NOTE 1: For illustrative purposes only the Marina Enterprise Fund is presented here in the same format as the other funds. For internal and external accounting and reporting purposes however, the Marina Fund follows the accounting rules of a for-profit business and includes proceeds from debt as a liability (not revenue) and capital additions as assets (not expenses).

NOTE 2: Other revenues include parking revenues, recreation fees, interest income, grant income, state shared funds, court revenues and marina rents.

NOTE 3: The large negative balance in the Capital Projects Fund relates primarily to the \$1.1 million Waterway Blvd multi-use path renovation and elevation.
