

Recreation Committee
5:00 p.m., Monday, May 7, 2018

The regular meeting of the Recreation Committee was held at 5:00 p.m., Monday, May 7, 2018 in the City Hall Conference Room, 1207 Palm Boulevard. Attending the meeting were Councilmembers Moye and Smith, Chair Buckhannon, Administrator Tucker, Recreation Director Page, Assistant Administrator Fragoso and City Clerk Copeland; a quorum was present to conduct business.

1. Chair Buckhannon called the meeting to order and acknowledged that the press and public were duly notified of the meeting in accordance with the Freedom of Information Act.

2. **Approval of Previous Meeting's Minutes**

MOTION: Councilmember Smith moved to approve the minutes of the regular meeting of April 3, 2018 as submitted; Councilmember Moye seconded.

Director Page indicated that a correction should be made to the motion on Page 4 relative to increasing camp fees; the increase would be to Camp Summershine only, not the athletic camps.

Councilmember Smith also had a correction on Page 4 about the summer camp registration; her initial concern was that grandchildren who do not live on the island were taking up spaces that should go to island children.

VOTE on Corrected Minutes: The motion PASSED UNANIMOUSLY.

3. **Citizens' Comments – None**

4. **Departmental Report for April 2018 – Director Page**

The Director noted that the majority of children's programs and seniors' programs stop for the summer months because many residents travel since the children are out of school. In athletics, adult softball, 3 on 3 basketball, 6 vs 6 soccer and table tennis singles leagues are continuing, and, for the children, Fast Start, T-ball and machine pitch are continuing while youth baseball teams are having tournaments. The Keenagers had their last meeting before the summer break on May 2, and forty-one (41) seniors attended. Summer Camps begin Monday, June 11th, and all sections of Wee Camp and Camp Summershine have been filled. Music in the Park will be Saturday, May 5th from 1:00 p.m. to 4:00 p.m. on the grounds of the Rec Center; the 30th Annual Piccolo Spoleto Sand Sculpting Contest will be Saturday, June 9th at 9:00 a.m. on Front Beach; the IOP Beach Run is scheduled for Saturday, July 21st; and the 20th Annual Half Rubber Tournament will be Saturday, August 18th beginning at 8:00 a.m.

Councilmember Moye asked if some residents were not able to register for their child(ren) for the "desired week(s)" of camp, and Director Page answered that it was possible, but she was not aware of any complaints.

5. **Old Business**

A. **Review of FY19 budget**

Administrator Tucker pointed out that this Committee was the only one (1) to increase revenue for the FY19 budget.

Chair Buckhannon stated he wanted the Rec Department budget to have sufficient funds for ongoing maintenance of the Bark Park.

Director Page said that the Rec staff was not on top of this issue as much as they should be; she noted that the plan was to alternate between two (2) gates to what is referred to as the acquaintance gate and mulch has been added at the entrance.

B. Discussion of full court basketball for adults

Councilmember Smith said that she wanted to follow up since Director Page indicated that Saturday afternoons might be a possibility for adult, full-court basketball, but, when her husband discussed the offer with his team members, he learned that Saturday afternoons were not a time that they thought would work out. The team said that they would be willing to start as early as 7:30 a.m. on Saturday morning, but Director Page replied that a Rec employee usually arrives at 8:30 a.m. for a 9:00 a.m. Tae Kwan Do class.

C. Consideration of proposal from Farmers' Market volunteers

The proposal, included in the meeting packet, is attached to the historical record of the meeting.

Included in the proposal is a list of management responsibilities the volunteers will assume; based on the listing, Assistant Fragoso expressed confidence that her involvement this year would be minimal. She stated that she has reached out to the Police Department to ensure that they will have sufficient personnel to outline the vendor spaces on a weekly basis.

Responding to Councilmember Moyer, Assistant Fragoso said that the volunteers took the budget she presented to the Committee in April and added in their compensation; Assistant Fragoso indicated that she has shown the City's paying for parking for the markets as revenue to the market.

Councilmember Moyer said that, if the Committee expected to sell the idea of compensating the volunteers to City Council, the budget must show it as coming from the revenues of the markets. He opined that the parking fees should also be paid from market proceeds and not by the City.

The Administrator commented that her memory of the discussion was one (1) where the fact was recognized that, without paid parking, the Farmers' Markets would not be a successful endeavor and that the expense of the parking fee was not paid from market revenues. Assistant Fragoso agreed.

Assistant Fragoso commented that she did not think the volunteer managers would be involved this year without compensation and recalled that they were going to pursue sponsorships to increase revenues and reduce expenses.

Councilmember Moyer also noted that the budget did not show any revenue from alcohol sales.

MOTION: Councilmember Moyer moved to approve the 2018 Farmers' Market budget as presented; Councilmember Smith seconded and the motion PASSED UNANIMOUSLY.

D. Sunday Rec Center opportunities

Councilmember Smith said that she had asked that this item be included on the Agenda because she had a couple of residents suggest activities for Sunday afternoons beginning in the fall. The first was the possibility of holding classes, such as yoga, for those members of the community who work full-time.

Director Page said she was happy to check with the instructors, but she expected the answer to be no; she stated that a yoga class was held on Saturday mornings for those who work.

A second suggestion was futsal, which is a version of five-a-side football played indoors.

The Director said she would be happy to offer it, but to do so would require that she have a second employee on the schedule. She agreed to talk to Aaron Sweet about it.

6. New Business – None
