Isle of Palms Fire Department
Call Summary
July 2017

- 7/1/17 Personnel responded to Breach Inlet to assist Sullivan's Island Fire Department with a water rescue for an individual who got stuck on a sandbar. Jet Ski 1001 was launched and was able to retrieve the individual who was taken back to the beach. No further assistance or medical care was needed. All units returned to service.
- 7/1/17 Personnel responded to Palm Boulevard and the Isle of Palms Connector for an auto accident. Crews found one patient with complaints of neck and back pain as a result of a rear end collision. The patient was treated with full spinal precautions and transported by Charleston County EMS for their injuries. All units returned to service.
- 7/2/17 Personnel responded to Sullivan's Island beach at Station 30 for a report of four people in distress in the surf. Jet Ski 1001 was launched along with Sullivan's Island Fire Department watercraft. All four individuals were found on a sandbar with a rapidly rising tide. All water assets assisted in bringing the individuals to safety. No further assistance or medical care was needed. All units returned to service.
- 7/2/17 Personnel responded to the 300 block of Carolina Boulevard for a possible outside fire. Upon arrival crews did not find any sign of fire showing. During a more thorough investigation, personnel found smoke coming from a hole in the ground. It was found that the hole was from a buried electrical box. SCE&G was notified of the issue and fire crews placed a caution tape barrier around the site. All units returned to service.
- 7/7/17 Personnel responded to a boater in distress in the Intracoastal Waterway. The boater stated that he had run aground approximately 15 minutes north of the Isle of Palms Marina. Boat 1020 was launched and made contact with the individual. Access to the distressed boater was limited so the Charleston County Rescue Squad was requested to respond with an air boat. Once on scene, Charleston County was able to assist the stranded boater onto their vessel and return him to the Isle of Palms Marina. No further assistance or medical care was needed. All units returned to service.
- 7/11/17 Personnel responded to a report of a structure fire on Wills Way. Upon arrival crews were met by the homeowner who stated that smoke was coming from around the home's thermostat. Fire crews removed the thermostat and found that the fuses in the back of the thermostat had burned. Firefighters checked for any heat or flame extension which may have been caused by the incident, but found none. The homeowner was advised to have a qualified professional install a new thermostat. All units returned to service.

Isle of Palms Fire Department

Call Summary

July 2017

- 7/16/17 Personnel responded to Ocean Point for an electrocution resulting from a lightning strike. Upon arrival crews found multiple patients who had been struck at the same time while walking on a boardwalk. The patients had been assisted into a nearby residence. Four patients were treated for minor burns, lacerations, and other injuries resulting from the lightning and transported by Charleston County EMS to the hospital. All units returned to service.
- 7/22/17 Personnel responded to Bullyard Sound near Dewees Island for a report of a 36 foot vessel that had run aground and was taking on water. Boat 1020 was launched and was able to reach the distressed boaters. Two individuals, two dogs, and the majority of their belongings were loaded onto Boat 1020. The boaters stated that their anchor had locked-up and would not drop. They also advised that their vessel's batteries were dying and that the boat was low on fuel. The bilge pumps were working, but they feared that the pumps would not be able to keep up with the increasing water for long. All parties were returned to the Isle of Palms Marina. The United States Coast Guard was advised of the situation and location of the abandoned boat. No further assistance or medical care was needed. All units returned to service.

Fire Inspector

Travis Stafford

7/10/2017 Put a Knox Box at Carroll Realty in service.

7/11/2017 After minor structure fire, smoke detectors were found not to work. Helped home owner with installation of new detectors.

7/12/2017 Marked several fire hydrants that had clearance issues for cleanup.

7/13/2017 Inspected draft fan installed on type 2 hood at New York Butcher Shop.

7/17/2017 Followed up on exit lights being installed in 1202 and 1204 Palm.

Entered in Fire House new Occupancies.

Consulted Connie Smith of Sentry Management and Laurie Shuler of Property Management Services about the post on the emergency access sidewalk on Morgan Creek.

Added Occupancies to Fire House.

7/21/2017 Went to Ben and Jerry's and talked to Andrew Lee about violations and Knox Box.

7/24/2017 Talked to Circle K maintenance about CO2 detector.

7/25/2017 Met with Sentry Management and Morgans Creek Homeowners President about emergency access sidewalk post.
