Ways and Means Committee

5:00 p.m., Tuesday, May 15, 2018

The regular meeting of the Ways and Means Committee was called to order at 5:20 p.m., Tuesday, May 15, 2018 in Council Chambers of City Hall, 1207 Palm Boulevard, Isle of Palms, South Carolina. Attending the meeting were Councilmembers Bell, Buckhannon, Ferencz, Kinghorn, Moye, Rice and Smith, Chair Ward, Mayor Carroll, Administrator Tucker, Assistant Fragoso and Clerk Copeland; a quorum was present to conduct business.

- 1. Chair Ward called the meeting to order and acknowledged that the press and public were duly notified of the meeting in accordance with the Freedom of Information Act.
- 2. Approval of Previous Meetings' Minutes

MOTION: Councilmember Bell moved to approve the minutes of the regular meeting of April 17, 2018 and the Special Meeting of April 11, 2018 as submitted; Councilmember Buckhannon seconded and the motion PASSED UNANIMOUSLY.

- 3. Citizens' Comments None
- **4. Financial Statements –** Treasurer Debbie Suggs

A. Financial Statement

The financial statement for review was through ten (10) months of FY18, or April 30, 2018. General Fund revenues were seventy-eight percent (78%) collected and General Fund expenditures were seventy-nine percent (79%) expended. Property Taxes revenue was slightly ahead for the same period ion FY17, and the Treasurer expressed confidence that the budget would be met. She reported that all revenue sources, except Rental Licenses, Parking and All Other were ahead of revenues through ten (10) months of FY17. With the spending associated with the off-shore dredging project, cash balances have come down as was expected; total cash has gone down by approximately three million dollars (\$3,000,000).

The Chair, Treasurer Suggs and the City's auditors are working on an agreed set of procedures for the marina businesses to follow to ensure the revenue and cost of sales are being presented correctly.

B. Tourism Schedules

Year over year, Municipal Accommodations Taxes and Beach Preservation Fees are running three percent (3%) ahead of FY17. For the Charleston County Pass-through, the City was told to expect and budget for a decrease in FY18, but the City has been told to expect the amount to increase in FY19 by approximately seventy thousand dollars (\$70,000). Hospitality Tax collections continue to be strong showing growth of five percent (5%) over FY17. The next schedule showing ten (10) years of Local Options Sales Taxes has increased by five point six percent (5.6%) over FY17; the Treasurer stated that she saw this tax as a good barometer of the overall island's economy.

C. Projects Worksheets

Treasurer Suggs thought that, with the exception of Coastal Science and Engineering, most of the spending for the off-shore renourishment project has been done, and she was pleased to announce that the project has been completed without the City incurring any debt. She recalled from last month's meeting that money was borrowed from existing City funds to make the last payment to Great Lakes Dredge and Dock of five million dollars (\$5,000,000); at this moment the City has a "due to" the Capital Projects Fund in excess of one and a half million dollars (\$1,500,000) and a "due to" the Disaster Recovery Fund of one point two million dollars (\$1,200,000). As the FEMA money is collected, these funds will be repaid. Expenditures for the Phase II Drainage Project in April were pay application #5 to the contractor and project management fees for Civil Site Environmental. The project shortfall will be paid from contingency funds. The rehabilitation of the Front Beach restrooms has nearly been completed and is within budget. The Bulkhead Rehabilitation has been completed within budget. And, as of yet, very little in the way of expenses has been charged against the replacement of the underground storage tanks.

- 6. New Business
 - A. Report on recommendation from the Public Works Committee to approve a change order in the amount of \$9,073.98 for the relocation of a junction box to avoid conflict with power line (Pg. 45, In 100 Phase II Drainage, Contingency, \$2,209,157)

Administrator Tucker noted that this expense was below the ten thousand dollars (\$10,000) toggle in the Procurement Code for which she has the authority to authorize and this was listed on the Agenda for reporting purposes only.

B. Recommendation from the Public Safety Committee to award a contract in the amount of \$25,000 to Munnerlyn Pyrotechnics for the 2018 July 4th fireworks show (Pg. 28, In 268 – State ATAX, General Government, Programs/Sponsorships, \$35,000)

MOTION: Councilmember Rice moved to award a contract to Munnerlyn Pyrotechnics for July 4th fireworks display; Councilmember Bell seconded and the motion PASSED UNANIMOUSLY.

C. Report on emergency purchase from Technology Solutions in an amount not to exceed \$27,000 for replacement of the City Hall server experiencing interruptions in service (Pg. 22, In 27 – General Government Capital Outlay)

Motion: Councilmember Kinghorn moved to approve up to \$27,000 to replace the City Hall server; Councilmember Bell seconded.

When Chair Ward asked if this server was included in the budget, the Administrator responded that it was in the FY19 budget but not in the FY18 budget; the court software is going to be moved to the existing server.

VOTE: The motion PASSED UNANIMOUSLY.

D. Recommendation from the Recreation Committee to approve the 2018 Farmers' Market Budget

Councilmember Moye noted that Council has already moved to pay the parking fee for the markets and that the budget was very conservative since it did not include the sales of alcohol or any sponsorships for music or children's entertainment. The Recreation Committee discussed at length paying the volunteers for their time, and they finally decided that to pay them was actually paying for professional services as in other City budgets.

MOTION: Councilmember Moye moved to approve the 2018 Farmers' Market budget as presented; Councilmember Buckhannon seconded and the motion PASSED UNANIMOUSLY.

E. Discussion of FY19 Budget

Chair Ward stated that proposed changes to the budget were detailed on a separate page; a copy of which is attached to the historical record of the meeting. Chair Ward noted that the potential changes make a substantial dent in the deficit in FY19.

Agreeing with Councilmember Rice, Chair Ward shared her concern that more money has not been allocated to the docks at the marina; he also was disturbed that no money has been allocated to the Disaster Recovery Fund.

MOTION: Councilmember Bell moved to add \$250,000 for general maintenance at the marina, absent any better data, from the Marina Fund; Councilmember Rice seconded, and the motion PASSED on a vote of 8 to 1 with Councilmember Ferencz casting the dissenting vote.

In addition to the proposed changes on the handout, Council approved removing fifteen thousand dollars (\$15,000) from the budget for the City Hall server and adding two hundred fifty thousand dollars (\$250,000) for emergency dock repairs at the marina.

In reviewing the fund balances projected for the end of FY19, the Hospitality Tax Fund should have the biggest balance.

Since Treasurer Suggs did not think the State would approve setting aside Hospitality Taxes for Disaster Recovery, she suggested that the City adhere to past practices of putting a portion of the City's FY18 positive net results into the Disaster Recovery Fund.

The prepared budget and the estimated revenue for payment of budgeted expenses are hereby adopted by reference and are made a part of this Code as fully as if incorporated herein.

Sec. 1-5-2. - Administration of budget; transfers of appropriations.

The City Administrator shall administer the budget, being responsible to the City Council for same, and may authorize the transfer of appropriated funds within and between departments with the approval of City Council in accordance with the purchasing procedures set forth in chapter 10 of this title as necessary to achieve the goals of the budget.

Sec. 1-5-3. - Expenditures by Mayor or City Administrator.

The City Administrator and, in his absence the Mayor, shall have the authority to spend up to \$1,000.00 of unbudgeted expenditures, for municipal purposes. Any such unbudgeted expenditures shall be approved by City Council and reported to the Ways and Means Committee at its next regularly scheduled meeting, and shall be included in the City's financial statement for the month of the expenditure.

Chapter 10. - Purchasing Procedures

Sec. 1-10-3. - Approval of expenditures, sales and contract assignments.

- (a) Council approval shall be required for the following expenditures, sales and contract assignments:
 - (1) Unbudgeted expenditures in excess of \$10,000.00;
 - (2) All expenditures in excess of \$25,000.00;
 - (3) All sales of personal property when the estimated value exceeds \$10,000.00; and
 - (4) Assignments of contracts in excess of \$10,000.00.
- (b) The Purchasing Agent may authorize the following expenditures, sales and contract assignments without Council approval:
 - (1) All expenditures of \$10,000.00 or less;
 - (2) Purchases of gasoline, which otherwise comply with the terms of this chapter, in amounts not to exceed \$25,000.00;
 - (3) All sales of personal property when the estimated value is \$10,000.00 or less; and
 - (4) Assignments of contracts that are \$10,000.00 or less.
- (c) The Purchasing Agent may also authorize any budgeted expenditure approved in the current fiscal year's budget, where the price does not exceed the budget estimate by more than ten percent (10%), if the total expenditure does not exceed \$25,000.00. The Purchasing Agent shall submit a report of the expenditure to City Council which shall be entered in the minutes of Council.

Sec. 1-10-4. - Competitive procurement requirements; exceptions.

(a) When required.

- (1) Expenditures of \$5,000.00 or less: Competitive procurement is not required for expenditures of \$5,000.00 or less if prices are considered by the Purchasing Agent or Department Head to be fair and reasonable.
- (2) Expenditures exceeding \$5,000.00: Before any purchases or contracts for supplies, materials, equipment or services exceeding \$5,000.00 are made, the Purchasing Agent or Department Head shall give reasonable opportunity for competitive procurement.
 - (i) For purchases or contracts in excess of \$5,000.00 but not more than \$10,000.00, the Purchasing Agent or Department Head shall obtain either verbal or written competitive price quotes from at least two (2) vendors, unless only one (1) vendor is available. Informal quotes may be accepted verbally or via email, provided that the Purchasing Agent or Department Head retains appropriate documentation consisting of the name of the vendor, price quote, name of vendor's representative providing the quote, and the date of quote.
 - (ii) For purchases or contracts in excess of \$10,000.00 but not more than \$25,000.00, the Purchasing Agent or Department Head shall obtain at least three (3) informal written bids, unless three (3) vendors are not available. Informal written bids may be accepted via email.
 - (iii) Purchases or contracts in excess of \$25,000.00 shall be awarded pursuant to the formal competitive sealed bidding or competitive sealed proposals methods as provided in section 1-10-5, unless otherwise provided in this chapter.

- (4) The Purchasing Agent or City Council has the authority to cancel a request for bids or proposals or other solicitation, and to reject any or all bids or proposals in whole or in part, and to waive informalities or irregularities in bids or proposals received when it is determined to be in the best interest of the City.

(b) Exceptions.

- (1) In the event of any emergency affecting the public welfare, health or safety, the competitive procurement requirements of this section shall not apply. A full report of any emergency purchase shall be filed by the Purchasing Agent with City Council and shall be entered in the minutes of Council.
- (2) The competitive procurement requirements of this section shall not apply to the procurement of professional services where the person employed is customarily employed on a fee basis rather than by competitive bidding such as legal, medical, consulting, appraiser, auditor or accounting services. The Purchasing Agent may secure professional services by direct negotiation and selection, taking into account the type of services required, the proximity (location) of the professional providing the services, the capability of the professional to produce the required service within a reasonable time, past performance, and the ability to meet budget requirements. Nothing herein shall be deemed to prohibit the City from using competitive procurement procedures for professional services if City Council determines it is in the best interests of the City.
- (3) The following types of expenditures are exempt from the competitive procurement requirements of this section:
 - (i) Utilities including gas, electric, water and sewer;

- (5) An expenditure may be made without competitive procurement when an item is required for trial use or testing. The Purchasing Agent shall set forth such determination and the basis therefor in a written statement submitted to City Council and entered in the minutes of Council.
- (6) The Purchasing Agent may obtain goods and services from an awarded bidder in a competitive bidding process utilized within the preceding <a href="https://eix-twelve.com/eix-twelve

- (8) An expenditure may be made without competitive procurement when it is determined that the expenditure is critical to the City and time does not permit for solicitation or resolicitation in accordance with the procedures set forth in this chapter. The Purchasing Agent shall set forth such determination and the basis therefor in a written statement submitted to City Council and entered in the minutes of Council.
- (29) The approval requirements set forth in section 1-10-3 shall apply to the expenditures listed in each exception hereinabove; provided, however, that City Council approval shall not be required for emergency purchases pursuant to paragraph (b)(1) of this section.
