

PLEASE RESPECT YOUR NEIGHBORS

NOISE: Please keep noise down, including music and loud voices. Quiet is required from 10 p.m. to 10 a.m. on Monday through Thursday and from 11 p.m. to 10 a.m. on Friday and Saturday.

LIGHTS on FRONT BEACH: From May to October, turn off porch lights and close drapes and curtains at dusk to protect sea turtles. Do not disturb sea turtle nests.

SMOKING MATERIALS: When outdoors, dispose of smoking materials in an ashtray or other appropriate container. Tossing cigars or cigarettes into pine straw or other flammables below porches creates a fire hazard.

THE OCEAN is a major part of the Isle of Palms experience, but please be aware of its hazards, such as rip currents, marine life, surfers and kite boarders. Life guards are on duty only at the County Park.

THE DUNES protect our island from storm surges. It is unlawful to destroy or disturb vegetation, which holds the dunes. Please use designated boardwalks and beach access paths. Please help maintain our clean beaches by using the yellow trash barrels.

The noise and other ordinances of the Isle of Palms are strictly enforced by the Police Department. Violations may result in fines and court costs up to \$1,087, thirty days in jail, and/or eviction if in your rental contract.
