Subj.: MONTHLY REPORT for MAY 2009

Date: JUNE 2, 2009

The following is a synopsis of some of the activities of the Isle of Palms Police Department during the month of May 2009.

## Patrol

May 2, 2009 A citizen reported a domestic dispute on Ocean Boulevard in the business district and advised that the female half of the altercation left the area in a vehicle heading toward the Connector. Officers investigated and made the determination that the dispute was verbal in nature requiring no further action by police.

May 2, 2009 Police responded to a Carolina Boulevard residence where a dispute had been reported. Officers separated the two parties involved and made arrangements for a guest in the residence to take a taxi to a Mount Pleasant hotel for the rest of the evening.

May 2, 2009 An officer recognized a male subject at a local convenience store as a person he knew that the police department had an outstanding Arrest Warrant for. The officer made contact with the subject and confirmed that he had an active Arrest Warrant for Petit Larceny. He was taken into custody and also charged with 2 counts of NRVC for two unpaid traffic tickets.

May 3, 2009 A boyfriend reported to police that his girlfriend had sent him several alarming text messages from her cell phone giving indications that she wanted to end her life. Police and fire personnel searched the beach area with negative results. Later in the day the boyfriend made contact and brought her to the fire station on JC Long Boulevard. The girlfriend refused to be evaluated, but due to the serious content of the messages sent by her, a police officer took her into Emergency Protective Custody. She was transported by EMS for a psychiatric evaluation.

May 4, 2009 An officer responded to a fire reported on the second floor at Port O' Call in Wild Dunes. The officer assisted in evacuating two floors of occupants then provided traffic and crowd control until the fire department departed the scene.

May 5, 2009 Officers responded to a residence on 56<sup>th</sup> Avenue for a medical assistance call to the fire department. A male subject present had visible lacerations to his neck and forearm. Due to his bizarre explanation to the cause of his injuries, and actions exhibited in the presence police, fire and EMS personnel, he was taken into Emergency Protective Custody, and transported to a local hospital for psychiatric evaluation.

May 6, 2009 A couple walking on the beach between 23<sup>rd</sup> and 24<sup>th</sup> Avenue reported an unconscious female subject lying in the dunes, with a pill bottle and alcoholic beverage next to her. Responding officers spoke to the subject and determined that she intended to end her life and placed her into Emergency Protective Custody. She was transported to MUSC for a psychiatric evaluation.

May 7, 2009 A visitor from North Augusta, Georgia reported numerous fraudulent credit card charges on her credit card, totaling almost \$1,500. The victim stated that she believed a waitress at a front beach restaurant is responsible. The victim provided all necessary bank statements and an Investigator has been assigned the case.

May 7, 2009 Officers responded to a residence on Palm Boulevard regarding a domestic dispute between a mother and her teenage daughter. The mother allegedly assaulted the daughter by pulling her hair, pushing her down and choking her for playing a computer game. The mother also had a swollen eye and some bruises. The daughter was brought to police headquarters where fire department and EMS personnel treated her. Due to the appearance of mutual combat, and for the safety of the daughter she was taken into Emergency Protective Custody and later to the custody of the Department of Social Services. During the investigation an Arrest Warrant for the mother was located from the state of Colorado, but extradition from South Carolina was refused.

May 7, 2009 A Sullivan's Island police officer requested that a Datamaster certified officer operate the Datamaster machine for a subject that he had in custody, suspected of DUI. The officer activated the equipment and after the twenty- minute observation period the subject refused to provide a sample.

May 8, 2009 A Goose Creek Police Department Investigator requested that we go to a residence on the Isle of Palms where a person that was wanted by their agency was suspected of living. Once the Arrest Warrant was verified officers went to the 25<sup>th</sup> Avenue residence, located the suspect and placed him under arrest. He was later turned over to the custody of the Goose Creek officer.

May 9, 2009 Officers responded to a Forest Trail residence where a domestic dispute had been reported. The dispatcher reported hearing glass breaking in the background while speaking to the male complainant. Responding officers determined that an injury to the female subject was self- inflicted. She refused medical treatment from fire department

and EMS personnel. The male subject was allowed to leave the residence to avoid further incident.

May 11, 2009 Officers responded to a residence on 24<sup>th</sup> Avenue where a citizen reported a possible break-in in progress. The responding officers encountered a female subject at the residence attempting to remove items from the home. It was determined that her estranged husband has sole control of the home as indicated in a court order. The female subject was escorted from the property without further incident.

May 11, 2009 A Sullivan's Island police officer requested assistance with a combative female subject, who was attempting to kick out the windows of his patrol vehicle. The subject was treated for lacerations to her knee and arm. The suspect was then transported to the Detention Center.

May 16, 2009 A resident of Sand Dollar Drive reported that someone had entered his garage area and stole almost \$7,000 worth of personal items from his vehicle. The suspect apparently made several purchases with some of the victim's credit cards in North Charleston, which resulted in the suspect being identified. Several other auto break-ins were reported around the Isle of Palms and it is believed that the suspect identified is also responsible for those. An Investigator has been assigned the case and has already obtained six Arrest Warrants for the suspect.

May 18, 2009 Officers met a female subject in a parking lot on 41<sup>st</sup> Avenue after she reported being assaulted by her husband in the vehicle while she was driving to work. The husband fled the scene prior to the arrival of officers and officers were unable to locate him. A Detective responded to the scene to obtain a written statement from the victim. The Investigator prepared an Arrest Warrant for Criminal Domestic Violence, which was immediately signed by a judge.

May 19, 2009 The North Charleston Police Department notified this agency that they had a person stopped that had three outstanding Arrest Warrants from the Isle of Palms Police Department. An officer went to North Charleston to assume custody of the subject, who was arrested for an April 16, 2009 incident on Ocean Boulevard. The subject was charged with Lynching 2<sup>nd</sup> degree, Malicious Damage to Property, and Petit Larceny, and transported to the Detention Center.

May 21, 2009 A contractor returning to his Hartnett Boulevard jobsite reported that his utility trailer containing all of his tools for the job was gone from the rear of the residence. He stated that the trailer was locked with a tongue lock the previous evening before leaving the site. The victim is in the process of providing the serial numbers of his tools in an attempt to identify them if they are recovered.

May 22, 2009 Just before 5 A.M., fire department and police personnel responded to a vehicle fire of a vehicle parked in front of a residence on Charleston Boulevard. Visitors to the island had the car packed for their return trip home in the morning. The vehicle, a 2007 Audi SUV and its contents were a total loss.

May 23, 2009 Officers responded to the area of Palm Boulevard and 20<sup>th</sup> Avenue, where an accident had been reported. Officers encountered an overturned SUV lying on its roof. Two female subjects who had been in the vehicle were located and evaluated for injuries. The driver stated that she hit a curb then hydroplaned on the wet road then overcorrected the steering wheel causing the vehicle to turn over. Since the driver had a strong odor of alcohol, she was administered several Field Sobriety Tests, then transported to headquarters for a Datamaster Test, where she registered a .12% level of alcohol. Due to the driver's age, she was cited for Zero Tolerance and Reckless Driving then released to the custody of her parents.

May 24, 2009 Officers responded just before midnight to a Twin Oaks Lane residence, where a Burglary in progress had been reported. The suspect was immediately located and taken into custody. The occupant of the residence stated that after hearing noises under his house he investigated and encountered a shirtless male subject outside, who appeared to be a teenager. The owner of the residence ran inside to dial 911 and locked the door, since the suspect had come up onto his porch and was attempting to make entry to his rear door. The owner then observed the suspect enter his unlocked vehicle parked in his driveway and look around inside. The suspect appeared to be severely intoxicated and was transported to headquarters and provided a Non-Complied Consent Datamaster Test, which registered a .24% level of alcohol. Due to his alcohol level, the fifteen year old was transported to East Cooper Hospital and released to the custody of his mother. He was charged with Public Intoxication, and Malicious Damage to Real Property, which will be heard in Family Court.

May 25, 2009 A Beach Services Officer on foot observed a vehicle parked on Ocean Boulevard with a small dog locked inside. The windows were slightly ajar, but the dog appeared to be having trouble breathing and no water was available in the vehicle. The dog was retrieved from the vehicle by an officer and lodged in the kennel. Once the owner of the vehicle returned to her vehicle she was advised and cited for Ill Treatment of an Animal and allowed to claim her dog from the kennel.

May 30, 2009 Officers responded to a Hartnett Boulevard residence to check on the welfare of an alleged victim of domestic violence. The officers met with the victim, who stated that he had been continually assaulted throughout the entire day, which resulted in him moving into a spare bedroom. The victim stated that while he was sleeping his girlfriend entered the room and again assaulted him and threatened to kill him with a knife. The suspect was located two blocks away and taken into custody charged with Criminal Domestic Violence.

### **Personnel/Community Relations**
