Isle of Palms Fire Department
Call Summary
June 2015

- 6/10/15 Personnel responded to the area of the Boardwalk Inn to assist with a person who had been assaulted during a hostage situation. Crews arrived and stood by with EMS until the Police Department could clear the scene. Once the scene was secured, personnel assisted EMS with patient care. Personnel requested a chaplain to respond, and remained on scene until the chaplain arrived.
- 6/15/15 Personnel received a call at Fire Station No. 2 from the S.C. Department of Natural Resources about a boat running aground with an injured party on board. Boat 1020 was launched and responded to the area of the Intracoastal Waterway and Breach Inlet. Upon arrival they found a 32-foot vessel on a sand bar. The patient was transferred to Boat 1020 for transport back to the City Marina where they were transferred to Charleston County EMS for transport.
- 6/19/15 Personnel responded to a report of a structure fire on 22nd Avenue. Mutual aid was requested when the first unit on scene reported fire through the roof on the B-side of the building and smoke coming from the eaves. A transitional attack was initiated to knock down the large volume of fire on the outside of the building, while another crew prepared to enter the building. A water supply was established and an attack crew entered the building once the fire was knocked down. A positive pressure ventilation fan was set up at the front door, utilities were secured, and salvage and overhaul was initiated. Once the fire was extinguished an investigation into the cause and origin of the fire was done. All units returned to service.
- 6/22/15 Personnel responded to a report of an outside fire involving a structure on Waterway Boulevard. Upon arrival crews found fire damage to an outside light on the A-side of the structure. The top of the lamp was heavily damaged. Power was shut off at the breaker panel and a small hole was made in the drywall directly behind the lamp to check for any fire extension. No fire extension was found. The entire house was checked for signs of fire and no further hazards were found. The resident was told to leave the power off until it could be checked by an electrician. Personnel also replaced both of the home's smoke detectors, which were inoperable. All units returned to service.
- 6/23/15 Personnel responded to a report of a vehicle fire next to the Villages in Wild Dunes. Upon arrival crews found a van fully-involved in fire. The crew pulled a 1 ¾-inch attack line and extinguished the fire. The scene was turned over to the Police Department and all units returned to service. One firefighter received several, small 2nd degree burns through their turnout gear. The gear was sent off for evaluation and possible repair.

Isle of Palms Fire Department

Call Summary

June 2015

- 6/25/15 Personnel responded to a residence on 26th Avenue for a report of a water leak. Upon arrival crews found water entering the home due to a rain storm. The roof was being worked on and was left uncovered prior to the storm. Personnel found water coming from the ceiling in most of the rooms in the home. Crews placed salvage covers over the family's belongings and called South Carolina Electric and Gas to come to the scene to secure the power. The family was displaced for the night. All units returned to service.
- 6/30/15 Personnel responded to a report of a shark bite at the Charleston County Park. Upon arrival the crew found a 12 year old patient sitting in an ATV while county park personnel provided care. The patient stated he thought he was bit by a shark. There were circular lacerations and minor bleeding to the inside of his left knee. The wound was bandaged and the patient was taken to a medical facility by his mother.

FIRE INSPECTOR

Dustin Bruce

Isle of Palms Fire Department
Training Report
June 2015

<u>Career Personnel</u>		<u>Volunteer Personnel</u>	
Total Training Hours	1029.00	Total Training Hours	0.00
Average Hours Per Person	29.40	Average Hours Per Person	0.00

Additional Training

All career personnel received training on fireground operations, personal protective equipment, and fire hose.

Medical in-service training covered Face and Neck Injuries, Head and Spine Injuries, and Chest Injuries.

Battalion Chief Bob Maibach attended a one-day seminar entitled "Combat Ready Firefighting" presented by Battalion Chief Nick Martin of the Columbia Fire Department.

Fire Inspector Dustin Bruce attended the Quarterly Training for Fire Marshal's session held at Colleton County Fire-Rescue Station 19 in Walterboro.

Firefighter Curtis Helm successfully completed the National Incident Management System/Incident Command System course held at the Summerville Fire Department.

The volunteer roster is currently at 4 members.
