No. 2004-4, § 1, 5-25-2004)

Sec. 6-2-12. - Certificate of vaccination required prior to permit issuance; term.

Before issuing the permit required by this article, the City shall require the applicant to show proof of a current, valid rabies inoculation signed by a licensed veterinarian. Each permit shall be good for one (1) year from the date of its issue, and no longer.

(Code 1994, § 6-2-12; Ord. No. 1994-4, 4-26-1994; Ord. No. 2004-4, § 2, 5-25-2004)

Sec. 6-2-13. - Badges; records.

The City shall annually provide a sufficient number of metal badges suitable for dogs to be fastened to the animal's collar, numbered from one upwards, stamped "dog permit" and the year of issue. This badge and the written permit shall be delivered to the person owning, keeping or harboring the dog. The name and address of each party to whom such permit and badge has been issued shall be kept on file by the City, for the purpose of identification in case such badges should at any time be lost, stolen or otherwise misappropriated.

(Code 1994, § 6-2-13; Ord. No. 1994-4, 4-26-1994; Ord. No. 2004-4, § 3, 5-25-2004)

Sec. 6-2-14. - Removal of badge from dog prohibited.

No person shall wrongfully remove a badge from a dog registered as required by this article.

(Code 1970, § 5-7; Code 1994, § 6-2-14; Ord. No. 1994-4, 4-26-1994)

Sec. 6-2-15. - Running at large prohibited; exceptions.

- (a) No person owning, having an interest in, harboring or having charge, care, control, custody or possession of any dog shall cause or permit the dog to be off the premises of its owner or custodian, unless such dog is securely confined by a strong leash, securely and continuously held by a competent person owning, having an interest in, harboring, or having charge, care, control, custody or possession of the dog, or unless the dog is confined within a vehicle, within an enclosure surrounded by an adequate fence or within a house. Provided, however, that a dog owner or other person charged with the custody and control of a dog may allow the dog to roam at large on the beach between the hours of 4:00 p.m. to 10:00 a.m. from September 15 through March 31, and between the hours of 5:00 a.m. to 9:00 a.m. from April 1 through September 14. Such owner or custodian shall at all times be in close proximity to the dog, have a leash in hand, and have the dog under control. Nothing contained herein shall affect a dog owner or custodian's duty to comply with all state laws regarding vicious or dangerous dogs, or the duty to comply with section 62-26 requiring the removal of animal excrement.
- (b) It shall be unlawful for any person to cause, permit, accompany or be responsible for the presence of any diseased dog on the streets or public places of the City or allow the dog to run on the premises of another, at

any time; unless and in addition to the other requirements of this chapter the dog shall be securely muzzled to effectively prevent it from biting any person or other animal.

(Code 1994, § 6-2-15; Ord. No. 1994-4, § 34, 4-26-1994; Ord. No. 2000-17, § 1, 12-12-2000; Ord. No. 2006-6, § 1, 5-23-2006; Ord. No. 2009-16, § 1, 11-17-2009; Ord. No. 2013-06, § 1, 5-28-2013)

Secs. 6-2-16—6-2-21. - Reserved.

Sec. 6-2-22. - Violation, impoundment, penalties.

- (a) It shall be unlawful for any person to fail to comply with the requirements of this article or to suffer or permit a dog to be a danger to the health, safety, or welfare of the public in violation of this article.
- (b) Any dog running at large in violation of this article shall be impounded. The owner of a licensed dog shall be given notice that the dog may be claimed from the City kennel within three (3) days. A dog with no license or identification will be held in the City kennel for two (2) days. An owner claiming a dog must comply with all requirements of this article and pay to the City an impoundment fee as established by City Council. Dogs not claimed within the applicable holding periods will be transferred to the County SPCA for disposal.
- (c) Violation of this article is a misdemeanor punishable pursuant to section 1-3-66.

(Code 1994, § 6-2-22; Ord. No. 1994-4, 4-26-1994; Ord. No. 1997-7, 6-24-1997)

Sec. 6-2-23. - Dogs not to disturb protected species and habitats.

In addition to the requirements of section 6-2-15(a), no person shall allow a dog to disturb protected species and habitats, as follows:

- (a) It shall be unlawful for any person to allow a dog to disturb nesting sea turtles, turtle nests or turtle hatchlings.
- (b) It shall be unlawful for any person to allow a dog to enter into critical habitat areas which have been posted to prohibit such entry by the City or the State Wildlife and Marine Resources Department.

(Code 1994, § 6-2-23; Ord. No. 1994-4, 4-26-1994; Ord. No. 1994-7, 5-24-1994)

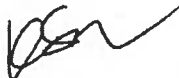

Secs. 6-2-24—6-2-30. - Reserved.

Memo

To: Interim City Administrator Desiree Fragoso

From: Interim Chief Kimberly Usry

Date: July 27, 2018

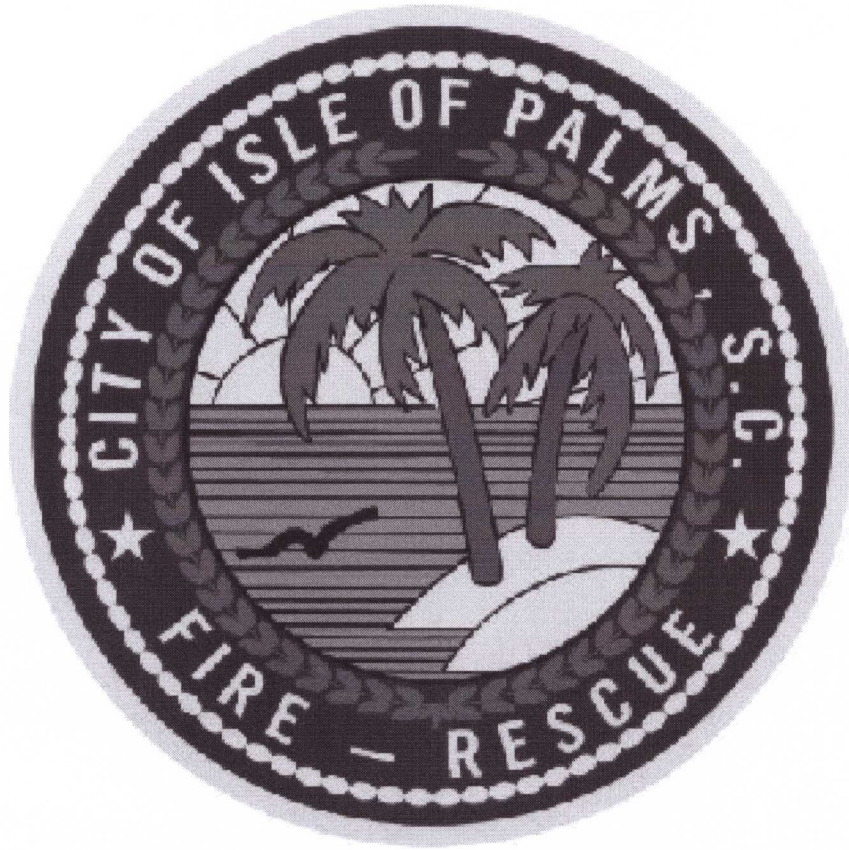

Re: Sole Source – L3 Mobile Vision, Inc. – Patrol Vehicle In-Car Camera System

I am requesting that City Council authorize a contract in the amount of \$25,585.69 to L3 Mobile Vision, Inc. for the purchase of five (5) Flashback HD In-Car Camera Systems with rear seat camera kit and radar interface for patrol vehicles. I am requesting that L3 Mobile Vision, Inc. be designated as a sole source provider, in compliance with the City's Purchasing Procedures, Section 1-10-3, which allows for a contract to be awarded without competitive bidding when the Purchasing Agent (i.e., the City Administrator) reasonably determines that there is only one qualified source for the required goods or services.

L3 Mobile Vision, Inc. is the only supplier able to meet the needs of the Police Department. The Police Department currently utilizes a server and software from L3 Mobile Vision, Inc. for our body-worn camera and in-car camera solution. By continuing to purchase the Flashback HD In-Car Camera Systems from L3 Mobile Vision, Inc. we ensure the integrity and technology will remain the same and therefore, facilitate its administration, monitoring, maintenance and production of DVDs as required for legal discoveries and FOIA requests. According to the provisions of the Code, this statement must be submitted to City Council and entered in the minutes of the Council.

I recommend that City Council approve the use of L3 Mobile Vision, Inc. as one qualified source for the purchase of five (5) Flashback HD In-Car Camera Systems for Police Department patrol vehicles.

Isle of Palms Fire Department

Call Summary

July 2018

- 7/2/18 Fire crews received a call for a structure fire on 28th Avenue. It was found that a small fire had occurred within a wall where the gas utility line was entering the structure from the outside tank. Using a thermal imaging camera, crews were able to identify an area within the concrete block wall where temperatures had been elevated. The block wall was breached and water was sprayed into the holes in order to cool the area. No active burning or further fire extensions were found. The gas tank was secured closed and the property manager was advised not to restore gas back to the home until the system could be inspected and properly repaired. All personnel cleared from the scene and returned back to service.
- 7/3/18 Fire crews responded to a report of a structure fire / smell of smoke at the Refuge on Palm Boulevard. Upon arrival, crews found a strong smell of over-heated electrical equipment. When asked, the occupants stated that there had been repairs made to their HVAC units. Fire Department personnel were able to isolate the issue to one of the air handlers in the attic space over the restrooms. Power was secured to the unit and the manager was advised to leave it off until the proper repairs could be made. All personnel cleared from the scene and returned back to service.
- 7/4/18 Fire crews responded to a call of a building collapse on 29th Avenue. Upon arrival, personnel were met by the homeowner who stated that while sleeping part of the ceiling collapsed down over them. The damage was caused by a faulty drain switch in the HVAC air handler located in the attic space. Water had overflowed and weakened the sheet rock which led to it falling from the beams. Fire department crews offered to assist the homeowner with the clean-up of the debris, but the homeowner declined. All personnel cleared from the scene and returned back to service.
- 7/4/18 Fire crews responded to a surf rescue in the surf out from Breach Inlet. The caller stated that they could hear the swimmer yelling for help. Fire Department personnel launched jet-skis from the beach and were able to recover the swimmer and return them to safety on the beach. The patient was turned over to law enforcement and Charleston County EMS as he was underage. All personnel cleared from the call and returned back to service.
- 7/5/18 Fire crews responded to an outside fire located on one of the docks on Goat Island. A small fire was found at the end of a dock and was extinguished using a water extinguisher. One of the by-standers stated that the fire was a result of fireworks. All crews cleared from the scene and returned back to service.

Isle of Palms Fire Department

Call Summary

July 2018

- 7/14/18 Fire crews responded to a water rescue located in the Intracoastal Waterway behind #20 Waterway Island Drive. The information being provided was that a person had been ejected from the boat and then ran over by the boat. It was also stated that the patient had been struck by the boats propeller. Due to the mechanism of injury, a helicopter was requested for patient transfer. When Charleston County EMS personnel were able to assess the patient, it was stated that the helicopter would not be needed. The Dewees Island Ferry dock was secured for bringing the patient to shore. The patient's family members were also brought ashore by one of the Charleston County Sheriff's Office boats. The Charleston County Coroner and a Chaplain were called to respond to the patient's location. All fire crews cleared from the scene and returned back to service.
- 7/21/18 Fire crews responded to a report of a structure fire at Joe's to Go on Ocean Boulevard. Upon arrival, personnel noticed smoke coming from the serving window. Employees stated that they had extinguished a fire that was in the deep fryer unit with a class K extinguisher and then evacuated the building. Fire department employees inspected the area to ensure that the fire was extinguished and that there were no further fire extensions. No further hazards were found. The deep fryer was unplugged and the gas supplying it was disconnected as it still had highly elevated temperatures. All crews cleared from the scene and returned back to service.

To: MAYOR CARROLL, CITY COUNCIL and INTERIM CITY ADMINISTRATOR FRAGOSO
Subject: MONTHLY REPORT JULY 2018
Date: August 1, 2018

The following is a synopsis of some of the activities of the Isle of Palms Police Department during the month of July.

Monday, July 2

Narcotics Violation – IOP Connector

An officer stopped a vehicle for speeding, 100MPH in a posted 55MPH speed zone. The officer immediately had the driver exit the vehicle, placing him in handcuffs, when a bulge was noticed in the driver's pants. A search of the driver located a semi-automatic handgun in his waistband. A search of the vehicle located an open container of beer that the driver had been holding and a bag of cocaine was in the center console. The driver was charged with speeding, minor in possession of beer, open container, unlawful carrying of firearm and possession of cocaine. It was also determined that the driver was on supervised probation status. The driver was transported to the Al Cannon Detention Center.

Wednesday, July 4

False Pretense/Swindle/Confidence Game – 9th Avenue

A victim reported that she contacted a subject who had listed a home for rent on IOP via Craigslist. The victim paid the subject \$1,750 for the rental. Upon arriving at the address, the victim found that the home was already rented. This case has been assigned to CID for further investigation.

Simple Assault – Yacht Harbor Court

An officer responded to a report of an assault in progress. While attempting to locate the subjects, the officer began talking to a group of people when one subject came up and pointed at a female subject, stating she hit me. The officer located the female subject and attempted to get her away from the group and sit down to continue the investigation. The female subject became hostile and as the officer attempted to detain her, the subject elbowed and then began punching the officer in the face. As the officer attempted to take the subject to the ground, the subject's mother interfered, causing the officer to fall. The subject then began kicking the officer in the head and arm. A second officer arrived on scene and was able to get the subject in handcuffs after using the Taser to gain control. The subject was arrested and charged with disorderly conduct and assault on police officer and transported to the Al Cannon Detention Center.

Disorderly Conduct – Morgan Cove Drive / Yacht Harbor Court

While officers were investigating the incident where the officer was assaulted, a male and female subject, who were intoxicated, came up into the area where an officer was interviewing a subject. The officer instructed the subject to step away from the scene, but he replied “yeah, that’s not happening”. The subject was advised a second time to step away, but continued to refuse. The male subject was placed under arrest. While the officer was dealing with the male subject, the intoxicated female attempted to put her arms around the officer to keep him from arresting the male, she was placed under arrest. Both subjects were charged with disorderly conduct, hindering and transported to the Al Cannon Detention Center.

Thursday, July 5

Domestic Violence – 25th Avenue

Officers met with the male and female subjects involved in the domestic situation. It was determined that the male subject struck the female in the eye causing a large swollen bump over her eye while they were arguing. It was also determined that the male subject broke a door while forcing entry into a room where the female was seeking refuge. The male subject was placed arrest for domestic violence and transported to the Al Cannon Detention Center.

Saturday, July 7

Narcotics Violations – Palm Boulevard / 21st Avenue

An officer on patrol observed a vehicle traveling in front of the patrol vehicle with an odor of marijuana emitting from it. The officer conducted a traffic stop on the vehicle. Contact with the driver determined that he had been smoking marijuana in the vehicle just before being stopped. A search of the vehicle located a baggie of marijuana in the center console and a search of a duffle bag on the rear passenger seat revealed another baggie with marijuana, individually wrapped baggies of cocaine, and a digital scale. The driver was arrested and charged with possession with intent to distribute cocaine – 3rd offense, possession with intent to distribute marijuana – 3rd offense and driving under suspension – 3rd offense. The subject was transported to the Al Cannon Detention Center.

Sunday, July 8

Credit Card Fraud – 9000 Block Palmetto Drive

An officer responded to a report of fraudulent use of credit card for a subject paying for a rental property. The victim reported that an unauthorized charge of \$1,420 was made to her credit card. The officer knocked on the door of the rental property and made contact with the suspect. The suspect was determined to have multiple unpaid traffic citations and was placed under arrest. He was transported to the Al Cannon Detention Center where a hold was placed on him until warrants for the credit card fraud could be served. This case is continuing and has been assigned to CID for further investigation.

Tuesday, July 10

Domestic Violence – Chapman Avenue

A victim reported that on the previous night her husband choked her until she could not breathe. She indicated that they had been out for dinner and her husband became intoxicated so they went home. The next morning the victim went to the hospital for treatment and we were notified by the hospital of

the incident. A warrant was obtained and the husband was arrested and transported to the Al Cannon Detention Center. Investigation of this case continues and it has been assigned to CID.

Wednesday, July 11

Credit Card Fraud – 200 Block Grand Pavilion Boulevard

During an investigation of a similar incident that took place on July 8, an Investigator determined that the same suspect had used another victim's credit card to pay for a rental property. The amount charged was \$2,054.46. CID obtained warrants for the subject and arrested him July 12 for financial card theft and financial transaction card fraud. The subject was lodged in the Al Cannon Detention Center.

Saturday, July 14

Simple Possession of Marijuana – 14th Avenue / Ocean Boulevard

An officer observed a moped driving recklessly on Ocean Boulevard and attempted to stop the driver and occupant. The driver attempted to evade the officer by going behind the shops at Ocean Park Plaza and then down the beach access path at 14th Avenue. Officers were able to apprehend the subjects on the beach and during a search incident to arrest located marijuana in one of the subject's socks. It was determined that both subjects were under the age of 17, making them juveniles. The subjects were charged with unlawful possession of tobacco, hindering, simple possession of marijuana, reckless driving, and resisting arrest. Due to them being juveniles, they were released to their parents.

Narcotics Violation – IOP Connector

An officer stopped a vehicle for speeding, 68MPH in a posted 55MPH speed zone. Contact with the driver determined that his driver's license was currently suspended. Further investigation found the driver to be in unlawful possession of oxycodone hydrochloride tablets and was placed under arrest. The driver was charged with driving under suspension 3rd offense, failure to pay traffic tickets – 3 counts, and possession of controlled substance, and was transported to the Al Cannon Detention Center.

Sunday, July 15

Driving Under the Influence – IOP Connector

Officers got out with a vehicle that had stopped at the merge lane onto the IOP Connector and was causing a traffic hazard. The investigation revealed that there was an odor of an alcoholic beverage emitting from the vehicle and driver. The officer requested that the driver complete Standardized Field Sobriety Tests and at the end of testing, was placed under arrest. The driver was transported to the IOPPSB for Datamaster testing, where she refused to provide a breath sample. The driver was transported to the Al Cannon Detention Center.

False Pretense/Swindle/Confidence Game – 100 Block Grand Pavilion Boulevard

A victim reported that he had rented a vacation rental from Craigslist and paid a deposit of \$1,340.04 through PayPal. When the victim went to check in, he realized that he had been scammed. This case has been assigned to CID for further investigation.

Vandalism – 43rd Avenue

An officer placed an immobilization boot on a vehicle due to outstanding parking citations. When the officer returned to remove the boot, he found where the violator had attempted to drive with the boot

attached to his vehicle. The immobilization boot was damaged and no longer able to be used. The violator was issued a citation for damage to real property with a court date in the Isle of Palms Municipal Court.

Driving Under the Influence – Breach Inlet

An officer stopped a vehicle for multiple moving violations. Contact with the driver determined that there was an odor of an alcoholic beverage emitting from within the vehicle and the driver. When asked, the driver admitted to drinking vodka and soda earlier. The officer requested the driver complete Standardized Field Sobriety Tests and at the end of the testing, was placed under arrest. The driver was transported to the IOPPSB for Datamaster testing and provided a breath sample registering a .14% BAC.

Monday, July 16

Domestic Violence – 34th Avenue Beach Access

Officers responded to a report of a domestic violence in progress on the beach. On arrival, they met with the female half of the incident and determined that she and the male subject had been arguing and he took her cell phone and ripped the keys from her hand causing cuts to her hand and fingers. Based on information obtained and that the male subject had taken the female subject's cell phone, which prevented her from calling for help, the male subject was arrested for domestic violence 2nd degree and transported to the AI Cannon Detention Center.

Driving Under the Influence – 41st Avenue / Waterway Boulevard

An officer responded to a report of a possibly intoxicated driver. The officer located the vehicle and conducted a traffic stop. Contact with the driver determined that she was possibly under the influence. When asked if she had been drinking, the driver stated she had one glass of wine. The officer requested the driver complete Standardized Field Sobriety Testing and at the end of the testing, was placed under arrest. The driver was transported to the IOPPSB for Datamaster testing and provided a breath sample registering a .17% BAC.

Wednesday, July 18

Noise Ordinance Violation / Hindering -3300 Block Cameron Boulevard

Officers responded to a report of a noise complaint with people being loud and music playing. Contact was made with the subject responsible for renting the residence and explained that at 1am they were causing a disturbance and issued him a citation for noise violation in the Isle of Palms Municipal Court. While speaking with the renter, another subject staying at the rental property began yelling that he would not go inside and it was determined he was intoxicated. The subject continued to refuse to follow officer instructions and continued yelling. The subject was arrested for hindering and transported to the AI Cannon Detention Center.

Thursday, July 19

Credit Card Fraud – Fairway Oaks Lane

A victim reported that she noticed unauthorized charges made to her credit card. It was determined that approximately \$13,432.41 had been fraudulently charged. This case has been assigned to CID for further investigation.

Sunday, July 22

Disorderly Conduct – 1500 Block Palm Boulevard

An officer on night shift responded to a report of a subject sleeping on a bench in front of a local business. The subject was determined to be grossly intoxicated and difficult to understand. The subject was unable to provide any information and unable to care for himself. The subject was arrested and transported to the Al Cannon Detention Center.

Friday, July 27

Domestic Violence – 7000 Block Palmetto Drive

Officers responded to a report of a woman screaming for help. When officers arrived, they separated the male and female subjects. The female explained that they had been drinking today and then began to argue and her husband pushed her down the stairs and the officer observed signs of injury, but the female refused medical treatment. The male subject indicated that his wife had kicked, hit and bitten him, but he was trying to avoid a confrontation with her. An officer also spoke with the juvenile who was present but did not see any physical fighting only heard them arguing, which she said happens often. Due to both parties being intoxicated and mutual combatants, they were both arrested for domestic violence 3rd degree and transported to the Al Cannon Detention Center. The juvenile was able to stay with a relative that lived nearby.

Saturday, July 28

Stolen Property Offenses – IOP Connector

An officer observed a vehicle with an equipment violation and when he turned around to stop the vehicle, it turned down 20th Avenue where the driver jumped out with the vehicle still moving and took off running. The driver's description was put out over the radio and the officer chased after the driver but lost him when he jumped a six-foot privacy fence. During the investigation, when an officer contacted the vehicle's owner, it was learned that it had been stolen and the victim was contacting the Charleston County Sheriff's Office to file a report. Another officer patrolling the area observed a subject matching the description of the driver at the Circle K. When the officer contacted the subject, he provided his name and date of birth and then took off running again towards Oak Harbor Boulevard. The subject jumped a fence and then disappeared into the trees along Hamlin Creek. Attempts to get a mutual-aid response for a K-9 unit were unsuccessful. Officers were able to positively identify the subject from this South Carolina driver's license photograph and secured warrants for violation of non-residence violators compact (NRVC) – 2 counts, failure to stop for blue lights, leaving scene of accident with property damage, possession of a stolen motor vehicle, and driving under suspension – 3rd offense.

Theft from Motor Vehicle – 22nd Avenue

A victim reported that an unknown person(s) entered his locked vehicle and stole his handgun. The victim noticed that when he opened his vehicle that papers and miscellaneous items from his glove box and center console were out of order and thrown around. The victim was able to provide a serial number for the handgun and it was entered into NCIC. The approximate value of the stolen item is \$375. This case has been assigned to CID for further investigation.

Domestic Violence – 4000 Block Hartnett Boulevard

Officers responded to a report of a physical disturbance. The caller was indicating that an intoxicated male subject was trying to attack her and her son. When officers arrived, they saw a male subject

standing in the street and detained him until they could determine his relationship to the event. Officers then made contact with the female caller who indicated that the male subject that had been detained was her husband and he was the one attacking them. It was determined that the male subject had shoved his wife into the glass door, had thrown the son down to the floor, and continued to be aggressive toward them. The wife also indicated that her husband possessed a rifle that was in the upstairs bedroom. A criminal history check found that the husband was denied from being able to possess a firearm. The male subject was arrested, charged with domestic violence – 2nd degree, unlawful possession of a firearm and transported to the Al Cannon Detention Center.

Community Service Activities / Notable Mentions

During the month of July 2018, Officers issued one hundred twenty (120) "Property Security Check Notices" and seventeen (17) "You Could Have Been a Victim of a Crime" notices.

July 2 – Detective Louise Hardy assisted with the summer camp at the IOP Recreation Center for Hero Week. She discussed summer safety and handed out safety-themed coloring books.

July 5 – Detective Louise Hardy and Pfc. Thomas Molino organized the IOP Beach Clean Up, coordinating with Charleston County Parks and Recreation and Palmetto Pride to clean the beach after the July 4th Fireworks Event. Approximately 30 volunteers helped to clean up the area, collecting over fifteen large bags of trash. Public Works was also on hand to empty the cans and pick up large debris from the area.

July 7 – FTO Dylan Reynolds met with resident from Mount Pleasant to assist with the inspection, installation and education of a child safety seat.

July 10 – FTO James Couche met with a resident from Gastonia, South Carolina to assist with the inspection, installation and education of a child safety seat.

July 17 – FTO James Taylor met with an island resident to assist with the inspection, installation and education of a child safety seat.

July 24 – Detective Louise Hardy and PFC Thomas Molino went to the beach area in the Front Beach business district for a Pops with Cops community relations event where they gave out freeze pops to children on the beach. They spoke with over one hundred visitors and residents and handed out 75 freeze pops.

July 25 – FTO Dylan Reynolds met with a resident from Mount Pleasant to assist with the inspection, installation and education of a child safety seat.

Isle of Palms Police Department

Criminal Investigations Division

Monthly Report

July 2018

CASES ASSIGNED TO INVESTIGATORS

Cases Assigned: 24	Investigations Carried Over: 15
Cases Closed: 27	Investigations Continuing: 12

BREAKDOWN OF INVESTIGATION CLEARANCE

Cleared by Arrest: 5	Exceptionally Cleared: 5
Unfounded: 3	Administratively Closed: 14

****Incident / Investigation Status Indicators (CALEA 42.1.3)****

"Active" – The case is assigned to an investigator and investigative efforts are active and ongoing.

"Cleared by Arrest" – (Closed) The case has been cleared by the arrest of the offender(s).

"Unfounded" – The offense described did not occur or occurred in another jurisdiction.

"Exceptionally Cleared" – (Closed) The case has been cleared due to offender death, lack of prosecution, denied extradition, victim declining prosecution, or offender was a juvenile (no custody).

"Administratively Closed" – (Non-criminal incident or investigation suspended) All available leads have been exhausted, but the case has not been brought to a conclusion, and investigative efforts may be resumed if new evidence or leads are discovered at a later date.

Administrative:

- CID members attended Compstat, CID Review and Roll Call Briefing with Squads
- Det. Sgt. Baldrick covered 41 total hours as Patrol Supervisor and/or patrol officer. Additionally, Detectives Forsythe, Hardy and Tarr Hardy worked a combined 75 hours on Patrol.
- Det Hardy participated in 2 separate community relations events
- CID members attended/received various training throughout the month.

Court Proceedings:

- Preliminary Hearings 4
- Grand Jury 1
- Municipal Court 2

Victim Services:

Victim Advocates Det. Hardy and Det. Tarr sent out 22 Victim Letters during the month of July. They also attended Tri-County Victim Council and Tri-County Sexual Assault Response Team Meetings

CID Call Outs:

CID personnel were called and requested to process a burglary scene.
