Isle of Palms Fire Department
Call Summary
August 2013

- 8/7/13 Personnel responded to the water in the area of Dewees Island for a report of a swimmer in distress. The initial arriving units were unable to obtain a visual on the swimmer and all notifications were made, and mutual aid was requested. Units from the Dewees Island and Awendaw fire departments, Charleston County EMS, Charleston County Sheriff's Office, and U.S. Coast Guard all provided support for the search. After about 90 minutes the swimmer was found on the Isle of Palms and in no distress. He was returned to his family. All units returned to service.
- 8/9/13 Personnel responded to the water behind Mariner's Walk for a report of a missing person last seen on a sand bar. Upon arrival crews launched two jet skis and began a search northward. Watercraft from the North Charleston Fire Department, Charleston County Rescue Squad and the Charleston County Sheriff's Office were dispatched to assist. As the search continued one of the missing person's friend found them in the pool area of their condominium complex. The search was called off and all units prepared to return to service. A second party approached the Fire Department personnel and reported two missing children in the same general area. The search was resumed. Charleston County EMS provided medical assistance to the mother of the missing children during the search. After a brief search, the children were found in the area of their condominium complex. The search was concluded and all units returned to service.
- 8/27/13 Personnel responded to a report of a large dumpster on fire near a home in Ocean Point. Upon arrival crews found a large dumpster with an active fire inside, but not threatening any adjacent buildings. A water supply was established and crews extinguished the fire. After ensuring all fire had been extinguished, crews were returned to service.
- 8/30/13 Personnel responded to the beach in the 900 block of Ocean Boulevard for an individual who had been pulled from the water and was having trouble breathing. The patient was found in the high tide line near the beach access path. He was placed on oxygen and a full assessment was done. The patient was transported from the beach on Rescue 1002 and care was transferred to Charleston County EMS for transport to East Cooper Hospital.
