Isle of Palms Fire Department

Call Summary

August 2015

- 8/6/15 Personnel responded to a residence on Ocean Boulevard for a report of a lightning strike. Upon arrival there were no signs of smoke or fire, and crews began to investigate. A thorough check of all three floors was performed and the only finding was an inoperable HVAC unit. No exterior damage to the building was found. The power was secured to the HVAC unit and the occupants were advised to contact a repair service.
- 8/8/15 Personnel responded to the beach behind 2500 Palm Boulevard for a report of multiple swimmers in distress. Upon arrival crews found five individuals floating approximately one mile from shore, but not in any apparent distress. Mutual aid was requested from Sullivan's Island for a jet ski, while Jet Ski 1001 and 1002 were launched. Personnel met with all parties and determined that they were too far from shore to return safely on their own. Each swimmer was given a personal flotation device and personnel utilized the jet skis to return all individuals back to shore.
- 8/12/15 Personnel responded to a residence on Seagrass Lane for a possible suicide. Upon arrival crews found an individual in cardiac arrest. Personnel initiated basic life support until the arrival of Charleston County EMS. The patient was transported to a medical facility where it was determined they had succumbed to their injuries.
- 8/15/15 Personnel responded to the beach at the end of Sand Dune Lane for a possible swimmer in distress. Upon arrival crews gained a visual on a small inflatable boat in the water. There were no individuals in or around the boat. The boat eventually washed ashore between 9th and 10th Avenues and recovered by the Fire Department. The U.S. Coast Guard was called and a search was initiated. Water vessels from Isle of Palms, Sullivan's Island, Charleston, and North Charleston fire departments combined with the Charleston County Sheriff's Office and the S.C. Department of Natural Resources aided in the search. A Coast Guard helicopter also was launched. After speaking with witnesses in the area and conducting a thorough, systematic search it was decided to discontinue the search unless additional reports were received.
- 8/30/15 While at the City Marina on another emergency call, an individual reported that a boat docked at the marina was taking on water. Crews found a 24-foot vessel taking on water and personnel set up the dewatering pump to remove the water. The owner was contacted and he responded to the scene. After the water was removed the vessel was turned back over to the owner.

Additional Training

All personnel received training on personal protective equipment, firefighter safety, and equipment familiarization.

Medical in-service training covered Workplace Safety and Wellness; Medical, Legal, and Ethical Issues; and Communication and Documentation.

The Department began their transition to the Target Solutions web-based training system. This NFPA and ISO required training program will enhance our training operations.

Battalion Chief Maibach attended a seminar at the S.C. Fire Academy entitled "New Fires, So What?" that reviewed all of the recent research into fire behavior and proper tactics.

The volunteer roster is currently at 3 members.
