**MINUTES**

**1. Call to order**

Present: Council members Bell, Pounds, and Ward

Staff Present: Administrator Fragoso, Interim Chief Briscoe, Chief Swain

**2. Approval of previous meeting's minutes**

**MOTION:** Council Member Pounds made a motion to approve the minutes of the September 1, 2021 meeting, and Council Member Ward seconded the motion. The minutes passed unanimously.

**3. Citizens' Comments**

Mr. Josh Hooser, 5 Sandpiper Court, said that public comments about retaliating against people for their support of political candidates is unamerican. He also said that citizens do not understand how the committee process works in the City government. He said the process is hard to follow. He asked why the budgets of the Police and Fire departments are so lopsided.

**4. Highlights of Departmental Reports**

**A. Fire Department – Interim Chief Briscoe**

Interim Chief Briscoe said that while calls in September were down from September 2020, calls are up over 150 from this time last year. He reviewed the highlights of activity for the Fire Department including two fires, a motor vehicle accident involving a pedestrian, Fire Marshall Stafford's participation in the Wellness Fair, and the department's participation in a car seat safety check at Target. He said he has had the opportunity to meet with all Fire Department staff. He has also been meeting with local fire chiefs to discuss ways in which 1710 Standards can be brought to the IOP Fire Department without any additional costs to taxpayers.

**B. Police Department – Captain Swain**

Captain Swain reported there were 876 calls for service in September, 74 incident reports, 5 motor vehicle accidents, 296 traffic stops, and 45 arrests. There were 7 DUIs in September and 12 drug-related incidents.

He noted the new categories related to bike stops, golf cart stops, and calls for marine service now available on the monthly report. He reported the department issued its first ticket for a violation of the No Wake Zone.

He said a sick raccoon was sent to DHEC for testing was found to have distemper and not rabies.

Master Patrol Officer Jason Santulli was recognized as Employee of the Quarter for his active DUI enforcement and other recent arrests.

## **5. Old Business**

**MOTION: Council Member Bell made a motion to reorder the agenda to allow for the discussion of the Isle of Palms Connector to be discussed first. Council Member Pounds seconded the motion. The motion passed unanimously.**

### **A. Update and discussion of study of the modifications to the IOP Connector**

Council Member Bell said, “Our Secretary of Transportation is awarding the beach access group signs praising their, I’m going to call it what it is, assault on this community in the parking that I do not personally have any confidence of engaging with Secretary Hall for these studies commissioned by the City, and I think we as a community need to look at what we need to do for this community and do a bit of reassessment. I am going to ask Desiree to make this part of the public record because I think it is important. But when I see postings from Myra Jones who is head of the beach access group thanking her for awarding signs to say public beach parking at a time when we are trying to professionally engage with the State on a neutral relationship to make a determination as to what is best not just for this community but for Mt. Pleasant and surrounding communities to safely traverse that connector or any other associated issues regarding public safety. I am personally appalled by it.” He said this issue should be a discussion issue for the full City Council to decide how to move forward.

### **B. Discussion and consideration of proposed amendments to dog ordinance to include restriction of vicious or dangerous dogs**

Of the research done by Administrator Fragoso, Council Member Bell noted with interest that “most of our surrounding communities have definitions in place and they have fines in place, and they have registration in place for their, what are deemed as vicious or dangerous dogs.”

Administrator Fragoso noted that surrounding communities do not specify certain breeds as dangerous. Captain Swain said the adoption of this ordinance would help the Animal Control Services Officer who is permitted to write City ordinance tickets. It is also helpful in making the distinction between animal at large and viscous dogs.

**MOTION: Council Member Bell made a motion “that we have the City come forward with a statute that does provide definition and appropriate fines for enforcement with dangerous or vicious animals.” Council Member Pounds seconded the motion. The motion passed unanimously.**

**C. Discussion of speeding issues on the avenues and consideration of reducing the speed limit on the interior streets**

Administrator Fragoso said, “My recommendation would be for the Committee to consider presenting to City Council a resolution with a request to SCDOT to make that change, which would be all streets would be 25mph or less with the exception of those streets that are posted at 30mph, which at this point would be Palm Boulevard.”

She further explained, “What I am recommending is that the City submit a formal request through resolution to SCDOT so that they consider establishing a reduced speed limit on all roads on the island to 25mph with the exception of Palm Boulevard, which is 30mph.”

**MOTION: Council Member Ward made a motion to recommend the matter to full City Council. Council Member Pounds seconded the motion. The motion passed unanimously.**

Council Member Pounds noted this change should reduce a fair amount of “sign pollution” across the island.

**D. Discussion of enforcement of golf cart regulations**

Captain Swain said that Chief Cornett’s plan for golf cart education and enforcement this summer has been very effective. Administrator Fragoso added that the City has taken every opportunity to hand out additional educational materials to residents at City events. She also noted the Police Department’s efforts to engage with the public on this issue has been successful.

Chief Cornett is researching if the City can add any regulations to its current set about the proper restraint of children in golf carts.

**E. Update on coyote management efforts**

Administrator Fragoso said the City and its legal counsel are still reviewing ways in which the City can work with private property owners regarding the trapping of coyotes. Captain Swain said that coyote trapping season is December 1-March 30, and outside of that time, a trapping permit is required.

Council Member Bell asked if the City could reach out to Wild Dunes again about teaming up on this management effort.

**6. New Business**

**A. Discussion of and consideration of submitting request to SCDNR to reinstate the No Wake Zone on the Intracoastal Waterway**

Administrator Fragoso said this was discussed at the Real Property Committee meeting who asked if the Public Safety Committee could also look at it. Goat Island and IOP residents are asking for a year-round No Wake Zone, and they are looking for the City to support their request.

**MOTION: Council Member Bell made a motion to move the issue via resolution to City Council. Council Member Pounds seconded the motion. The motion passed unanimously.**

**B. Discussion beautification plan for Palm Boulevard**

Council Member Bell asked about SCDOT's commitment to revisit the beautification of the angled parking area along Palm Boulevard. Administrator Fragoso said that she and Chief Cornett do not believe it is time to remove the side bumpers yet as they have helped improve the parking conditions in that area "significantly." It would be possible to paint them.

Council Member Bell asked that the item remain on the agenda until it is dealt with.

**7. Miscellaneous Business**

Council Member Bell said, "I certainly don't want to see live music shut down anywhere. Desiree had requested of me yesterday morning that I add an agenda item because, and I don't even remember how many months ago, there had been some discussion about ensuring that front beach businesses, predominantly the Windjammer, was compliant to the ordinances the way that we had them currently on the books, and like most of our ordinances, they are a little messy. And there was the suggestion that we clean that language up to ensure that we could have live music at the beach compliant to the resolutions. This was nothing more than that. When Facebook lit up, and like I said, I got people calling me going, you know, what are you guys doing? I said look, this is an administrative item that was brought to my attention at the request of the City so that we could ensure that we were doing this properly. She called me later in the afternoon and said wow, what do you think? I just said take it off the agenda. I said none of us wants to stop live music at the beach. We have had a few complaints. I think we need to be cognizant of resident complaints. I think the businesses do the best, but you know the Windjammer's been there a long time."

He added, "What I would recommend is that if ordinances and code need to be cleaned up, and again, it won't be for me sitting here, for Desiree to go back and look at what the original intent was to make sure businesses that are compliant move it forward through either next month's Public Safety Committee or ongoing councils.

The next meeting of the Public Safety Committee will be on Wednesday, November 10, 2021 at 3:00pm.

**8. Adjournment**

Council Member Ward made a motion to adjourn, and Council Member Pounds seconded the motion. The motion passed unanimously. The meeting was adjourned at 3:57pm.

Respectfully submitted,

Nicole DeNeane  
City Clerk

## **MONTHLY REPORT OCTOBER 2021**

### **NOTABLE EVENTS / CALL HIGHLIGHTS**

- 10/02/2021 Firefighter Puckhaber and Volunteer Nestler assisted with the Isle of Palms Connector Run and Walk.
- 10/02/2021 Fire crews responded to the beach near Breach Inlet in regard to a shark trapped in a tidal pool. Fire personnel found an approximately 3-foot Bonnethead shark swimming around in a tidal pool. Firefighters were unable to relocate the shark but found the tidal pool to be large enough to accommodate the shark until the tide rose again. All units cleared from the scene and returned back to service.
- 10/03/2021 Battalion Chief Eagle, Engineers Gray and Heyward, and Firefighters Marlow and Sorger made an appearance at the Isle of Palms Recreation Center for a birthday party.
- 10/05/2021 Fire Inspector Travis Stafford, Captain Stickney, Engineers Helm and Micalizzi, and Firefighters Bullock and Luciano attended the City of Isle of Palms National Night Out at the Isle of Palms Recreation Center.
- 10/09/2021 Fire crews responded to a motor vehicle accident at 21<sup>st</sup> and Palm Boulevard which resulted in two people being injured. Fire department personnel assisted with medical attention and ensuring that there were no additional hazards in regard to the vehicles. All units cleared from the scene and returned back to service.
- 10/10/2021 Fire crews responded to a call of two boaters in a canoe reporting to be lost near the North end of Capers Island in the Santee Pass. Boat 1017 was launched. Once Fire personnel arrived in the area, they were able to hear the distressed boaters but could not get to them due to the shallow waters where they were located. Charleston County Sheriff's Office was called for them to respond in their airboat. Charleston County responded and were able to take the boaters to safety. All units cleared from the scene and returned back to service.

## **MONTHLY REPORT**

### **OCTOBER 2021**

- 10/14/2021 Fire crews responded to a possible structure fire on J.C. Long Boulevard. Upon arrival, Firefighters were informed that an electrical outlet had sparked and had flames and smoke emitting from it. Fire personnel found the outlet which had shorted and isolated it at the breaker box. All appliances were disconnected from the outlet as well. The manager was instructed to have an electrician fix the issue before restoring power to the outlet. The area was checked for any fire extension or other hazards. All units cleared from the scene and returned back to service.
- 10/20/2021 Captain Hall and Firefighter Hermosillo assisted an Island Resident on Cameron Boulevard back into their house after returning from the hospital.
- 10/21/2021 Interim Chief Briscoe; Deputy Chief Hathaway; Battalion Chief Eagle; Captain Hall; Engineers Bozman, Burnette, Heyward, Rousse, and Schwartz; and Firefighters Dmitriyev, Hermosillo, and Marlow participated in the Fall Market and Movie at the Isle of Palms Recreation Center. The Fire Department did submit a pumpkin which was carved by Firefighters Hermosillo and Luciano. The "Mad Scientist" also made an appearance to provide blood pressure checks for the public.
- 10/30/2021 Interim Chief Briscoe; Fire Marshal Stafford; Battalion Chief Eagle; Captain Hall; Engineers Burnette, Gray, and Micalizzi; and Firefighters Dmitriyev, Helm, Hermosillo, Marlow, and Sorger participated in the Halloween Parade and Carnival at the Isle of Palms Recreation Center. The new Engine 1002 participated in the parade route, with an appearance from Sparky the Fire Dog.

- CODE OF ORDINANCES  
Title 6 - HEALTH AND SANITATION  
CHAPTER 2. - ANIMALS  
ARTICLE B. DOGS

---

*ARTICLE B. DOGS*

**Sec. 6-2-11. Permit recommended; term.**

It is recommended that any person, resident or visitor, to own, keep, harbor or allow a dog within the City limits, exercise, walk, or allow a dog on public properties apply for a free permit from the City. Each permit shall be valid for one (1) calendar year commencing January 1 of each year, and no longer.

(Ord. No. 2019-14, § 1, 7-23-2019)

**Sec. 6-2-12. Certificate of vaccination required and presented prior to permit and tag issuance.**

No person shall own, keep or harbor any pet within the City, or be issued a permit, unless the pet has been vaccinated against rabies as provided herein.

- (A) Unless the pet has received (as evidenced by certificate) a vaccination from a licensed graduate veterinarian using a vaccine which is good for a period of one (1) year, provided the vaccine has been approved with the longer period of time specified by the State Department of Health and Environmental Control after consultation with the executive committee of the Association of Veterinarians.
- (B) A State Department of Health and Environmental Control certificate of pet rabies vaccination will be issued by a licensed graduate veterinarian for each pet, stating the name and address of the owner, the name, breed, color and markings, age, sex of animal and the veterinary or pharmaceutical control number of the vaccination.
- (C) Coincident with the issuance of the certificate, the licensed graduate veterinarian shall also furnish a serially numbered metal tag bearing the same number and year as is on the certificate. The metal license tag shall bear the name of the veterinarian and shall at all times be attached to a collar or harness worn by the pet for which the certificate and tag have been issued. Tags must be of the same color and shape when issued in offices of veterinarians.
- (D) The owner shall have a valid certificate of rabies vaccination readily available at all times for inspection by the animal control officer, law enforcement officer or the SCDHEC designee.
- (E) In the event that a rabies tag is lost, the owner shall obtain a duplicate tag within seven (7) working days.
- (F) A certificate of rabies vaccination issued by a licensed veterinarian from another state will be accepted as valid evidence provided it is less than a year from date of issue.
- (G) Rabies inoculation must be given by age four (4) months to all cats and dogs.

(Ord. No. 2019-14, § 2, 7-23-2019)

### Sec. 6-2-13. Removal of tag from dog prohibited.

No person shall wrongfully remove a tag from a dog registered as required by this article.

(Ord. No. 2019-14, § 3, 7-23-2019)

### Sec. 6-2-14. Running at large prohibited; exceptions; impoundment.

(a) No person owning, having an interest in, harboring or having charge, care, control, custody or possession of any dog shall cause or permit the dog to be off the premises of its owner or custodian, unless such dog is securely confined by a strong leash, securely and continuously held by a competent person owning, having an interest in, harboring, or having charge, care, control, custody or possession of the dog, or unless the dog is confined within a vehicle, within an enclosure surrounded by an adequate fence or within a house. Provided, however, that a dog owner or other person charged with the custody and control of a dog may allow the dog to roam at large on the beach between the hours of 4:00 p.m. to 10:00 a.m. from September 15 through March 31, and between the hours of 5:00 a.m. to 9:00 a.m. from April 1 through September 14. Such owner or custodian shall at all times be in close proximity to the dog, have a leash in hand, and have the dog under control. Nothing contained herein shall affect a dog owner or custodian's duty to comply with section 62-26 requiring the removal of animal excrement.

(b) It shall be unlawful for any person to cause, permit, accompany or be responsible for the presence of any diseased dog on the streets or public places of the City or allow the dog to run on the premises of another, at any time; unless and in addition to the other requirements of this chapter the dog shall be securely muzzled to effectively prevent it from biting any person or other animal.

(c) It shall be unlawful for any person to keep a vicious dog unless under restraint by a fence, chain, or other means so that the dog cannot reach persons not on land owned, leased, or controlled by him. For purposes of this section, "vicious dog" means any dog evidencing an abnormal inclination to attack human beings or domestic animals without provocation, but has not injured a human being or domestic animal.

(d) Any dog running at large or kept in violation of this section shall be impounded. The owner of a licensed dog shall be given notice that the dog may be claimed from the City kennel within three (3) days. A dog with no license or identification will be held in the City kennel for two (2) days. An owner claiming a dog must comply with all requirements of this article and pay to the City an impoundment fee as established by City Council. Dogs not claimed within the applicable holding periods will be transferred to the County SPCA for disposal.

(Ord. No. 2019-14, § 4, 7-23-2019)

### Sec. 6-2-15. Violation; penalties.

(a) It shall be unlawful for any person to fail to comply with the requirements of this article or to suffer or permit a dog to be a danger to the health, safety, or welfare of the public in violation of this article.

(b) In addition to any civil penalties provided in this article, a violation of any provision of this article is a misdemeanor punishable pursuant to section 1-3-66.

(Ord. No. 2019-14, § 5, 7-23-2019)

### Sec. 6-2-16. Dogs not to disturb protected species and habitats.

In addition to the requirements of section 6-2-14(a), no person shall allow a dog to disturb protected species and habitats, as follows:

**Deleted:** to comply with all state laws regarding vicious or dangerous dogs, or the duty

- (a) It shall be unlawful for any person to allow a dog to disturb nesting sea turtles, turtle nests or turtle hatchlings.
  - (b) It shall be unlawful for any person to allow a dog to enter into critical habitat areas which have been posted to prohibit such entry by the City or the State Wildlife and Marine Resources Department.

(Ord. No. 2019-14, § 6, 7-23-2019)

#### **Sec. 6-2-17. Dangerous dogs.**

##### (A) Definitions.

###### (1) "Dangerous dog" means:

(a) a dog with a known propensity, tendency, or disposition to attack unprovoked, cause injury, or to otherwise endanger the safety of human beings or domestic animals;

(b) a dog which makes an unprovoked attack that causes bodily injury to a human being or domestic animal;

(c) a dog which commits unprovoked acts and those acts cause a person to reasonably believe that the dog will attack and cause bodily injury to a human being or domestic animal;

(d) a dog which is owned or harbored primarily or in part for the purpose of fighting or which is trained for fighting.

(e) An animal which attacks a person who is trespassing or who is unlawfully on the premises of the owner is not a "dangerous dog."

(f) An animal is not a "dangerous dog" solely by virtue of its breed or species.

###### (2) "Owner" means a person who owns or has custody or control of the animal.

###### (3) "Injury" or "bodily injury" means (1) broken bones, (2) lacerations, (3) punctures of the skin, or (4) any physical injury resulting in death.

(B) No person owning or harboring or having the care or the custody of a dangerous dog may permit the animal to go unconfined on his or her premises. A dangerous dog is "unconfined" as used in this section if the animal is not confined securely indoors or confined in a securely enclosed fence or securely enclosed and locked pen or run area upon the person's premises. The pen or run area must be clearly marked as containing a dangerous dog and must be designed to prevent the entry of the general public, including children, and to prevent the escape or release of the animal. However, this section does not apply to a dog owned by a licensed security company and on patrol in a confined area.

(C) No person owning or harboring or having the care of a dangerous dog may permit the animal to go beyond his premises unless the animal is securely muzzled and restrained with a chain having a minimum tensile strength of 300 pounds and not exceeding three feet in length.

(D) Penalties.

(1) A person who violates paragraphs (B) or (C) of this section or who is the owner of a dangerous dog which attacks and injures a domestic animal shall be subject to a civil penalty of two hundred fifty (\$250.00) dollars for a first violation and five hundred (\$500.00) dollars for a subsequent violation. In addition, upon conviction of a first offense under paragraph (B) or (C) of this section, the owner will be required register the dog pursuant to paragraph (E) of this section.

(2) A person who is the owner of a dangerous dog which attacks and injures a human being shall be subject to a civil penalty of five hundred (\$500.00) dollars for each violation.

(3) A dangerous dog kept in violation of this section shall be immediately impounded. Impoundment shall continue until the resolution of the criminal charge and payment of all fines, fees and civil penalties.

(4) A dangerous dog which injures a human being or domestic animal may be ordered destroyed when in the court's judgment the dangerous dog represents a continuing threat of serious harm to human beings or domestic animals.

(5) A person found guilty of violating this article shall pay all expenses, including, but not limited to, shelter, food, veterinary expenses for boarding and veterinary expenses necessitated by the seizure of an animal for the protection of the public, medical expenses incurred by a victim from an attack by a dangerous dog, and other expenses required for the destruction of the animal.

(6) Nothing in this section is designed to abrogate any civil remedies available under statutory or common law.

(E) Registration. A person owning a dangerous dog shall register the animal with the City Police Department. The registration application must be accompanied by proof of liability insurance or surety bond of at least fifty thousand (\$50,000) dollars insuring or securing the owner for personal injuries inflicted by the dangerous dog.

(F) Notwithstanding any provision of this article to the contrary, the City's animal control officer or law enforcement officer shall be empowered to enforce the provisions of state law set forth under S.C. Code 1976, title 47, ch. 3, article 13, which are incorporated by reference as if fully stated herein. By virtue of the incorporation of state law into this chapter, the animal control officer or law enforcement officer shall be empowered to issue a uniform summons to the owner or keeper of a dangerous dog or to any person violating any provision of state law incorporated into this chapter.

# **STATE OF SOUTH CAROLINA – STANDARDIZED VEHICLE SPECIFICATIONS**

(Revised 8/09/21)

## **Introduction:**

The following specifications are applicable if they are listed as “Factory Installed Items” (included in the “Base Price”) or “Option Equipment” (Add or Deduct Pricing). If they are not referenced by the spec item name (example: “Tow Package”) in the individual vehicle spec, they do not apply.

Should it be necessary to deviate from a standard spec, the deviation(s) will be expressly stated within the individual vehicle spec. The individual vehicle spec takes precedence over the standardized vehicle spec. Unless defined otherwise in an individual vehicle’s specification, the following standardized specifications apply where applicable and as listed in each vehicle spec.

## **Important Notice:**

Contractors/vendors should review purchase orders carefully for items such as drawbar, pin, clip and shank configuration, as well as anything else needing further description for the order, as provided in the contract documents. They should notify the ordering governmental entity when needed information is missing. This office will require delivery of all specified items unless the ordering governmental entity provides specific notice of relief from same in writing. **These type items are to be included in the contract prices.**

<b><u>Specification Name</u></b>	<b><u>Description</u></b>
<b>Colors – Exterior</b>	<p>The cost for all factory-standard “no-charge” paints and factory-standard paint palette colors for additional charges, shall all be factored into the vehicle price as contracted.</p> <ul style="list-style-type: none"><li>• The State will not pay any additional color charges, unless a non-standard/premium color is requested by the purchasing agency.</li><li>• The colors white, black, gray and silver are all required colors for state contract pricing.</li></ul>
<b>Daytime Running Lights</b>	<p>If standard equipment, daytime running lights are to be made inoperable prior to delivery of vehicles purchased by and for law enforcement entities.</p>
<b>Engines - Diesel</b>	<p>For Diesel-powered vehicles and equipment, fuel system components and Diesel engines shall be compatible with B20 bio-diesel blends, minimum.</p>
<b>Engines – Gasoline/Unleaded/E10</b>	<p>For gasoline-powered vehicles and equipment, fuel system components and gasoline engines shall be compatible with E10 ethanol blends, minimum. These engines are to perform as follows:</p> <ul style="list-style-type: none"><li>• No noticeable degradation in vehicle drivability;</li><li>• Minimal impact on vehicle operating efficiency (defined to be no more than 10% decrease in fuel economy);</li><li>• Maintenance sensors and warning systems are to display normally (i.e. use of E10 is not to cause the check engine light to illuminate).</li></ul> <p><b>NOTICE:</b> The State of South Carolina has transitioned to the E10 Unleaded Fuel Blend. The fuel contracts reflect the same.</p>

<p><b>Floor Mats</b></p>	<p>Unless stated otherwise in the individual vehicle specifications, the following applies:</p> <ul style="list-style-type: none"> <li>• In vehicles with <u>carpeted</u> flooring, the manufacturer's vehicle-specific floor mats are to be supplied for all major seating points of the vehicle.</li> <li>• If a manufacturer is unable to supply floor mats for carpeted vehicles (i.e. due to specific vehicle packages), equivalent (in quality and fit) aftermarket mats must be provided for all major seating points.</li> <li>• In vehicles with <u>vinyl or heavy-duty rubber flooring</u>, floor mats are <b>not</b> to be provided, and may not be requested by the ordering governmental entity.</li> </ul> <p><b>NOTICE:</b> Should an individual vehicle's specifications with carpeted interior request rubber or vinyl floor mats, those mats will be of a high quality, heavy duty construction.</p>
<p><b>Four-wheel Drive (4x4) &amp; All-Wheel Drive (AWD)</b></p>	<p><b>4x4 Definition:</b> The State of South Carolina recognizes the definition of a 4x4 (four-wheel drive)-equipped vehicle as follows:</p> <ul style="list-style-type: none"> <li>• The vehicle is primarily rear-wheel drive, and equipped with locking differentials, low-range gearing, and is controlled by transfer case.</li> <li>• Power distribution is not distributed/vectored alternately between wheels by the vehicle computer.</li> <li>• The 4x4 system can be selected for 4x2/rear wheel drive, low, and high settings on part-time 4x4 vehicles (either by lever or electronic selection).</li> <li>• Full-time 4x4 vehicles do not have computer-controlled power vectoring to the wheels but may allow for low and high range selection.</li> </ul> <p><b>4x4 Package:</b> For vehicles equipped with 4x4 as defined above, the State requires the following to be provided on said vehicle:</p> <ul style="list-style-type: none"> <li>➤ Transfer case with auto locking hubs (operator may lock hubs without leaving the cab).</li> <li>➤ Factory installed protection for fuel cell and transfer case. Protection must be adequate to prevent puncture to either system.</li> <li>➤ Locking or limited slip differential or electronic traction control.</li> <li>➤ Suspension – all changes recommended by the manufacturer for 4x4 operation to be provided and completed.</li> <li>➤ All-terrain tires</li> </ul> <p><b>All-Wheel Drive (AWD) Definition:</b> The State of South Carolina recognizes the definition of an AWD-equipped vehicle as follows:</p> <ul style="list-style-type: none"> <li>• The vehicle computer controls the amount and timing of power distribution/vectoring to each of the wheels.</li> <li>• The driver does not have the ability to eliminate the computer's control of power distribution (variable mode options of an AWD system does not classify a vehicle as 4x4 instead of AWD).</li> <li>• The vehicle is typically always readily engaged in an All-Wheel Drive power distribution, whether or not the computer has selected all wheels to receive power at any given moment.</li> </ul> <p><b>AWD Package:</b> The State requires AWD vehicles to be fully equipped with all warranty-necessary suspension and protective devices as defined by the manufacturer.</p>

	<p><b>NOTICE:</b> The State of South Carolina does not consider AWD to be equivalent to 4x4. Therefore, AWD will not be accepted as a substitute for 4x4. Refer to individual vehicle specifications to determine if a vehicle must be either 4x4 or AWD, or if either option is acceptable for the individual vehicle spec.</p>
<p><b>Head Restraints</b></p>	<p>All outboard seating positions shall have factory installed head restraints via head rests or high back seats. The head restraints shall meet all requirements of US Department of Transportation, National Highway Traffic Safety Administration, and Federal Motor Vehicle Standards.</p> <p><b>NOTICE:</b> If head restraints are not available, the contractor shall provide each ordering governmental entity notification from the manufacturer verifying that head restraints are not available. If head restraints are available from the manufacturer as an optional item, they must be included in the offer and incorporated into the base price of the vehicle.</p>
<p><b>Keys</b></p>	<p>Three (3) ignition-capable (and programmed) keys and two (2) fobs/remotes are to be provided for each vehicle delivered.</p> <ul style="list-style-type: none"> <li>• The two (2) fobs/remotes are only required if the vehicle is equipped with power locks.</li> <li>• For manufacturers whose keys are an integrated key/fob, three (3) fully functional (ignition-capable) integrated key/fobs are required.</li> <li>• Cost for the key and fob sets are to be included in the base price.</li> </ul>
<p><b>Pickup Box Removal and Lamp Detection</b></p>	<p>Trucks provided with a pickup box removal shall have lamp detection turned “Off” to allow exterior turn signal lights and interior audible and/or visual turn signal indicators to work properly.</p>
<p><b>Privacy Glass -- Extended &amp; Crew Cab Pickups, Cargo &amp; Passenger Vans, Utility Vehicles</b></p>	<p>If “Privacy Glass” is required as part of the individual vehicle spec (or as an add-on item), for a qualifying vehicle class as defined below, the State of South Carolina defines privacy glass and its applicable vehicular location as:</p> <ul style="list-style-type: none"> <li>• Deep tint not to exceed factory standard option shading:</li> <li>• Only applicable to glass aft of the B pillar for the specifically defined vehicle classes within this spec.</li> </ul> <p><b><u>Qualifying Vehicles:</u></b></p> <ul style="list-style-type: none"> <li>• Extended and crew cab pickups</li> <li>• Cargo and passenger vans</li> <li>• Utility Vehicles – which are specifically on state contracts defined for SUVs</li> <li>• Crossovers</li> <li>• State contract law enforcement vehicles</li> </ul> <p><b>NOTICE:</b></p> <ul style="list-style-type: none"> <li>• Sedans, exclusive of law enforcement contracts, do not qualify for privacy glass.</li> </ul>

<p><b>Privacy Glass (Law Enforcement &amp; DNR) Vehicles</b></p>	<p>If “Privacy Glass” is required as part of the individual vehicle spec (or as an add-on item), for a qualifying vehicle class as defined below, the State of South Carolina defines privacy glass and its applicable vehicular location as:</p> <ul style="list-style-type: none"> <li>• Deep tint not to exceed factory standard option shading:</li> <li>• Only applicable to glass aft of the B pillar for the specifically defined vehicle classes within this spec, excluding rear windshield</li> <li>• Deep Tint not to recede minimum 27% allowance of light for glass fore the B pillar of the specifically defined vehicle, excluding windshield.</li> </ul> <p><b><u>Qualifying Vehicles:</u></b></p> <ul style="list-style-type: none"> <li>• State contract law enforcement vehicles</li> </ul>
<p><b>Radio Noise Suppression</b></p>	<p>Governmental fleet vehicles may have an approximate 150-watt mobile (two-way) radio installed, operating on the frequencies of 44-47 MHz as designated by the FCC (CFR 47, Part 90).</p> <p>To anticipate possible installation of such radio equipment, the vehicle shall be fully compatible with the above radio installation and all vehicle components and equipment shall not interfere with the operation (transmitting or receiving) of the mobile radio.</p>
<p><b>Rear View Camera Systems (All vehicles under 10,000 GVWR)</b></p>	<p>Vendor shall provide an installed rear view camera system complete with camera, cabling, and hardware meeting requirements of Federal Motor Vehicle Safety Standards (FMVSS) 111 Standard for rear vehicle visibility.</p> <p>The rearview camera system shall provide a compliant image from a factory standard screen. If available and not already standard, the ability to upgrade to an in-dash monitor shall be allowed through the cost + 10% charge when requested by the purchasing agency.</p>
<p><b>Step Bar – Entry/Egress</b></p>	<p><b><u>Definitions:</u></b></p> <ul style="list-style-type: none"> <li>• <b>Door threshold</b> – point of the vehicle where the driver &amp; passengers place their foot upon entering the cabin.</li> <li>• <b>Step Bar</b> – shall be a 3” diameter bully single, extended, or double step bar, or equivalent. <i>The bar must have a minimum weight capacity of 250 lbs. and must be of metal construction.</i></li> <li>• <b>Running board</b> – an elongated platform step that measures no less than six inches deep and must be installed to allow entry and egress from all side doors (including driver’s as measures dictate). <i>The board must have a minimum weight capacity of 250lbs.</i></li> </ul> <p><b><u>Method of Measurement:</u></b> From level ground (not including curbing), measure the vertical clearance from the ground to the threshold for each passenger and driver entry door as defined above.</p> <p><b><u>Spec for Vans (including Cutaways):</u></b></p> <ul style="list-style-type: none"> <li>• <u>Running boards</u>, as defined above, are required <u>at all doors where</u> the ground-to-threshold clearance exceeds <b>19”</b>.</li> <li>• The astern rear door is exempt from this spec.</li> </ul>
