701 Palm Blvd, Isle of Palms SC 29451, South Carolina 29451

**Comments for Council Meeting**

Has the speed for ALL of Palm Blvd been reduced to 30 MPH? I saw new speed limits posted for only the area with slant parking. Living on the south end of the island, I have witnessed speeding often at all times of day. I'm hoping a reduced speed limit, with proactive enforcement might slow traffic down. Thank you
