

## Isle of Palms Rental Revenue

Isle of Palms Rental Property Address: \_\_\_\_\_

Property Owner Name(s): \_\_\_\_\_

***\*\*Gross Rental Revenue, or gross rental income, is the total amount of money a property generates from rent before any expenses (including property management commissions, cleaning fees, maintenance, HOA fees, etc.) are deducted.***

2025 Management Company and/or Booking Site Information (attach an additional paper if needed)

Management Company or Booking Site Name

Gross Rental Revenue

Other 2025 Booking Totals Not Included Above (description)

Gross Rental Revenue

Total 2025 Gross Rental Revenue \_\_\_\_\_

**You are required to attach the “End of Year” reports from all property managers and/or booking sites used in 2025. If you had any rental revenue outside of a manager or booking site, please include a statement representing that revenue as well.**

Under penalty of perjury, I, \_\_\_\_\_ (name of property owner), declare that for the calendar year of 2025, the property listed above was only rented through the above named property management company(s), that there was not any additional rental income received, and that the submitted “end of year” reports include all rental income revenue for the property.
