Call Summary

June 2013

6/24/13 Personnel responded to a report of a body floating in the water near the Isle of Palms. Crews arrived on scene and launched watercraft to the area where the report originated. After an extensive search that involved numerous agencies including the U.S. Coast Guard, the Charleston County Sheriff's Office, Sullivan's Island Fire Department, Charleston County Rescue Squad, Isle of Palms Police Department, and the Charleston Police Department, the search was discontinued after no body was found. All units returned to service.

6/24/13 Personnel responded to a report of two swimmers being swept out to sea behind Property Owner's Beach House. Upon arrival crews gained a visual of the swimmers and launched watercraft to assist. Both swimmers were retrieved and brought back to shore. All units returned to service.

6/30/13 Personnel responded to a 17-year-old male swimmer in distress near the north end of Isle of Palms. While en route, the dispatcher announced that a 45-year-old male swam out to assist the 17-year-old.

Upon arrival, Isle of Palms Fire Department personnel found the 17-year-old male was out of the water and the family had lost sight of the 45-year-old male. Under the command of Captain Roger Eagle, without delay and in waves breaking at 4 to 5 feet, Engineer Dana Burnette, Firefighter Dana McLoughlin and Firefighter Tyler Richardson launched a fire department personal watercraft (PWC) with a sled attached. Firefighter McLoughlin and Firefighter Richardson proceeded towards the last known location of the victim.

Firefighter McLoughlin was operating the PWC and Firefighter Richardson was riding on the sled. The victim was quickly located face down in the ocean. At great risk to his personal safety, Firefighter Richardson entered the water in order to flip and retrieve the victim. Firefighter Richardson was pulled under the water by the weight of the victim.

Firefighter McLoughlin was thrown from the PWC in to the turbulent water and swiftly remounted the PWC enabling him to return to Firefighter Richardson and the victim. While battling heavy seas, rough surf and strong currents, Firefighter Richardson managed to grab the victim's clothing as he was descending in the water. Firefighter Richardson held on to the victim with one hand and held on to the sled with his other hand as Firefighter McLoughlin skillfully operated the PWC back to shore.

Engineer Trevor Speelman and Engineer Chris Fassos assisted getting the victim from Firefighter Richardson to the beach where Engineer Chris Puckhaber, Engineer Burnette, and Charleston County Paramedic Greg Samuelson performed CPR until Charleston County EMS arrived on scene.

I fell. All of you were wonderful.
had stitches in my head
but nothing else broken. I am
doing pretty good but had another
fall out on driveway, took a
chip out of ankle bone. I am getting
around pretty well than twice in ER.
Thanks again

Thank you again for your generosity and hospitality when my wife, Gary and friends Peter and Shirley stopped by your station near the marina on Friday, May 24.

I can second feel your passion and commitment to your job. All of the people of ISB should be thankful that you returned to fire service.

Thanks again Chief! Keep your passion - hold onto it - and keep doing the right things for the right reasons. My best to you and yours. Jim Hamberg - Mayor
