Isle of Palms Fire Department
Call Summary
June 2012

6/9/12   Personnel responded to a report of a trash can on fire at the County Park. Upon arrival the crew found a small fire inside a trash can along the beach access path near the Sea Cabins. The fire was extinguished and all units returned to service.

6/11/12   Personnel responded to a report of a missing paddle boarder near Breach Inlet. The person who reported the incident said there was a group in the water and all had returned to the dock except for one individual. A jet ski was launched and after a short search the missing party was found in the waterway near the Isle of Palms Connector. He was not in any distress and the jet ski escorted him back to Breach Inlet.

6/14/12   Personnel responded to a report of a building collapse in the front beach area along Ocean Boulevard. Upon arrival crews found a large section of the facade covering the underside of the swimming pool at The Palms Hotel had fallen on to the sidewalk. After securing the area, personnel from the Building Department were contacted. Traffic and crowd control was provided by the Police Department, and the Public Works staff provided a front-end loader to pull down a piece of the facade still attached to the building. After securing all potential hazards, fire and building officials met with the property manager. The property manager had already contacted a contractor to remove the remaining facade, and clean up the sidewalk area. The street and sidewalk remained closed until all debris was removed. Once the scene was clear, all units returned to service.

6/23/12   Personnel responded to a report of people trapped in an elevator at a condominium complex on Palmetto Drive. Upon arrival the crew found two people in the elevator between the first and the second floor. The crew accessed the elevator shaft from the second floor, and was able to open the door and allow the people inside to get out. No further assistance was needed and all units returned to service.

Fire Chief
Isle of Palms Fire Department
30 J C Long Boulevard
Isle of Palms SC 29451

Dear Chief,

This past weekend my wife, Liz Buchanan, was an Honoree Marshall for the HOPE Run, on the beach. She was diagnosed with ALS in December of 2010.

The day before the race, I visited the Fire Station and met Eric Bolen. I asked him where I should park, for the race, Saturday evening, as my wife can walk, but not far. He told me to let him know when we got to the Fire Station, which I did. Eric then saw to our every need and made us feel welcomed. Liz is still learning to accept help from others and Eric was very attentive to her needs.

We just wanted you to know that Eric's service to us, that day, did not go unnoticed.

Thank you,

Buck & Liz Buchanan

Chief Buckhannon and Chief Graham,

I wanted to take a moment and thank both of your Departments for there prompt actions today and the swift return of a student of mine that decided to go in the opposite direction of his buddy and the rest of class. Within 5 minutes of informing your office there was a jet-ski and boat in the water looking for my student. Within 10 minutes he had been spotted and was on his way back to the dock.

Your men displayed a calm and confident demeanor and were respectful to all those involved. I really appreciate how this situation was handled from start to finish.

Thank you again for the professionalism displayed today and the successful return of my wayward student.

Respectfully,

Tom
