Mr. Rusty Streetman
Chair, Public Facilities Committee
Isle of Palms, South Carolina

February 22, 2023

Dear Rusty,

The Recreation Department is an integral part of the Isle of Palms. Both the physical campus and the programs offered engage the community, draw us together, and enhance our quality of life. The contributions of Norma Jean Page, Director of the IOP Recreation Department from 1997 until 2022, account for a significant part of the Recreation Department's success .

Under Norma Jean's tenure, the Recreation Department was transformed from a basic gymnasium, with offices above, to the inclusive, multi-functional facility it is today. The building expansion, a lush turf soccer field, a dog park, an exceptional playground with a sheltered pavilion, and soon-to-open pickle ball courts top the list of physical improvements that were overseen by Norma Jean.

The events, classes and activities that Norma Jean instituted are myriad. Community programs she initiated include Keenagers, seasonal Front Beach festivals, the wildly popular Halloween Golf Cart Parade, Music in the Park, and Doggie Day, to name a few. Our city is immeasurably better because of our welcoming, accessible Recreation Department; the vision and leadership of Norma Jean Page plays a considerable part in that.

Therefore, we're asking you to please propose the following to your committee, which will hopefully result in a motion to the IOP City Council: the installation of a plaque in the lobby of the Recreation Department building, recognizing Norma Jean Page for her contributions and dedication to the City of Isle of Palms.

Thank you for putting forth our proposal.

Respectfully,

MIMI WOOD et al

Norma Jean Page Plaque

I am in favor of a plaque recognizing Norma Jean Page,
for her contributions and dedication to the City of Isle of Palms,
being installed in the lobby of the Recreation Department.
