Isle of Palms Fire Department

Call Summary

July 2013

7/5/13 Personnel responded to a reported boat accident involving a dock behind the 2500 block of Waterway Boulevard. Upon arrival crews found two patients with obvious traumatic injuries as a result of the accident. Both patients were treated, packaged, and transported by EMS for further treatment.

7/6/13 Personnel responded to a residence on Yacht Harbor Court to assist a patient who was pinned under a boat trailer. Upon arrival crews found that the boat trailer had fallen on the victim and pinned him to the ground. The trailer was removed and the patient's injuries were assessed. He was packaged and transported by EMS for further treatment.

7/16/13 Personnel responded to a report of a missing person, possibly in the water near the 25th Avenue beach access. Upon arrival all information was gathered, and a search of land and water was initiated. Watercraft was launched and personnel from multiple agencies performed an extensive land search. As darkness approached, fire department watercraft were pulled from the water due to safety concerns, and a request for assistance from the U.S. Coast Guard was made. Coast Guard officials launched a small boat and a helicopter. North Charleston Fire Department Marina 201 also responded to assist. Both larger boats performed a coordinated search of the waters from Breach Inlet to Dewees Inlet. The land search eventually focused on the sand dunes and the individual was found in a depression behind a sand dune near the 24th Avenue beach access. Medical treatment was given and the patient was transported by EMS.

7/19/13 Personnel responded to assist the Dewees Island Fire Department with a patient that had been thrown from a jet ski. Upon arrival the crew took over patient care and packaged the patient for transport back to the Isle of Palms Marina. Once back at the marina, the patient was turned over to EMS for transport.

7/24/13 Personnel relocated Engine 1001 to Awendaw Fire District Station No. 1, while Awendaw personnel were on scene of a structure fire. Once all units were back in quarters, Engine 1001 returned to the Isle of Palms.

7/27/13 Personnel utilizing Boat 1020 transported law enforcement officials from Isle of Palms and the Charleston County Sheriff's Office to Goat Island to investigate a noise complaint. Upon completion of the incident, all personnel returned to the Isle of Palms.
