Isle of Palms Fire Department

Call Summary

March 2012

- 3/13/12 Personnel responded to Hidden Bridge Drive in Mount Pleasant to assist the Mount Pleasant Fire Department at a structure fire. Rescue 1001 responded to the mutual aid request to refill air cylinders being used at the fire. After filling the air cylinders, Rescue 1001 was released by the incident commander and returned to the station.
- 3/15/12 Personnel responded to a reported structure fire on Palm Boulevard. Upon arrival crews observed heavy, dark smoke coming from the rear of the residence. As crews approached there was a bystander using a garden hose to control a fire on the back porch. Personnel finished extinguishing the fire that had started due to hot charcoal left in a grill on the porch. After checking further crews found that some fire had extended into the chimney box on the exterior of the residence. There was no extension to the interior of the residence. The chimney box was thoroughly overhauled and all fire extinguished. A property manager arrived on scene and was advised to have the chimney inspected prior to it being used again. All units returned to service.
- 3/18/12 Personnel were dispatched to a structure fire on 42nd Avenue. Once all units were en route, the dispatcher advised the call was actually on 22nd Avenue. When units arrived on 22nd Avenue they could not find a fire, but then noticed smoke coming from the rear of a residence on 21st Avenue. Upon arrival crews confirmed a working fire at the rear of the building possibly due to a lightning strike. Personnel quickly confirmed that no one was in the residence and initiated fire attack from the exterior. Once additional personnel arrived on scene the hose line was advanced into the rear of the building and the remainder of the fire was extinguished. Crews placed salvage covers in the area of origin and began overhaul. A thorough check of all areas adjacent to the area of origin revealed no hidden fire. All utilities were secured and all units returned to service.
- 3/24/12 Personnel responded to The Villages, Building B, in Wild Dunes for a report of five people stuck inside a malfunctioning elevator. Upon arrival crews received information that the malfunction was due to a power surge in the area and confirmed that five female occupants were inside the stalled elevator car. The elevator's exact location was determined, power was secured, and access to the elevator shaft was gained from the floor above. Personnel lowered a portable ladder into the elevator car and assisted the victims out and up to the floor above. All parties denied any need for medical attention and all units returned to service.
- 3/29/12 Personnel responded to Causey Pond Road in Awendaw for a mutual aid structure fire. Upon arrival the crew assisted the Awendaw Fire Department with overhaul operations. Once the assignment was complete, all personnel were released by the incident commander.

Isle of Palms Fire Department
Training Report
March 2012

<u>Career Personnel</u>		<u>Volunteer Personnel</u>	
Total Training Hours	1496.75	Total Training Hours	147.00
Hours Per Person	40.50	Hours Per Person	14.70

Additional Training

All career personnel participated in a high-rise fire attack drill and a walk-through of the Isle of Palms Water and Sewer facilities. They also received training on building construction and apparatus operation safety.

Medical in-service training covered Shock, Medical Overview, Respiratory Emergencies, Neurologic Emergencies, and Geriatric Emergencies.

All volunteer personnel received their annual CPR refresher training, and conducted special operations vehicle and beach access familiarization.

Battalion Chief Bob Maibach taught the S.C. Fire Academy's new Truck Company Operations for Residential Occupancies course as part of the Charleston County Recruit School program being held at the North Charleston Fire Department. This two-day class further prepared recruits for handling truck company functions at a residential structure fire.

Captain Roger Eagle successfully completed the two-day S.C. Fire Academy course Introduction to Wildland/Urban Interface Firefighting held at Hampton County's Fire Station No. 50.

Engineers Dana Burnette and Dave Micalizzi attended the S.C. Fire Academy's annual Southeastern Fire School. The two-day event offered multiple training opportunities in various subject areas and was held on the campus in Columbia.

Firefighter Tyler Richardson successfully completed the S.C. Fire Academy's Rope Rescue Low Angle Operations course at the Berkeley County Emergency Services Training Center in Moncks Corner.

Firefighters Tywan Heyward and Beth Martin successfully completed the National Fire Academy's Preparation for Initial Company Operations course held at the Isle of Palms Public Safety Building. The two-day class, taught through the S.C. Fire Academy, was led by Battalion Chief Bob Maibach.

Firefighter Tyler Richardson successfully completed the S.C. Fire Academy's five-day Pump Operations I course held at the St. John's Fire Department.

The volunteer roster is currently at 10 members.

Isle of Palms Fire Department
Public Relations Report
March 2012

- 3/17-19/12 All personnel collected donations for the Carolina Childrens' Charities at the intersection of Palm Boulevard and 14th Avenue.
- 3/18/12 Engineer Puckhaber conducted CPR training at Fire Station No. 1 for the employees of Kids Towne in Mount Pleasant.
- 3/19/12 Battalion Chief Tetor, Engineer Bolen, and Firefighter Mello, responded to a residence on 22nd Avenue to assist a person who had fallen, but was not injured. Upon arrival, the person was assisted from the floor to their bed and all units returned to service.
- 3/24/12 Battalion Chief Gadsden, Engineers Bolen and Giddens, and Firefighters Mello and Richardson, conducted a station tour for seven people visiting from Mount Pleasant.
- 3/27/12 Battalion Chief Tetor, Engineers Bolen and Giddens, and Firefighters Mello and Richardson assisted a motorist with a flat tire across the street from Fire Station No. 1. The crew was able to fill the tire so the driver could get to a repair shop.
- 3/28/12 Firefighters Hall and Heyward went to the beach access path at 21st Avenue and removal an accumulation of sand from the boardwalk so visitors utilizing wheelchairs could get to the beach.

Volunteer members of the department have begun a project to relocate the beach access signs and gather GPS data for all beach access paths to be supplied to the Consolidated Dispatch Center.
