

**A PROCLAMATION OF RECOMMITMENT
TO FULL IMPLEMENTATION OF THE
AMERICANS WITH DISABILITIES ACT**

On July 26, 1990, President George H. Bush signed into law the Americans with Disabilities Act (ADA) to ensure the civil rights of people with disabilities. This legislation established a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities.

The ADA has expanded opportunities for Americans with disabilities by reducing barriers and changing perceptions, increasing full participation in community life. However, the full promise of the ADA will only be reached if public entities remain committed in their efforts to fully implement the ADA.

On the 20th anniversary of the American with Disabilities Act, we the City of Isle of Palms celebrate and recognize the progress that has been made by reaffirming the principals of equality and inclusion and recommitting our efforts to reach full ADA compliance.

NOW THEREFORE, the City Council do hereby reaffirm our commitment to work toward full ADA compliance in the City of Isle of Palms.
