The Bidder declares their Bid Response is made without any connection with any other individual that may be submitting a Bid Response to this RFB and their Bid Response, in all respects, is fair and in good faith, without collusion or fraud, with another Bidder, representative or agent.

By submission of a bid to this RFB, the bidder agrees and certifies, to deliver all required services and perform all required work with the strictest conformance to meet or exceed the scope of services, specifications and minimum requirements contained within this RFB.

All pricing is firm and will remain firm for at least one hundred and twenty (120) calendar days from the time and date of the RFB submittal and opening. During this period, the Bidder may not withdraw their Bid Response.

The bidder agrees to abide by all conditions of this bid and verifies that he is authorized to sign this bid for the offerer. The bidder further states that the company affiliated with this bid currently complies with all applicable federal and state laws and directives relative to non-discriminatory practices in employment.

The Bidder, in compliance with the RFB, and having examined the Project Documents, and being familiar with all of the conditions surrounding the proposed project, including the availability of materials, labor, and work site environmental conditions, hereby proposes to furnish all permits, labor, materials, supplies, and equipment and to perform the duties in accordance with the contract documents of which this Bid Form is a part.

The Bidder further proposes and agrees, if this Bid is accepted, to contract with City of Isle of Palms, to furnish all permits, materials, equipment, tools, apparatus, means of transportation, and labor necessary hereto, and to complete the proposed project in full and complete accordance with the Contract Documents, to the full and entire satisfaction of the Owner, in accordance with the pricing listed on the Bid Submission Form. The amounts listed on the Bid Submission Form of this Bid Package also include all costs associated with the compliance of all applicable State laws (including SCDHEC regulations), local ordinances, and the rules and regulations of all authorities and professional association standards having jurisdiction over the project or the materials used throughout, and they will be deemed to be included in the contract the same as though herein written out in full.
