Call Summary

May 2011

- 5/2/11 Personnel received a call via the portable radio from a staff member at the Charleston County Park in reference to a brush fire on 14th Avenue across from the park's entrance. Upon arrival the crew found a small area of pine straw burning. A hand line was pulled and the fire was extinguished.
- 5/9/11 Personnel responded to a residence on Morgan Place Drive for a report of smoke inside the building. Upon arrival crews found smoke on all three floors of the residence. A quick investigation showed a decorative wooden fish was left on the cooking surface of a gas grill, the burner had accidentally been turned on, and the flame ignited the decorative fish. The grill was turned off and the fish was removed from the grill. The residence was ventilated.
- 5/29/11 Personnel received a call to assist Charleston County EMS personnel with transport to Goat Island to evaluate a person complaining of chest pain and possibly transport them back to the Isle of Palms. Boat 3 responded, along with Chief Graham in a privately owned watercraft. Upon arrival the crew assisted EMS with carrying equipment to patient's location. EMS determined the patient would need transport to a hospital. The S.C. Department of Natural Resources was called to provide a boat for the safe transport of the EMS crew and their patient back to the Isle of Palms. Patient was transported to local hospital for further evaluation and treatment.
