Do not cave to tidal wave! They need to be gone from iop marina. If you let them stay this summer you'll never get rid of them. They say their livelihoods rely on the marina site but apparently they are opening up on Kiawah, so that plea loses credibility! Be strong, they have no right to be there. Put up chain link fence and lock them out.

First:: I would not like to see the number of council members reduced

Second; good luck with DOT. The new striping is dangerous for everyone.
