#### PUBLIC SAFETY COMMITTEE

4:00 p.m., Monday, March 5, 2018

The regular meeting of the Public Safety Committee was called to order at 4:00 p.m., Monday, March 5, 2018 in the City Hall Conference Room, 1207 Palm Boulevard, Isle of Palms, South Carolina. Attending the meeting were Councilmembers Bell and Ward, Chair Smith, Administrator Tucker, Fire Chief Graham, Captain Usry, Assistant Administrator Fragoso and City Clerk Copeland; a quorum was present to conduct business.

1. Chair Smith called the meeting to order and acknowledged that the press and public were duly notified of the meeting in accordance with the Freedom of Information Act.

#### 2. Approval of Previous Meeting's Minutes

## MOTION: Councilmember Bell moved to approve the minutes of the regular meeting of February 5, 2018; Councilmember Ward seconded.

In an earlier communication, Clerk Copeland informed Committee members that the minutes presented at the February Council meeting had a significant typographical error in a motion; on page 6 of 9, the Saturday construction hours in the final motion stated 8:00 a.m. to 6:00 p.m. when the motion was 8:00 a.m. to 4:00 p.m. per the audio recording of the meeting. After discussing the matter with the City Attorney, the minutes presented for approval at this meeting been corrected.

Amendment: Councilmember Bell moved to approve the minutes as corrected; Councilmember Ward seconded and the amendment PASSED UNANIMOUSLY.

#### VOTE: The amended motion PASSED UNANIMOUSLY.

#### 3. Citizens' Comments

- A. Request to hold SEALkids Swim event on Saturday, August 11<sup>th</sup> or September 8<sup>th</sup> as a City-sponsored event Troy Pusateri
- B. Request for City-sponsored event status for South Carolina Aquarium's 3<sup>rd</sup> Annual Turtle Trek 5k Sunset Beach Run and Kids' Fun Run on Saturday, September 29<sup>th</sup> at 5:30 p.m.– Stephanie Gabosch

Administrator Tucker stated that the SEALkids Swim and the Turtle Trek have been held on the island in the past and were low impact events for the City; she opined that the Committee would recommend approval to City Council as City-sponsored events in 2018. In addition, she suggested that the City could add them to the list of approved annual, City-sponsored events so that the representatives would not have to come before the Committee each year for approval. They would be required to communicate with the Public Safety agencies of the City as to the when, where, and how and provide the certificate of insurance.

Mr. Pusateri representing SEALkids thanked the Committee for their consideration and reported that last year's event had raised seventy thousand dollars (\$70,000) that helped some twenty (20) kids; it drew approximately sixty (60) swimmers and three hundred fifty (350) people to the auction in the evening. He was present today to confirm a date for 2018 and to ask for approval to hold the event at the Isle of Palms annually. He said that, when he plans the event, he chooses the Saturday closest to September 11<sup>th</sup>, and, for 2018, that date is Saturday September 8<sup>th</sup>.

MOTION: Councilmember Bell moved to recommend to City Council the approval the SEALkids Swim event as an annual City-sponsored event to be held on the Saturday nearest September 11<sup>th</sup> each year and to recommend the approval of the Aquarium Turtle Trek Sunset Run and Walk as an annual City-sponsored event to be held in 2018 on Saturday, September 29<sup>th</sup>; Councilmember Ward seconded and the motion PASSED UNANIMOUSLY.

Rusty Streetman, 4004 Palm, stated that his home was between two (2) construction sites and his issue was that delivery trucks were parking in the street. The driveways at the construction sites were filled with the workers' vehicles, but ample right-of-way existed between 39<sup>th</sup> and 40<sup>th</sup> Avenues. As shown in photos he brought to the meeting, which are attached to the historical record of the meeting, these instances create a substantial public safety issue. He added that when he was at home, he personally asked that the vehicles be moved, and he has made quite a few calls to the Police Department who have responded quickly and have been very helpful. He reported that, on a particularly bad day, the Animal Control Officer stopped by and pulled into Mr. Streetman's driveway; he needed Mr. Streetman's assistance to get back onto Palm Boulevard. Mr. Streetman was asking for more enforcement.

Administrator Tucker stated that ten (10) tickets have been written by the Police Department at these two (2) locations.

Elizabeth Campsen, 32 Intracoastal Court, commented on the possible changes to the Managed Beach Parking Plan and voiced hope that some tweaks could be made before this tourist season. Having researched the Beach Management Plan, she stated that the City currently has sixteen hundred (1,600) public parking spaces, including the municipal lots, with five hundred (500) between 21<sup>st</sup> and 57<sup>th</sup> Avenues on Palm Boulevard. The number does not include the vehicles that park two (2) deep on the ocean-side of Palm. One (1) change she would like to see was limiting parking on Palm Boulevard to one (1) side of Palm or parallel parking on both sides. She recalled a plan offered by Stantec that included a median on Palm Boulevard paid for with tourism funds. She reported that she has already called the Police Department about boat trailers parked on the bike path on Waterway Boulevard, and she suggested limiting the trailers to the areas on 41<sup>st</sup> Avenue where there are no homes.

Lavonne Settimio, 25 – 24<sup>th</sup> Avenue, brought to the Committee's attention the poor condition of many of the beach access paths on the island; she said that many of them required walking through murky water and mud. Secondly, she repeated her husband's request made at the City Council meeting for the City to require that all dogs, resident and non-resident, have an IOP dog license.

Gail Jordan, 3704 Palm Boulevard, stated that she could not entertain guests in the tourist season because the day-trippers take up all of the parking in front of her home; she asked if the City could eliminate parking in front of the residences of full-time residents.

Bob Miller, 3 Fairway Village Lane, stated that he was a member of the IOP Coyote Control Coalition, a group of six (6) individuals who share the common goal of educating and informing citizens and visitors and influencing government bodies to try to reduce the number of coyotes on the island. He offered four (4) recommendations for actions to be taken by the Public Safety Committee and City Council to address the public safety concerns created by the growing coyote population and their aggressiveness, and they are as follows:

The implementation of simple signage stating what one should and should not do around coyotes;

- The placement of flyers in each renters' welcome package from the rental agencies;
- The adoption of an island-wide coyote management plan; and
- The island-wide implementation of actions.

Sally Wiseman, 35 Fairway Dunes Lane, told the Committee that she never left home without her whistle to scare off the coyotes; as his introduction, Mr. Miller stated that she has spent a lot of time researching coyotes and how other areas have dealt with them. She stated that a City coyote management plan should be consistent with the Mount Pleasant and Sullivan's Island plans. A plan should include a three-fold purpose, a strategic plan and the balance of the plan would be the details behind the strategic plan; a copy of the proposed Coyote Management Plan dated January 23, 2018 was attached to the historical record of the meeting.

Gary Hart from the Banana Cabana expressed concern about parking for him and his employees in the City lots due to the re-opening The Palms Hotel and the City's agreement with them for parking for their guests in the lots. He stated that, although he has purchased a seasonal parking pass, over the past two (2) seasons, he has had problems finding a vacant spot, and he worries about his employees.

Administrator Tucker commented that guests of the hotel are not guaranteed a parking space.

#### 4. Old Business

#### Consideration of coyote control, research and public information

Chair Smith asked Animal Control Officer Enourato to give the Committee an update on actions being taken by the City relative to coyotes.

Officer Enourato stated that the City has had five (5) soft leg traps deployed at the rear of 2300 Palm Boulevard at the request of the owner for two (2) weeks; the City's Contractor Critter Control removed the traps yesterday and was in the process of relocating them. The evidence was that the coyotes were active in that area so that the traps will likely be placed there again after a couple of weeks.

The Administrator reported that the City ordered new beach access signage for the most heavily travelled accesses; once installed, one (1) of the messages will be about wildlife. Since the City cannot install signage on private property, it cannot put any signs on the accesses that belong to the Wild Dunes Community Association.

Councilmember Bell was clear that trapping was not going to solve the City's coyote problem; information he has seen has recommended a multi-pronged approach to control the coyote population.

MOTION: Councilmember Bell moved to recommend to City Council that (1) the City move from the current monthly fee structure to a "pay per coyote" basis, (2) the City staff provide the Committee a step-by-step plan to implement hunting as a legal and lethal means to immediately reduce the coyote population and (3) review of and recommendation for a comprehensive coyote management plan to be adopted by the City; Chair Smith seconded.

According to Captain Usry, the City must pay a contractor to place the traps and pay an additional fee when a coyote was caught; it also paid a fee if another fur-bearing animal was caught unless

4

the Animal Control Office was available to release it. The traps were checked every day by either the contractor or the Animal Control Officer.

From DNR, the Chair learned about a different type of trap referred to as a Collarum trap which is canine specific, but is illegal in South Carolina; the person with whom she spoke said that the City would be allowed to use whatever method they wanted.

Councilmember Ward moved to suspend the rules to bring the members of the Coyote Coalition into the discussion; Councilmember Bell seconded.

Councilmember Bell and Chair Smith withdrew the motion and second respectively.

When Mr. Miller, Ms. Wiseman and Ms. Gogol joined the Committee, Councilmember Ward asked Ms. Wiseman if she agreed with Councilmember Bell's multi-pronged approach, and she responded that each coyote management plan she read included multiple means of reducing or controlling coyote populations.

Judy Gogol added that the City needed to feel a sense of urgency to act as quickly as possible; she noted that mating season was over and that the pups would be born in sixty to seventy (60 - 70) days – just as tourists begin to arrive on the island.

Administrator Tucker stated that the USDA-Wildlife Service is the agency that would perform the hunting activities, and they have indicated that they were willing to come to a Council meeting to discuss their work.

When the Committee discussed the pros and cons of a coyote management plan, Councilmember Bell stated that the plan would be a framework, not prescriptive; Ms. Wiseman noted that Mount Pleasant has not had to tweak their plan in fifteen (15) years.

The Administrator was reminded that a coyote management plan was drafted, but it was not adopted by City Council.

Councilmember Ward recalled that the draft never got out of committee for Council to consider.

Councilmember Bell made his motion for the second time.

MOTION: Councilmember Bell moved to recommend to City Council that (1) the City move from the current monthly fee structure to a "pay per coyote" basis, (2) the City staff provide the Committee a step-by-step plan to implement hunting as a legal and lethal means immediately reduce the coyote population and (3) review of and recommendation for a comprehensive coyote management plan to be adopted by the City; Chair Smith seconded and the motion PASSED UNANIMOUSLY.

Chair Smith wanted the City to step up its public messaging campaign, emphasizing what residents and visitors can do to discourage coyotes from interacting with pets and humans via updates to the City's coyote page on the website and, possibly, a mailer.

Councilmember Bell remarked that the short-term rental companies would likely have a very different view of a messaging campaign; as dependent as the City is on tourist dollars, he cautioned that it cannot afford to scare them away.

Ms. Wiseman suggested changing the word ""co-exist" to "coyote smart."

Chair Smith repeated her desire for the City to partner with Sullivan's Island and Dewees to hire a researcher to get a count of the coyotes on the two (2) islands.

#### 5. New Business

MOTION: Chair Smith moved to re-order the Agenda to address Item C as the next item of business; Councilmember Bell seconded and the motion PASSED UNANIMOUSLY.

#### C. Discussion on obstructions on Palm Boulevard sidewalks

Administrator Tucker stated that she has learned that SCDOT is responsible for the overhang on Palm Boulevard, but not for the removal of the obstructions on the sidewalk; they are also responsible for replacing dangerous things, like cracked pieces, etc. of the sidewalks. Overgrowth and encroachment from the sides would fall to the property owner, the property management company, or the City, as a last resort. She reported that she and Assistant Fragoso walked the sidewalk from 21<sup>st</sup> to 41<sup>st</sup> Avenue with a representative from SCDOT and divided up the problems that were under their purview from those falling to the City.

### A. Renewed consideration of Managed Beach Parking Plan to include safety, traffic flow and impact on beach access

Chair Smith referred to an email that contained an outline for the Committee that listed primary and supporting goals as well as the focus for this meeting as follows:

- A. Primary Goals
  - 1. Improve safety of seasonal parking and traffic while providing proper public access to the beach;
  - 2. Protect residential parking area restrictions already in place.
- B. Supporting Goals
  - 1. Promote efficient traffic flow and parking that steers beachgoers toward the City's Front Beach lots and/or the IOP County Park;
  - 2. Explore options for adding paid beach parking beyond the Front Beach in 2019;
  - 3. Develop long-range solutions to meet demands of accelerating visitor growth.
- C. March focus
  - 1. Initial overview of potential changes and challenges
  - 2. Develop ideas for short-term solutions for beach parking along Palm Boulevard east of 20<sup>th</sup> Avenue
  - 3. Discuss alterations to traffic flow for improved ingress and egress

Approaching the parking problem from the standpoint of what can be done this season that would impact public safety and could be implemented.

MOTION: Councilmember Bell moved to recommend to City Council to implement the Managed Beach Parking Plan year-round, to prohibit boat trailer parking on Waterway Boulevard by residents and non-residents and to implement parallel parking on both sides of Palm Boulevard from 21<sup>st</sup> to 41<sup>st</sup> Avenues; Councilmember Ward seconded.

Councilmember Bell stated that parallel parking on Palm, would significantly reduce the number of cars, but still meet the requirements of the Beach Management Plan for public beach access.

Chair Smith offered an alternate to parallel parking on both sides of the street and to have parallel parking only on the ocean-side of Palm Boulevard thereby eliminating the need for drivers to turn around or loop through the neighborhoods to park in the opposite direction. She also proposed making the non-ocean side of Palm residential parking only.

Captain Usry commented that any change to parking would require an engineering design, DOT approval, ordinance changes and appropriate signage.

#### Amendment: Chair Smith amended the motion to add consideration of residential parking only on the non-ocean side of Palm Boulevard from 21<sup>st</sup> to 41<sup>st</sup> Avenue; Councilmember Bell seconded.

Captain Usry stated that presently the only area of parallel parking on Palm Boulevard was on 21<sup>st</sup> Avenue closest to Beachside, and, from 21<sup>st</sup> to 41<sup>st</sup> Avenue, the parking is four (4) feet from the pavement. Making both sides parallel parking would make parking on Palm Boulevard safer and would allow for a reduction in the number of spaces; the negative issue with parallel parking on Palm would be beachgoers turning around or going into the neighborhoods to park in the non-ocean side.

Chief Graham agreed that parallel parking would be preferable, but getting parked was the problem.

### **VOTE** on the Amendment: The amendment Failed on a vote of 1 to 2 with Councilmembers Bell and Ward casting dissenting votes.

Administrator Tucker opined that the Committee would get pushback from residents on extending the parking plan to year-round because residents want to entertain family and friends without getting passes for their guests.

#### VOTE on the Original Motion: The motion PASSED UNANIMOUSLY.

Without funding, the Administrator noted that she could not act on getting the services of a transportation engineer since it was not included in the FY18 budget; she also asked whether the Committee wanted to go through the competitive bidding process or to approach Stantec for its services.

Councilmember Ward asked that the Administrator and the Treasurer look at the budget and to locate possible funding sources on which the Ways and Means Committee could vote.

Chair Smith recalled comments made at the City Council meeting about the need for pedestrian lines-of-sight at some beach accesses between 41<sup>st</sup> and 57<sup>th</sup> Avenues, and she was reminded

that the rights-of-way on Palm in that part of the island were not wide enough to support parking four (4) feet from the pavement.

## MOTION: Chair Smith moved to include study of the need for sufficient pedestrian lines of sight at the beach accesses between 41<sup>st</sup> and 57<sup>th</sup> Avenues in the scope of work for the traffic engineer; Councilmember Ward seconded.

Councilmember Bell advocated for a comprehensive plan for parking inclusive of all of the things that need to be done for the FY20 budget cycle; at the present time, he supported making those changes that can have an immediate impact on parking safety.

The Administrator noted that the City did not know whether SCDOT would grant line-of-sight for beach accesses or if they have standards for pedestrian line-of-sight or, if the standard exists, what the footage would be on either side of the path. In the area of 55<sup>th</sup> to 57<sup>th</sup> Avenue, another issue was whether the space required for line-of-sight would reduce the available parking so that it would no longer meet the requirement for full and complete access to the beach.

Councilmembers Bell and Ward expressed opposition to this additional work because it would add to the amount of time the traffic engineer would need to complete the work and add to the unbudgeted expense.

Chair Smith and Councilmember Ward withdrew the motion and second respectively.

#### B. Discussion of improvements to crosswalk at 20<sup>th</sup> and Palm Boulevard

Residents have voiced concerns about this crosswalk because it is difficult to cross safely because most drivers do not stop; one (1) suggestion was to have a blinking sign that would be activated by the pedestrian(s).

Captain Usry stated that this crosswalk belonged to SCDOT; therefore, any change to it would be their decision.

If the City chose to make it a stamped crosswalk to draw more attention to it, it could likely get an encroachment permit, and the City could put money into the FY19 budget to do it. The cost for stamping across four (4) lanes of traffic would be approximately ten thousand dollars (\$10,000).

The Chair asked that staff reach out to SCDOT to learn what the City's options would be to improve the crosswalk at 20<sup>th</sup> Avenue and Palm Boulevard.

#### D. Consideration of approval of Law Enforcement Mutual Aid Agreement between the IOP Police Department and the Town of Mount Pleasant Police Department

Mutual Aid Agreements are routine between neighboring communities; they must be approved annually by the Public Safety Committee and by City Council.

MOTION: Councilmember Ward moved to approve the Law Enforcement Mutual Aid Agreement between the IOP Police Department and the Town of Mount Pleasant Police Department; Councilmember Bell seconded and the motion PASSED UNANIMOUSLY.

#### 6. Highlights of Departmental Reports

#### Fire Department – Chief Graham

In the month of February, personnel responded to forty-three (43) calls, of which twenty-six (26) were EMS calls. Nineteen (19) fire inspections were conducted that located twenty-four (24) violations. Fire Department personnel averaged approximately thirty-nine (39) hours of training on a variety of subjects. A leak has been found in the radiator of the generator; the City is waiting on a quote for the replacement of the radiator if that is possible. In the meantime, inquiries are being made to rent a generator; if the rental is necessary, the City must provide a plug for it from the building that will cost approximately ten thousand dollars (\$10,000). On two (2) occasions during the month, fire crews conducted station tours and talked about fire prevention with eighty-six (86) kindergartners and twelve (12) teachers from Jennie Moore Elementary School in Mount Pleasant.

#### Police Department – Captain Usry

The Police Department hosted a "Coffee with a Cop" event at Café Paname with twelve (12) residents in attendance; the Charleston County Consolidated 9-1-1 Dispatch Center Public Education team was also present and provided information on "text 9-1-1" and "smart 9-1-1." In February, Communication Specialists responded to three thousand nine hundred eighty-eight (3,988) calls, and, of that number, three thousand five hundred fifty-nine (3,559) were for the IOP Police Department. Officers made three hundred sixty (360) traffic stops and wrote tickets for seventy-seven (77) of them. Seven (7) coyote sightings were reported in the month. Of the twenty-eight unkempt lots carried over from 2017, five (5) remain unresolved, and, of the sixty-three (63) encroachments in the right-of-way carried over, eight (8) were unresolved and would likely be receiving citations for not complying.

Councilmember Bell commented that the number of traffic stops continued to increase month over month while the percentage of those stops that receive tickets was consistently around twenty percent (20%). He opined that creating a lot of data that does not produce a behavioral change was a waste of time, and he did not want to see anyone wasting his time producing reports that do not get used for anything. He indicated that the reports do tell the reader if the Department enforces consistently across the island, things that could be done differently, etc. He expressed the opinion that, when an officer sees an infraction, parking or otherwise, he/she should stop and handle it, but the perception now is that parking infractions are not handled by the regular patrol officer because it is a BSO duty. He thought that officers should be advised to act and not to drive by. He also told Captain Usry that he thought the Department could submit its data to Council electronically rather than in a written report.

Captain Usry stated that every traffic stop gets a written citation, either a state citation with a fine attached or a warning; no verbal warnings are issued. Officers are encouraged to write a citation when the speed is ten (10) miles over the posted speed limit and to take into consideration other factors, such as time of day, weather conditions, and the fact the IOP is a residential community. The Captain noted that staffing for a shift are one (1) sergeant and two (2) officers who are dealing with the mischief that occurs on the island in the course of twelve (12) hours, as well as speeding drivers. She also explained that the officers have access to any warnings and/or tickets the driver may have gotten in the City in the past, as well as the driver's driving record maintained by the State via their in-car computers.

Administrator Tucker remarked that the Police and Fire Departmental Reports were the product of meeting requests for information from past Councilmembers and reporting requirements; if components of the reports have information the Committee was not interested in seeing, it would not be included.

Responding to Councilmember Bell, Captain Usry said that the report takes approximately sixteen (16) hours to compile, and some of the data must be manually gathered.

Councilmember Bell commented that the Committee could get "more productive analysis of data with less work if done correctly."

As a final comment, Administrator Tucker stated that patrol officers do write parking tickets.

#### 7. Miscellaneous Business

#### Workplace Safety Resolution

MOTION: Chair Smith moved to recommend to City Council the adoption of the Workplace Safety Resolution; Councilmember Bell seconded and the motion PASSED UNANIMOUSLY.

Next Meeting Date: 5:00 p.m., Monday, April 9<sup>,</sup> 2018 in the Conference Room

- 8. Executive Session not needed
- 9. Adjournment

MOTION: Chair Smith moved to adjourn the meeting at 6:07 p.m.; Councilmember Bell seconded and the motion PASSED UNANIMOUSLY.

Respectfully submitted:

Marie Copeland City Clerk

#### Isle of Palms Fire Department Memorandum

- To : Public Safety Committee
- From : Chief Graham
- Date : 4-4-2018

Re : Recommendation and Justification for Purchase of 75' Ladder Truck

In accordance with the City's procurement code, the City requested sealed bids for RFB 2018.01 (1) New 75' Ladder Truck. The bid opening was held in Council Chambers on March 27, 2018. The City received four (4) sealed bids. The bid tabulation is enclosed.

After thoroughly reviewing all bids for compliance with the bid and addendum instructions and specifications, my recommendation is that the City awards a contract to Safe Industries in the amount of \$849,500 for a 2018 E-ONE 75' Typhoon X Stretch Long Cab Aerial with a Stainless Steel Body, a Cummins L9 450 HP Engine, a 500 Gallon Booster Tank and a Hale QMAX 1500 GPM Pump.

Section 1-10-5(c)(12) of the City's procurement code sets forth certain criteria to be considered, in addition to price, in determining the lowest responsible bidder. Among the criteria included are:

the reputation and experience of the bidder;

the quality of performance of previous contracts;

the quality, availability and adaptability of the supplies to the particular use required; the ability of the bidder to provide future maintenance and service; the number and scope of conditions attached to the bid; and the ability of the bidder to meet the specifications in the bid.

Based on my review of these criteria, I recommend Safe Industries' primary bid as the lowest responsible bidder for the following reasons:

- 1. Safe Industries primary bid for E-One ladder truck meets the required bid specifications.
- 2. Safe Industries alternate bid, the lowest bid, does not meet the following specifications:
  - a. The body is aluminum, not stainless steel
  - b. The apparatus does not have air ride suspension
  - c. The fuel tanks are steel, not stainless steel
  - d. Cab configuration not adequate for current needs
  - e. Generator was undersized per specifications
- 3. Rosenbauer does not meet specifications related to the department's requirement of 2.5:1 safety factor.
- 4. Sutphen Corporation's specifications lack safety data concerning the aerial components
- 5. While conducting research, I was unable to find any aerial failures with E-One ladder trucks.
- 6. The City has had a good safety record with current and past E-One fire apparatus.

- 7. The City has experienced excellent service for current and past E-One fire apparatus. The City currently owns the following E-One fire equipment:
  - a. 2016 E-One Rescue Truck
  - b. 2009 E-One Pumper
  - c. 2003 E-One Pumper
  - d. 2003 E-One 75' Ladder Truck
  - e. 2003 E-One 95' Ladder Truck with Bucket
- 8. There are fewer safety concerns for continuity of operations when using the same manufacturer for life safety equipment.
- 9. E-One teamed up with the REV Group in 2008 and Safe Industries in 2017. E-One is and has been a very successful company with a strong safety record for many years. The merger between E-One and the REV Group has resulted in more engineering support, as well as parts availability. The partnership with Safe Industries has resulted in more accessibility of authorized service personnel in the state of South Carolina at fixed site locations as well as multiple mobile service units.
- 10. E-One is sole source for all structural components such as cab, chassis, frame rails, aerial device, etc.
- 11. IOPFD personnel consulted with E-One following several flood events which affected fire departments throughout South Carolina and beyond. Damage from flood water was not isolated to E-One. E-One is adopting a new standard to mitigate damage during high water incidents in the future.
- 12. Safe Industries is offering a two (2) year manufacturer bumper to bumper warranty, in addition to various long-term warranties offered by E-One. The two (2) year warranty covers preventative maintenance and annual pump test in addition to routine warranty issues.

#### Isle of Palms Fire Department Call Summary March 2018

- 03/03/18 Personnel responded to a two (2) vehicle accident at Palm Boulevard and the Isle of Palms Connector. Fire crews provided medical care for one patient complaining of minor injuries. Both vehicles were inspected for potential hazards to the public or environment. No issues were found. All personnel cleared from the scene and returned back to service.
- 03/11/18 Personnel responded to a possible structure fire on Edgewater Alley. While en-route, crews were notified that the call originated due to a fire in an oven and that the residents advised that the fire was already extinguished. Fire crews arrived on scene and inspected the area for any heat indications or other hazards associated with the fire. No remaining hazards were found. All crews cleared from the scene and returned back to service.
- 03/14/18 Personnel responded to a water leak at a residence on J.C. Long Boulevard which was reported from a by-stander. Fire crews shut off the water at the meter located at the street. Attempts were made to contact the home-owner to inform them of what had occurred. All personnel cleared from the scene and retuned back to service.
- 03/21/18 Personnel responded to an auto accident on 21<sup>st</sup> avenue. Upon arrival crews found a three wheeled motor scooter that had lost control and hit the curb. One patient was treated for injuries and transported to the hospital by Charleston County EMS. Fire crews inspected the area for additional hazards resulting from the accident. Once it was determined that there was no further need, all crews cleared from the scene and returned back to service.
- 03/25/18 Personnel responded to a possible structure fire on Grand Pavilion Boulevard. Dispatch notified responding personnel that there was a fire on the stove of the residence. Upon arrival, fire crews found that the fire had already been extinguished. Personnel investigated the area for heat indications and any other possible hazards resulting from the fire. No remaining hazards were found. All personnel cleared from the call and returned back to service.

Subject: MONTHLY REPORT MARCH 2018

Date: April 2, 2018

The following is a synopsis of some of the activities of the Isle of Palms Police Department during the month of March.

## Saturday, March 3

## Driving Under Suspension – 21<sup>st</sup> Avenue / Waterway Boulevard

An officer stopped a vehicle for a seatbelt violation. Upon contacting the driver, it was determined that the driver's license was suspended for failure to maintain insurance. The driver was issued citations for the seatbelt violation, no proof of insurance, and driving under suspension with a court date in the Isle of Palms Municipal Court.

## Narcotics Violation - 1100 Block Ocean Boulevard

Officers went to a local restaurant to locate an employee with whom our Department had five (5) active arrest warrants. The officers were able to locate the subject, serve the warrants and place him under arrest. During a search of his person incident to the arrest, officers found approximately 4 grams of cocaine and 1 gram of marijuana. Officers obtained an additional arrest warrant for the cocaine and issued a citation for the marijuana. The subject was transported to the Al Cannon Detention Center.

# Traffic Offense / Simple Possession of Marijuana - 39th Avenue / Palm Boulevard

An officer stopped a vehicle for an equipment violation. Upon contacting the driver, the officer could smell a strong odor of marijuana emitting from the vehicle. When asked, the driver admitted to having the marijuana in the trunk of this vehicle. The driver was arrested and issued a citation for simple possession of marijuana with a court date in the Isle of Palms Municipal Court. The officer recovered approximately 14 grams of marijuana, along with various drug paraphernalia items that were logged into evidence.

## Sunday, March 4

## Burglary - Ocean Park Court

A victim reported that an unknown person stole household items from the owner's closet of their rental property. The victim indicated that they had a construction company completing renovations during the time the items were possibly stolen. The officer noted that there were pry marks on the owner's closet door. The approximate value of the items stolen is \$950. This case has been assigned to CID for further investigation.

## Monday, March 5

## Driving Under Suspension – Palm Boulevard / 3rd Avenue

An officer on night shift patrol observed a suspicious vehicle sitting in front of a home with its lights on and upon checking the vehicle license plate, determined that it was suspended for cancellation of insurance. As the vehicle drove away, the officer conducted a traffic stop for the vehicle license violation. Contact with the driver determined that he was an Uber driver and that his driver's license was suspended for cancellation of insurance. The driver was issued a citation for driving under suspension with a court date in the Isle of Palms Municipal Court.

#### Tuesday, March 6

## Driving Under Suspension – Palm Boulevard / 51<sup>st</sup> Avenue

The driver was issued a citation for driving under the influence with a court date in the Isle of Palms Municipal Court.

#### Friday, March 9

#### Sexual Assault - 700 Block Carolina Boulevard

A victim reported that while in town, she met a male subject who was also in town visiting. At some point, after the both subjects consumed alcohol, they returned to the residence where the male subject was staying. After the victim returned to her home out of state, she reported that she had been sexually assaulted. This case has been assigned to CID for further investigation.

#### Saturday, March 10

## Simple Possession of Marijuana - Ocean Boulevard / Pavilion Drive

An officer while on patrol during night shift observed subjects sitting inside a vehicle and got to ensure everything was okay with the individuals. While speaking with them, the officer observed a strong odor of marijuana emitting from the vehicle. The owner of the vehicle admitted to having marijuana in his vehicle. The officer recovered approximately 1 gram of marijuana, which was logged into evidence. The owner of the vehicle was issued a citation with a court date in the Isle of Palms Municipal Court.

## Monday, March 12

#### Theft from Buildings - Sandcrab Court

A victim reported that she evicted a couple who had been staying in her rental property. Upon having the property manager check the residence after they had left, it was discovered that the couple had taken several pieces of furniture that belonged to the victim. In addition to the furniture, the victim had given the couple money to make upgrades to the kitchen cabinets, which had not been done, but the check had been deposited. The approximate value of the items and monies stolen from the victim is \$8,800. This case has been assigned to CID for further investigation.

## Disorderly Conduct – 7000 Block Palmetto Drive

Officers responded to a 9-1-1 call where a male subject reported that someone was trying to kill him. Upon their arrival, officers were not able to immediately identify the location of the subject calling due to misinformation from him. Officers were able to locate the subject and during their interaction with him it was evident he was under the influence and would not comply with their instructions. The subject increasingly became more aggressive and as officers attempted to detain the subject, he became combative, with officers having to deploy their Taser to finally get the subject into handcuffs. The subject was charged with disorderly conduct and admitted to eating "gummies with marijuana" and drinking. The subject was transported to a local hospital due to his extreme behavior.

## Driving Under Suspension - Cameron Boulevard / 24th Avenue

An officer stopped a vehicle for an expired vehicle registration. Contact with the driver determined that her driver's license was suspended for non-payment of a citation from November 2017. The driver was issued citations for driving under suspension and expired vehicle registration with a court date in the Isle of Palms Municipal Court.

## Friday, March 16

## Driving Under Suspension – Palm Boulevard / 5th Avenue

An officer stopped a vehicle for passing on the double yellow line. Contact with the driver determined that his driver's license was suspended for failure to maintain insurance. The driver was issued a citation for driving under suspension with a court date in the Isle of Palms Municipal Court.

## Traffic Stop / Warrant Arrest - Palmetto Drive / Oyster Row

An officer stopped a vehicle for speeding, 37MPH in a posted 25MPH speed zone. Contact with the driver determined that he had an active arrest warrant for contempt of court / narcotics violation with Charleston County Sheriff's Office. The warrant was confirmed, the subject was arrested and released to a Deputy with the Sheriff's Office.

## Disorderly Conduct – Fairway Village Lane

An officer on night shift patrol observed a vehicle that was running, but left unattended. A male subject was located and denied ownership of the vehicle, but while the officer was speaking with him, determined that he was very intoxicated. The subject walked away and entered a residence, which was determined to be where he had been working as a caterer. The subject continued to be uncooperative with the officer who was trying to get him home safely. The subject was ultimately arrested for disorderly conduct and transported to the Al Cannon Detention Center.

## Sunday, March 18

## Driving Under the Influence – IOP Connector

An officer stopped a vehicle for multiple moving violations. Contact with the driver determined that he was possibly under the influence. When asked how much he had to drink, the driver replied, "not much at all." The officer asked the driver to complete the Standardized Field Sobriety Tests and upon completion was placed under arrest. The driver was transported to the Al Cannon Detention for Datamaster testing, where the driver refused to provide a breath sample. The driver was lodged in the Detention Center.

## Wednesday, March 21

## Warrant Arrest - 1000 Block Ocean Boulevard

Officers responded to a report of a suspicious person at a local hotel. Officers located the subject who said that he had checked out of the hotel in the morning and had been waiting on his ride all day. A check of the subject's information through NCIC found that he had an outstanding arrest warrant with Berkeley County Sheriff's Office for unpaid child support. The subject was arrested and transferred to Berkeley County Sheriff's Deputy. The subject was placed on trespass notice from the local hotel.

## Simple Possession of Marijuana - Ocean Boulevard / JC Long Boulevard

An officer on night shift observed subjects sitting in a parking space and got out to check their status, noticing the driver slumped over sleeping. Contact with the occupants found that there was a strong odor of marijuana emitting from inside the vehicle. A search of the vehicle discovered approximately .9 grams of marijuana in the pocket of one of the occupants, who was issued a citation with a court date in the Isle of Palms Municipal Court.

## Sunday, March 25

## Narcotics Violation - Ocean Boulevard / Pavilion Drive

An officer on night shift observed subjects sitting in a parking space with the motor running and the passenger appeared to be slumped over. The officer got out to check on their status and saw on the back seat an open bottle of vodka and could smell the odor of marijuana emitting from the vehicle. A search of the vehicle and subjects found 18.10 grams of methamphetamine, .7 grams of marijuana and drug paraphernalia. The occupants were arrested and charged with simple possession of marijuana, unlawful possession of drug paraphernalia, unlawful possession of broken seal on liquor bottle, and trafficking methamphetamine. Both subjects were transported to the Al Cannon Detention Center. It should be noted that the next day a delayed NCIC hit was received on one of the occupants for strong armed robbery out of York County. We contacted them to advise that the subject was lodged in the Detention Center. York County advised that he was a known gang member with the Folk Nation and was violent and dangerous.

## Medical Assist / Overdose - 26th Avenue

Officers responded to a report of a subject who had possibly overdosed. Officers determined that the subject was locked in the bathroom and was not responsive. Officers forced entry and found the subject unresponsive on the floor and allowed IOPFD and CCEMS to begin medical attention. The subject was pronounced deceased and the coroner's office was notified to respond. CID was called out to assist and obtained a search warrant, where they located drug paraphernalia and what is believed to be heroine, but will be confirmed after laboratory testing.

## Disorderly Conduct - JC Long Boulevard

An officer responded to a collision that had occurred on private property where the vehicle struck a tree and then left the area. After approximately 30 minutes, the officer was able to locate the subjects involved based on witness descriptions at a local establishment. The female subject admitted to driving the vehicle and appeared to be under the influence. Due to the elapsed time, she was arrested for leaving the scene of an accident and public intoxication. She was transported to the Al Cannon Detention Center. The male subject, who had been in the car with her, initially denied knowing her and refused to cooperate when asked for identification was issued a citation for hindering with a court date in the Isle of Palms Municipal Court.

#### Tuesday, March 27
